## AMATEUR ATHLETIC ASSOCIATION OF TASMANIA

### Members,

It is with great pleasure that this, the Second Annual Report of the Amateur Athletic Association of Tasmania is presented covering 1981/82 the first complete season of its existence.

The highlight of the year has been the smoothness with which such a new Association has been able to function. Apart from a few very minor matters the change over has been remarkably free of hassles and problems and this, of course, speaks volumes for the goodwill of all concerned and their keenness to succeed, as well as sound planning and administration.

The organisation arrangements are that full council meetings are only held quarterly. An Executive consisting of the President, Deputy Presidents, Vice Presidents, Secretary, Treasurer and Executive Director is responsible for business between council meetings and it delegates the run of the mill matters to a Management Committee of five which meets fortnightly. Sub-Committees deal with finance, promotion and development, women's matters, records and selection and overall this set-up has proved most satisfactory.

The various sub-committees have functioned very well with the promotions and development being responsible for greatly increased sponsorship and the conduct of a special meeting in Launceston. The Finance Sub-Committee controlled the money side of your Association most efficiently. It inaugurated a fund raising programme to subsidise state teams which was quite successful but was only sufficient when augmented from sponsorship and gate takings to finance the travel costs of the track and field team.

Coca Cola again sponsored registration numbers, the twilight meeting in January in Launceston and the School Childrens Championships. Ellery Engineering sponsored the North v South Match, 7HT the South Australia, Victoria, Tasmania Match, Island State Cricket Union the State Interclub and Benders Real Estate the Track and Field Championships. Altogether \$4,600 was obtained and from reports all sponsors were pleased with the results. A new arrangement with Adidas resulted in the donation of state uniforms to the extent of \$2,000.

The matter of team funding has been considered very closely and every attempt has and will be made to extend it to all teams, albeit it to a very limited extent. This has been made even more important because of the loss of the Tasmanian Government Grant which had been made available over the three previous years.

Your Association was honoured with the allocation of the Australian Schools Cross Country Championships and the Northern Branch agreed to conduct them in Launceston. A course in the Riverside High School Grounds was selected and proved to be quite good with reasonable facilities being available close at hand. The organising committee is to be congratulated on conducting a first class meeting and upholding Tasmania's reputation in this regard.

The pavilion at the Domain Athletic Centre has proved to be a great asset and is gradually being furnished and developed to become a first class facility. Appreciation is expressed to Mavis Ebzery for the provision of a clock for the building.

In Launceston the laying of the all weather Resolite track has been completed and efforts will now have to be directed to providing amenities for this as soon as possible. All being well it will be in full use during the coming track season.

On the field the intrastate and interstate meetings were well supported, in particular the North v South, State Interclub, South Australia, Victoria, Tasmania match and of course the Track and Field Championships seemed to improve as spectacles and certainly resulted in improved performances indicating that the harder the competition the better the athletes perform. Gail Millar & Sally Oakley competed for Oceania in the World Cup Team with distinction, Graham Tudor was selected in the Australian Schools Team and Steven Knott will be going to Europe during the winter with an Australian Team whilst Jo Millar distinguished herself in the very tough Heptathlon field.

However, registration players remained very much the same as last year and it is to be hoped that with the amalgamation of many clubs they will recruit strongly in the coming season as a broad base of club athletes is essential for our sport to prosper.

The formation of a new branch in the North and the reorganisation of the Southern Branch to control the Women's Clubs as well has also been a big step forward and it is certain that those developments will show further progress as time goes by.

Managers of state teams have all indicated that the spirit of these joint teams has been extremely good with very high morals.

Your President, Graeme Briggs, was elected a Deputy President of the Amateur Athletic Union of Australia at its Annual Congress in Brisbane in March, reflecting great honour on Tasmania and he was also appointed to be a member of the Australian delegation which went to the I.A.A.F. Congress in Jamaica and successfully applied to conduct the 1985 World Cup Meeting in Canberra.

With the approach of the Brisbane Commonwealth Games it is pleasing to report that fourteen Tasmanians will act as officials at the athletics with Graeme Briggs as Competition Director being in charge of the conduct of the whole programme.

Undoubtedly the past season has seen great progress in our sport and there are high hopes for even more in the future.

#### REGISTRATIONS:

It was gratifying to see a small increase in the number of men's registrations in the past seasons. Although the increase was only 25, it was at least an increase. Two branches North and North West improved by 18 and 26 respectively but the South continued its decline - by 19.

Senior registrations continued to increase and passing 200 for the first time ever, which was most gratifying. Details of the various age groups in Junior and Sub-Junior divisions were kept for the first time and showed a disappointingly small number of Under 20's. The influence of Little Athletics in the North and South was very evident in the small numbers registered in the Under 12 group in these areas.

Women's registrations decreased by one for the season but only juveniles showed an increase, of a hefty 39 this being offset by a smallish drop in seniors and juniors and a larger one in sub-juniors.

TRACK AND FIELD:

COCA COLA TASMANIAN ALL SCHOOLS CHAMPIONSHIPS      Hobart      7th November

Coca Cola again sponsored these championships to the extent of \$1,000 and a very successful meeting was conducted in good conditions.

Entries were reasonably good with forty-eight schools being represented in a fast moving seven hour programme. However once again the fields in the Under 19 events were rather disappointing even so eight state records were broken 5 by girls. In addition six Under 17 records were broken 3 boys and 3 girls and 4 Under 15 all by girls.

Trophies for athletes of the meeting were presented at the conclusion of the meeting and were awarded to Julie Hooper for her Long Jump of 5.70 m. and Anthony Baker who high jumped 2.00 metres.

The hard working sub-committee of Andrew Willis, Brian Roe and Barry McLeod organised a top class meeting, arranged plenty of publicity and invited New Zealand's top Heptathlete Terri Genge to come over and give several exhibitions in both Hobart and Launceston as well as competing during the Championships. Many athletes gained from the visit and the sponsors were very happy with the overall results.

AUSTRALIAN ALL SCHOOLS CHAMPIONSHIPS      Brisbane      12th & 13th December, 1981

Using the Tasmanian Championships as virtual trials the selectors named a team of 13 girls and 15 boys to compete in the Australian Championships under the management of Valere Clarke and Andrew Willis. The team break-up was Under 19, 1 girl, 9 boys. Under 17, 5 girls, 6 boys and Under 15, 7 girls although several competed in two age groups.

Accommodation at the Sunnybank Motel which was quite close to the track proved to be most suitable and in spite of rather hot conditions for competition results were quite good.

Angus Barnes won a gold medal in the 1,500 metres Under 17 whilst Graham Tudor broke the Under 19 400 metres Hurdles record to win in 54.87 sec. Two Silver medals were won - Glenda Simpson ran a personal best in the Under 17 100 metres of 11.96 sec. to finish second in that event and Cathy Dennis also finished second in the Under 19 100 metres Hurdles.

Peter and Lisa Woods won bronze medals - Peter in the Under 19 800 metres and Lisa in the Under 17 400 metres a rather unique performance by a brother and sister. Chris French and Robbie Johnston also won bronze medals. Chris in the Under 17 3000 metres and Robbie in the Under 19 Decathlon.

AUSTRALIAN ALL SCHOOLS CHAMPIONSHIPS (Contd.):

Several other athletes scored personal best performances, Tim Rundle in the 200 metres Under 19 - 22.45 sec., Angus Barnes 800 metres Under 17 1 min. 55.22 sec., Robyn Farrelly 25.3 sec. in 200 metres Under 17, Andrew Boutchard 11.14 - 100 metres Under 19, Peter Wood 4 min. 4.3 sec., 1500 m. Under 19, Cathy Dennis 26.49 sec. - 200 metres Under 19, Jill Hardy 31.80 metres Javelin Under 15. Shane Foster 54.72 metres Javelin Under 19 and Peter Sherwood Under 19 Triples Jump of 13.77 metres.

All members of the team seemed to benefit from the experience and hopefully it will prove even more so in the future.

Congratulations are extended to Graham Tudor on his selection in the Australian Schools Team named at the conclusion of the Championships. Although the team does not compete as much it was still a great honour to be included in it.

ELLERY ENGINEERING NORTH v SOUTH & TRIANGULAR MATCH      Hobart      5th December, 1982

Ellery Engineering agreed to sponsor this meeting to the extent of \$800 which was greatly appreciated and helped to make it an extremely good days athletics.

A special sub-committee was formed to organise the meeting and this proved most satisfactory. The weather was excellent, there were over 200 competitors and eventually sufficient officials were available to conduct all events. There was some criticism of the late decision to change certain events after all details had been circulated to club and it is to be hoped that it is not necessary to do this again in the future.

It was extremely pleasing to see the Southern men's team again competing in a Branch singlet and every effort should be made to extend this to all teams for 1982. The Association owes it to the sponsor and the spectators to make the meeting as interesting and spectacular as possible and, to have the branches in uniform is part of this. As well it makes the athletes feel that they are members of a team rather than a collection of individuals.

The meeting was indeed most successful with results reasonably predictable. The South were slightly superior in the senior competition for men but in the Under 15 White City Triangular Cup contest North's strength showed with a convincing win and North also won the womens competition but by only 35 points. Athlete of the meeting trophies were awarded to Sally Oakley (Devon) and Anthony Baker (S. Bay).

Results:	Mens Senior Under 20 & Under 17	South	388
		North	337
	Mens White City Cup Under 15, 14, 13, 12	North	286½
		South	207½
		North-West	128
	Women	North	220
		South	185
		North-West	89

PETATHLON

Hobart

6th December, 1981

Entries were again disappointing with only 13 men entering - 3 down on last year. An invitation Women's Pentathlon conducted in conjunction attracted only 2 girls - the Miller sisters.

Conditions were very windy which made good performances difficult. Stephen Foster Ulverstone retained his senior title but with a points score over 400 points down on his record breaking effort of last year and only just in front of Murat Djakic. His brother Shane improved on his second last year to win the Under 20 event increasing his score by 54 points to be only 20 less than Stephen.

Although there were only 2 Under 17 entrants the competition was very good with Anthony Baker (SB) proving just a little too strong for Tony Donald (NL).

With the Women's Pentathlon no longer a recognised event, although Jo Millar (R) scored a record 3841 points it will not go into the books as such.

Results:	Senior D. Murray Trophy	1. Stephen Foster (Ulv.)	2826 points
		2. Murat Djakic (NL)	2736 points
		3. Steven Knott (ES)	2418 points
		7 starters	
	Under 20	1. Shane Foster (Ulv.)	2806 points
		2. Rod McCafferty (R)	2467 points

SHELL CHARLES HANSEN UNDER 17 MATCH - BOYS    Perth    16th & 17th January, 1982.

A Tasmanian squad was selected early in December and the final team announced shortly before Christmas which probably did not give sufficient time for it to be properly prepared. Fifteen athletes were named in the team with one not making the trip so that it was three short of the number allowed and the smallest to represent the state in this competition.

As usual the Shell Company hosted a function at the Black Buffalo Hotel for the team the night before it left at which the Tasmanian Manager Mr. Corvan Townsend presented members with their tickets and a souvenir cap. Brian Roe was appointed Manager and carried out his duties in a most capable manner.

The match was conducted in conjunction with the normal West Australian inter-club and suffered in its presentation as a result.

Tasmania finished a rather disappointing sixth scoring only 51 points and gaining one first, two third placings, Angus Barnes winning the 1500 metres and Anthony Baker finishing third in both the High Jump and Long Jump. Anthony's High Jump of 2.00 metres was the best by a Tasmanian in this match.

SHELL CHARLES HANSEN UNDER 17 MATCH - BOYS (Contd.)

With all but three of the team new to interstate competition it could not be expected that they would figure very prominently in the results. However Peter McGlone set a personal best in the Steeplechase by 12 secs. and Wesley Jones also Triple Jumped a personal best.

Tasmanian Results were:

100 metres	- Vincent Males	5th	11.7	(winner 11.1)
200 metres	- Vincent Males	6th	23.6	(winner 21.9)
400 metres	- Allan Cooper	7th	54.6	(winner 49.2)

UNDER 16 MATCH - GIRLS

Canberra

16th & 17th January, 1982.

A very inexperienced and young team represented your Association in Canberra under manager Irene Lovell. Only three athletes reached the finals of the track events and competitors did not qualify in three field events. However, hopefully, the younger girls will have gained from their initiation into the world of interstate athletics and will be better performers in the future.

Robyn Farrelly reached the final of both the 100 metres and 200 metres finishing 6th in the former in 12.2 sec. and 4th in the latter in 25.2 sec. just beating Jan Philport who was given 5th place in the same time of 25.2 sec. Lisa Wood was turned at 58.7 sec. in the 400 metres finishing 6th.

COCA COLA TWILIGHT GAMES

York Park, Launceston

22nd January, 1982.

This special meeting was sponsored by Coca Cola and organised by the Associations' Promotions and Development Sub-Committee. Michelle Baumgartner Vic and Mark Arens, Craig James and Stephen Medhurst (SA) were invited to participate and certainly added a touch of class. Excellent performances were recorded not only by the visitors but also by local athletes.

Mark Arens broke the 1959 mile record of J. Hancock (N.S.W.) 4.13.8 by recording 4.10.0. Marianne Hardstaff (N.L.) bettered the Northern and State Womens 400m. Hurdles records in running 60.8 5. Rod McCafferty (R) broke Northern Junior and Senior Javelin records set by Mick Mannion in 1974 by throwing 64.10m. Michelle Baumgartner (N.S.W.) shattered the Northern Residential record for 400 metres in running 53.9 seconds but so too did Gail Millar (R) who was second in the same race, in 55.0 seconds.

A good crowd of spectators paid to see the games which was covered in part by local television. Little Athletes were also featured in 200m. races and this added to the spectacle.

The athlete of the meeting was Michelle Baumgartner.

7HT STATE INTERCLUB

Hobart

24th January, 1982.

It was very pleasing to be associated with Radio 7HT in the presentation of the State Interclub competition at the Domain Athletic Centre. The weather was very hot, however a late thunderstorm caused the cancellation of one Relay and one High Jump.

Ulverstone and Burnie did not compete which was disappointing but an excellent days competition resulted.

For the first time, the women's clubs competed for the Mavis Ebzery Shield and this certainly added to an already well established competition. Despite one or two little rules that have not been clearly defined, the goodwill of all club officials and athletes over-come these few minor problems. The successful staging of this event could well develop into a combined clubs State League competition.

The Newstead Women's Club had a most convincing win in the women's contest whilst the Sandy Bay men retained the E.W. Barwick Shield after a very close tussle with the North Launceston club. Each of these clubs were the recipients of two special cups donated by Radio Station 7HT.

Michelle Baumgartner competed by invitation and set a new Tasmanian Allcomers 800 meters record of 2m. 4.4 sec.

Results:

Mavis Ebzery Shield

Newstead	39	Tamar	15½
North Launceston	26	Eastern Suburbs	15

ISLAND STATE CREDIT UNION INTERSTATE MATCH - SOUTH AUSTRALIA v VICTORIA v TASMANIA.

Hobart

1st February, 1982.

This extremely well organised and conducted meeting was a great success although it could have been even better with a Victorian Womens team competing and a stronger representation from the Victorian men. Hopefully this will come to be next year although whilst only a very small travel subsidy is provided by the Victorian Association the big V team will not be top standard.

With Chris Williams the Tasmanian Manager and Elaine McLeod his assistant a very strong team of 22 men and 18 women who selected to compete for the state and certainly proved most worthy.

The womens team defeated South Australia by 9 points, winning seven events to six and picking up several quinnllas whilst the men's team although always trailing South Australia produced enough pressure to ensure that it was a good contest. The fact that South Australia won 10 events to 4 each by Tasmania and Victoria indicates that it was the better team although the winning margin was only 18 points with Victoria further 19½ behind in third place.

Tasmania winning events were:- Women - Gail Millar 400m. in 53.9 sec., a Tasmanian Residential Record, Penny Gray 8.00m. 2 min. 6.1 secs., Jo Millar 100 metres Hurdles 14.9 a Tasmanian Residential Record, High Jump 1.65m., Long Jump 5.28m. Marianne Hardstaff 400m. Hurdles 61.0 Tasmanian Allcomers Record. 4 x 100 Relay 48.1 sec. equal Tasmanian Residential Record.

Men - Pat Kaufman 3000m. Steeple 9 min. 1.3 sec. Tasmanian Residential Record, Ian Murray Shot Put 14.10m., David Huxley Hammer 61.18m., Steven Knott Long Jump 7.15m. Although only finishing second in the Javelin Vicki Harwood threw 48.96 to break her own Resident Record and David Preece ran the 400m. in 48.3 for a new Under 20 Resident Record so one open and five resident records were broken and one equalled - all in all a great result for Tasmanian athletics.

After the meeting a very pleasant social get-together was organised by Chris Williams at the T.C.A. Ground.

Final Points:	<u>Men</u>		<u>Women</u>	
	1. South Australia	135½ points	1. Tasmania	65 points
	2. Tasmnia	117½ points	2. South Australia	56 points
	3. Victoria	98 points		

DECATHLON AND HEPTATHLON

Hobart

13th & 14th February, 1982.

An excellent field of 10 entered for the Senior Decathlon but once again the number in the Under 20 and Under 17, 3 each was disappointing - the total of 15 included 3 Victorians whilst the Heptathlon attracted only 6 competitions, 4 seniors, 1 Under 18 and 1 Under 15 but there was only one Tasmanian in each division.

Weather conditions, again, were not conducive to good performances, it being very hot, especially on the second day. Even so Steven Knott (ES) gained a creditably 6232 points, 223 more than his winning score last year. Michael Mol (T) also broke 6000 points with two Victorians over 5900 so the competition was reasonably close. Shane Foster (Ulv.) retained his Under 20 title improving 204 points on last year. To make it in all three divisions, Anthony Baker (SB) retained his Under 17 title and increased his score by 205 points to set a new Tasmanian Allcomers record of 5506.

DECATHLON AND HEPTATHLON. (Contd.)

Jocelyn Millar (R) also set a Tasmanian Allcomers record in the Heptathlon with a score of 5260 points. She had a good competition with Gail Anderson of Malvern. Cathy Dennis (N) and Angela Clarke (R) without any opposition had little incentive to score well in the Under 18 and 15 divisions but Cathy increased her own record by 6 points and Angela set an inaugural score of 3628.

BENDER'S REAL ESTATE TASMANIAN CHAMPIONSHIPS

Hobart

27th & 28th February & 1st March, 1982.

Bender's Real Estate again sponsored the State Championships which were held over the three days of the March long weekend. Although fees were doubled entries were extremely good but again many scratchings caused the cancellation of heats resulting in some gaps in the programme. However as most heats were time tabled for the mornings the afternoons provided very good competition and entertainment. Council decided that all placegetters in all events should receive championship medallions and this was the reason for increasing entry fees. The move seemed to be welcomed by competitors, especially those who gained places.

Admission tickets were again presold to athletes, officials and supporters at a discount and proved extremely popular especially in Launceston. A direct telecast for approx. 2 hours on the last afternoon was again shown by the ABC with TVT 6 playing video highlights so that there was an extremely good coverage.

A large contingent of athletes from New South Wales plus a sprinkling from other states competed and provided plenty of opposition for local athletes.

As always tribute must be paid to all those officials who so willingly gave of their time to conduct so many events and ensure that everything went to time. Weather conditions were generally good, however the third day was blustery and the inevitable rain came right at the end.

BENDER'S REAL ESTATE TASMANIAN CHAMPIONSHIPS (Contd.)

A total of 57 women's events were decided with all clubs except Burnie and Ulverstone winning at least one, and four going interstate. Newstead was the most successful with 17 titles, Riverside 9, Devon 8, Northern Suburbs 6, Tamar 4, Sandy Bay 3, North Launceston and Eastern Suburbs 2, and O.V.A. 1. Ignoring the interstate winner 36 titles went to North, 8 to North West and 13 to South.

Of the mens 117 events. Devon was the only club not to collect one and four went interstate. North Launceston toppled Sandy Bay as the leading club improving 7 on last year to 33 whilst the Bay dropped 9 to 28. Of North Launceston's 33, 23 were gained in Under 15 and 14, in fact it won every event in the Under 14 division, a remarkable achievement. Full details were North Launceston 33, Sandy Bay 28, Riverside 11, Tamar 9, O.V.A. 8, Eastern Suburbs 7, Ulverstone 6, Northern Suburbs 5, Burnie 4, and Newstead 2. South won 48, North 454, North West 10, Sandy Bay retained the Hobart Harrier Club Cup for senior competition by the narrow margin of 1 point from Eastern Suburbs. Senior Tasmanian Women's records and two men's were broken and one men's equalled.

Some of the outstanding performances were - in the womens by Jocelyn Millar (R) in the senior with 3 wins, Cathy Dennis (N) 5 Under 18, Robin Farrelly (N) 3 Under 15, Julie Morrison (NS) 3 Under 13 and Donna Stafford (D) 2 Under 11. In the men's open Steven Knott (ES) was the only athlete to win more than 2 titles with 3, Under 20 Shane Foster (Ulv.) won 4 events, Under 17, Anthony Baker won 5 as well as 1 Under 20 and 1 Open, Angus Barnes won 3. Tim Baldwin (NL) won 6 Under 15 events, whilst Shane Leslie (NL) went 1 better to win 7 Under 14 whilst the Riverside pair Marco Rugeri and Simon Miotto each won a treble Under 13. Best of the Under 12 was Scott Hennessy (SB) with 3 wins and Matthew Potter (Burnie) also won 3 Under 11 events.

SUMMARY:

0 - Gold;      5 - Silver;      3 - Bronze;      = 8 medals.

<u>Silver</u> -	Jocelyn Millar	- Senior Heptathlon
	Steven Knott	- Senior Long Jump
	Sandra Speers	- Junior 400m.
	Sandra Speers	- Junior 800m.
	Gail Millar;	} - Senior 1600m. Relay
	Marianne Hardstaff;	
	Jocelyn Millar;	
	Sally Oakley.	

<u>Bronze</u> -	Sally Oakley	- Senior 400m.
	Gelinda Simpson	- Junior 100m.
	Rod McCafferty	- Junior Javelin Throw.

The performance of team members was first class with many personal bests in a year of great significance with the XII Commonwealth Games to be staged in Brisbane in October.

The experienced members of the team Steven Knott, Sally Oakley and Jocelyn Millar set very high standards. The result in the Senior Women's 1600m. relay where Gail and Jocelyn Millar, Marianne Hardstaff and Sally Oakley ran superbly to give Tasmania a silver medal was also a source of great satisfaction.

## AUSTRALIAN CHAMPIONSHIPS (Contd.)

### SUMMARY (Contd.)

The juniors also did extremely well - Sandra Speers won two silver medals in the 400 metres and 800 metres, whilst Gelinda Simpson (100 metres) and Rodney McCafferty (Javelin) managed bronze medals.

The most pleasing feature was the high percentage of team members who qualified for Finals and this is a very good indicator that the standard of athletic performance in Tasmania is certainly rising.

It was most gratifying to be advised by the manager, that the Sunnybank Motel at which the team stayed in Brisbane expressed appreciation of the behaviour and conduct of all members.

### ATHLETE OF THE YEAR AWARDS

It is pleasing to report that the trophies presented to the T.A.A.A. for its four athlete of the year awards have been passed on to the new association and similar awards will be made for women. However the decision on who will be the winners for 1981/82 season will be made too late to include in this report.

### TRACK AND FIELD COACHES ASSOCIATION

It is with regret that the resignation of Jenni Arthur as Secretary of the Track and Field Coaches Association is announced. Jenni has filled this position since the formation of the Tasmanian Branch and the gratitude of all must be expressed to her. Peter MacMichael has been appointed to replace her with Daphne Holland having completed one year as President following the decision of Ken Box to stand down.

The Alcoa Coaching weekend was welcomed by athletes and coaches at all levels and George Millar had a worthwhile visit to New Zealand for the I.A.A.F. field event course.

Congratulations are in order for John Zito who successfully took the Level II written and practical examination.

Three Level I Courses were held this year with 23 candidates qualifying as Level I coaches and one was given a provisional award. It was pleasing to a number of people who have been coaching since before courses were available, attending this year. Their contribution to discussions was welcomed by both lecturers and other students. These courses could not have been held without the hard work of the lecturing staff, Marcus Gregg, Tony Zito, George Millar, Frank Nott, John Zito and Ken Box.

Tasmania currently boasts 3 Level III, 13 Level II and 93 Level I accredited coaches and 41 financial members of the Association.

### CROSS COUNTRY AND ROAD

Highlight of the winter season was the conducting of the Australian Schools Cross Country Championships in Launceston. This meeting was extremely well organised by a Northern Branch Committee and reflected great credit on your Association.

All in all the season was most successful with all championships having increased fully except for the actual Cross Country Championships. The marathon draw an amazing 55 entries and the schools entries were also extremely good.

CROSS COUNTRY AND ROAD (Contd.)

A disappointment was that the Southern Branch did not have an entry, let alone a team, in the Under 20 and Under 17 branch teams races. Admittedly with the increase in costs, travelling is now very expensive but southern athletes do not have any intrastate track meeting away from Hobart so they should be able to support the other branches during the Cross Country and Road Season.

It is also pleasing to report that the mens and womens Cross Country Championships were held over the one weekend - combined meeting will be held in 1982.

MOUNTAIN RELAY

Mt. Wellington

25th April, 1982.

Weather conditions were not good for the first of the winter championships with ice, snow and sleet. So bad was it that the road to the pinnacle was closed because of snow and the race had to be shortened.

Eight teams entered, 2 from O.V.A., 2 from the Vets, 1 each Sandy Bay, Eastern Suburbs, Northern Suburbs and a composite team, - extremely gratifying. With the last two miles to the top cut out quite a bad traffic jam developed at the turn which made it difficult for the accompanying cars.

Sandy Bay with a strong team - consisting of Kent Rayner, David Smith, Gary Bissett and Gerard Cronly led from the start and won by 4½ minutes from O.V.A. with Northern Suburbs another 8½ away third. Pat Kaufman recorded the fastest mile of the day 3 minutes 39 seconds which was also a record for that particular leg.

Results -

1. Sandy Bay	D. Smith, K. Rayner, G. Bissett, G. Cronly 1 hour 35 minutes 34.2 seconds.
2. O.V.A.	D. Solomon, P. Kaufman, S. Haley, A. Bennett 1 hour 40 minutes 02.6 seconds.
3. Northern Suburbs	B. Pettit, M. McGlone, M. Potter, L. Whitton 1 hour 8 minutes 35.4 seconds.

BRANCH TEAMS RACE

Penguin

11th July, 1981

Early morning rain made sections of the course very difficult but 28 seniors 11 Under 20 and 12 Under 15 competed in the Triangular Competition. It was most disappointing to report that the Southern Branch did not have one competitor in either of the Under Age events. Even so the total of 50 entries was 7 better than last year.

In the senior event performances were much better than 1980 with the first five recording faster times than last years winner and Craig Anderson (S) was only 54 secs. slower than Kent Rayner's best time on record for the course. He and Simon Phillips (N) had a great tussle with only 10 secs. being the margin at the line. In the Under 20 event Robert Gillard (N) had a comfortable win over Robert Kay (N) and Robert Leerson (N) also won clearly from Craig Fitzmaurice (NW) in the Juveniles event. South just won the senior teams race from North whilst North had a good win in the Under 20 event but North West just won the Under 15 event, so each Branch recorded a victory.

CROSS COUNTRY CHAMPIONSHIPS      Baskerville/Risdon Brook Dam      8th & 9th August, 1981.

There were only 50 entrants for the mens championships which was a rather disappointing drop of 14 on the previous year. In the senior 12 km. there were 25 starters, the same number as 1981, a very poor field of 4 in the Under 20 8 km., one down; the Under 17 4 km. was down 3 to 7 whilst the 4km Under 15 also had 7 starters compared to 11 last year. The Veterans 12 km. saw a drop of 4 to 0. The weather was fine and cool with the course, which was used for the first time, rather hard but interesting. The times indicate the toughness of the course. In the senior race Kent Rayner was just too strong for the Ric Coyle and Simon Phillips who had a great tussle for second place. Kent's time was over 42 min. slower than the 1981 winning time. The differences were relatively the same in all other races.

<u>Results:</u>	2000 metres	1. Kent Rayner (SB)	42 min. 34 sec.

On the next day the Womens Cross Country Championships were held at Risdon Brook Dam.

AUSTRALIAN CROSS COUNTRY CHAMPIONSHIPS      Adelaide      12th & 13th September.

A team of 19 was selected to represent the state with Margaret Hardstaff as Manager and Wayne Fletcher Assistant Manager. Full teams of 6 and 5 were entered in the mens senior and Under 20 events and 4 senior women, 3 Under 18 and 4 Under 15, however 2 of the Under 18 women withdrew leaving Jane Bradshaw as the state's only representative.

The course was quite a distance from Adelaide and necessitated the hiring of a mini bus to overcome the transport problems. It was quite a good cross country course and although the teams performances were not as good as might have been expected, most members performed to their ability. A couple made the mistake of starting too fast and were forced to withdraw.

Teams were entered in the senior and Under 15 women's road relays on the Sunday and both finished seventh as might have been expected because of lack of experience in this type of event.

Team Performances were:

Women's 4000 metres	B. Kenyon	30th	15 min. 20 sec.

TASMANIAN SCHOOLS C.C.C.

Launceston

12th July, 1981.

With Tasmania having been allocated the conduct of the Australian Schools Cross Country Championships, a new course was chosen to provide a better terrain and competitor and spectator facilities and was used for the state championships as a trial for the bigger meeting later in the year.

Entries were much better being 29 more than in 1980 with a slight improvement in the Under 19 division.

AUSTRALIAN SCHOOLS C.C.C.

Launceston

1st August, 1981.

Following the Tasmanian Championships 15 girls and 15 boys were selected to represent Tasmania. Barbara Ann Kenyon and Ros Robertson were appointed to Manager the team. Being in Launceston made team arrangements easier but of course the organising committee had months of very hard work to ensure that the meeting was the success it was.

Your Association delegated the organisation to the Northern Branch which appointed Ken Barrett as Chairman and David Howard as Secretary with a committee of 12. A Division of Recreation grant of \$200 was obtained plus sponsorship from ten Launceston business firms which enabled the meeting to be fully covered financially. The organisation was first class resulting in a very difficult programme, being run most efficiently. The programme is difficult because of the relatively short distances run, especially by the girls, and the large number of competitors. A total of 278 entries were received, including 6 boys and 6 girls from New Zealand, (169 boys and 109 girls) from all states and territories. Congratulations are extended to the organisers for a job well done.

Competitively Tasmania was rather outclassed finishing last in the boys overall competition and sixth in the girls.

MARATHON

Cressy

13th June, 1981.

As usual this meeting was conducted by the Northern Branch at Cressy. A record field of 55 started in the Marathon and a pleasing 14 completed in the Under 20 Half Marathon but only three walkers entered for the 20 km. title.

The weather was quite good, being fine but cool with very little wind. Of the 55 starters in the Marathon, 41 completed the course with 1 hour 35 min. elapsing between first and last. Richard Pickup, Bruce Longmore and Don Harris led the field from the start with the first two turning together. Richard led by 15 sec. at the 19 mile but Don Harris came through to take the lead after 20 miles and went on to win by 3 min. from Richard Pickup who only just held off Bruce Longmore. The 3 hour barrier was broken by 12 runners.

Gary Bissett ran very strongly in the Under 20 Half Marathon to win from Robert Gillard who had to be content with second place for the second successive year although covering the course over 6 min. faster.

Results:

Marathon	1. Don Harris (Vets)	2 hours 36 min. 39 sec.
	2. Richard Pickup (N)	2 hours 39 min. 37 sec.
	3. Bruce Longmore (Vets)	2 hours 39 min. 55 sec.

AMATEUR ATHLETIC CONGRESSES

An extraordinary Congress was held at the Sheraton Hotel, Melbourne on 30th May 1981 at which your association was represented by your President and Secretary. The Congress was held primarily to set a time table for states to complete amalgamation but in addition the Amateur Athletic Association of Tasmania was granted affiliation, the A.C.T. A.A.A. was allowed 4 delegates to Congresses, recognition as associate members was given to the Aust. Track and Field Coaches Association, Australian University Sports' Association and Australian Veterans Association with the right to one non voting delegate. Registration fees are to be decided by Congress on the recommendation of the Treasurer and the Executive of the Track and Field Coaches Association will form the Coaching Co-ordinating Committee of the Association.

The Half Yearly Congress was held at the Sheraton Hotel, Melbourne on 19th and 20th September 1981 with Mrs. M. Ebzery, Mrs. A. Gray, G. Briggs and N. J. Ruddock as Tasmanian delegates.

Items of particular interest to Tasmania were:-

Victoria advised amalgamation would operate from 1st April 1982 and New South Wales hoped to do so by the same date with Queensland one year later.

### AMATEUR ATHLETIC CONGRESSES (Contd.)

The Commonwealth Games team to be selected on the 6th September after trials at which all residential athletes must compete unless granted exemption by the Chairman of Selectors or President of the A.A.C. Registration fees were increased to \$2.50 as from 1st March 1982.

Technical Officials Theory examinations will commence in November 1982 and to be held between the 9th and 17th.

Dispensation was granted to states in relation to I.A.A.F. Rule 162.9 stating that starting blocks must be used in events up to including 400m. (Relay also), but that the Rule should be enforced for State and National Championships and all international meetings, except those for school children.

A video camera and portable recording unit, monitor and video cassette players has been donated to the Union and will be available to states.

It was recommended that a team be sent to the World Cross Country Championships every two years, providing finances is available.

A recommendation was referred to all associations that names for divisions be referred to as Open, Under 20, Under 19 etc., and that National Championships be held for Open, Under 20, Under 18. School Championships Under 19, 17, 15 and an Interstate Match for Under 16.

The number of entries to the Australian Championships was increased to 2 per association per event.

The matter of the Australian Marathon Championship being open to all registered athletes was referred to the Board.

The 1982 Annual Congress was held at the Gateway Inn, Brisbane on 16th and 17th March with Mrs. M. Ebzery, Mrs. E. McLeod, G. T. Briggs and N. J. Ruddock as your delegates.

The election for office bearers resulted as follows:-

President:	A. W. McDonald (Q.C.).
Deputy Presidents:	M. R. Aiken (Senior) S.A., G. T. Briggs Tas., Mrs. M. Robinson Vic.
Treasurer:	Mrs. J. Cross Q.
Board of Management:	M. R. Aiken S.A., G. T. Briggs Tas., Mrs. W. Ey S.A., Dr. F.P. Larkins Vic, C.D.Lee NSW Mrs. M. Mahoney Vic., Mrs. F. Wrighter N.S.W.
Selection Committee:	P. May Vic., P. Jenés Vic., Mrs. F. Wrighter N.S.W.
Scoring Tables & Standard Committee:	N. J. Ruddock, R. K. Hood, R. Morriss Tas.

No Merit Awards or Life Memberships were granted although quite a number of nominations were submitted.

The Board reported that new accommodation for the A.A.U. of A., would be at Olympic Park, and it was hoped to take up residence there after Easter.

The historical records of the Union have been collected and are presently housed at Olympic Park, where they will be collated, by voluntary helpers.

Eligibility of Gael Mulhall: Reinstated for international competition. She will be able to compete nationally and domestically from 1/8/82.

World Cup Application: A submission for funds to upgrade the Stadium and provide a synthetic warm-up track has been put to Cabinet. The matter has yet to be resolved, and the Board has agreed that should funds not be forthcoming the application to stage World Cup IV will be withdrawn.

### AMATEUR ATHLETIC CONGRESSES (Contd.)

Sponsorship: Sanyo, the sponsors of the Australian Track and Field Championships also made a donation of video packs to the associations.

The Commonwealth Steel Co., has agreed to sponsor the All Schools' Track & Field Championships for 1982, 1983 and 1984 for a total of \$66,000.

The Mars 5 Star Award continues to be promoted in South Australia, Victoria, New South Wales and Tasmania.

Alcoa support for athletes presently is planned to cover the period up to the end of 1982.

The agreement with Adidas concludes at the end of this season.

Competition - Alcoa Challenge Series: The Alcoa Challenge series concept was changed for season 1981/82. The series were shortened to three meetings and funds were used to bring a number of international athletes to Australia for the Series.

Performances at all meets were good with numerous State records broken and a number of Australian records.

Officials' Committee: The first technical officials examinations were held in November 1981, with candidates sitting from every State Association.

Multiple Events: All heptathlon and decathlon events must be conducted according to I.A.A.F. rules with implements, hurdles, distances etc., as laid down by the I.A.A.F.

The Coaching Director is to look into multiple events and organise a scale for under age competitors.

### MERIT AWARDS

As with the Athletes of the year your Association has agreed to institute these awards and all recipients from the previous associations will automatically be holders of the A.A.A. of Tasmania Award.

Nominations have been called for the first awards and these will be announced at the coming Annual Meeting. The last awards made by the T.A.A.A. were made to Graeme Cruise and Stan Cross.

### DOMAIN ATHLETIC CENTRE

There have been some improvements made to the Pavilion at the D.A.C. and additional furnishings and fittings have been installed. Through the generosity of Mrs. Mavis Ebzery an electric clock has been erected on the front of the building and has certainly been of great benefit to all using the ground.

Unfortunately the track continues to deteriorate and in spite of the efforts of the Association and the Southern Branch no attempt has been made to improve it by the H.C.C.

Investigations are being made into the possible erection of a new Hammer cage and some roofing for specators protection at the centre. Finance and designs allowing it is hoped that both of these may be a reality by the start of the 1982/83 track and field season.

## BRANCH REPORTS

### SOUTH

Although the Branch has been in existence for 28 years this is the first of the restructured Branch which, following the adoption of a new constitution, incorporates men's and women's athletics under the control of the one administration. The transition occurred relatively smoothly with a few teething problems but for the main part the spirit of co-operation and endeavour was excellent and athletics benefitted from this positive move.

The benefit of amalgamation, not the least of which is economy of scale, has flowed through to three clubs, with Eastern Suburbs, O.V.A. and the Veterans' Club now offering membership to both men and women under the one administrative body.

A number of other innovations were introduced during the season, the most important being the change to Saturday afternoon competition. The question of morning or afternoon athletics has been debated at length ever since the Domain Centre became available and it was probably best, after so many years of morning competition, that afternoon athletics should be tried. Whether the move was successful or not is a matter of personal opinion. Certainly there was no significant variation from previous years' trends in the number of spectators or athletes attending as many claimed there would be. Certainly the debate is not yet settled but the betterment of athletics must be placed before personal concerns in this issue.

By necessity the first four meetings were conducted as Wednesday twilight fixtures and, in a bid to raise interest, they were made special interclub rounds. This innovation was only moderately successful and many athletes particularly the seniors, did not appear until the regular Saturday interclub commenced in November. Similarly a number of special 'open' twilight meetings during December/January met with limited support despite publicity aimed at attracting 'other interest' sporting clubs.

There were a number of highlights during the season. Her Majesty, Queen Elizabeth II and the Duke of Edinburgh visited the Athletic Centre for a Primary Schools' Carnival early in October and while only a small number of Branch members were involved on the actual day, the hastily completed landscaping and maintenance work by the H.C.C. raised the hope that if Her Majesty returns to the Centre in the near future, it should be at night so that athletes might benefit from night meetings under newly erected lights.

The Interstate Challenge match, with visitors from South Australia and Victoria, was the outstanding meeting of the year but both the North vs South, Triangular meet and the State Interclub were top class meetings that were in no way overshadowed by the Interstate Meet. The Southern men's team followed the lead of their women counterparts and appeared in Southern uniform for the first time in several years. This seemed to lift both the athletes and the meeting to the level of prestige enjoyed in years gone past and rewarded the generous sponsorship provided by Ellery Engineering.

The outstanding athlete was undoubtedly Steven Knott. Steve gained selection in the Australian team which competed in the 'mini games' in Brisbane in October and following his silver medal in the long jump at the Nationals, was selected in an Australian squad to travel to Europe later this year. For the statically minded and to give an idea of his dominance, Steven's best long jump in interclub, as listed in the rankings appended was 18% (or 1.17m) better than the performance of his nearest rival, equivalent to winning a 100 metres event by an incredible 18 metres.

The Sandy Bay Clubs dominated their respective interclub competitions. The men's club swept to their seventh successive track and field win while the women's club won all divisions but one in their competition. The strong administration of both clubs is reflected in these successes and it will not be until their rivals realise that this is the secret to success that they will be seriously challenged.

Cross Country again experienced a growth year, receiving strong support from all clubs, particularly the Veterans' Club. The winter premiership struggle was interesting with a small but elite Sandy Bay team winning narrowly from Northern Suburbs and Eastern Suburbs.

The Branch acknowledges the assistance of the news media throughout the year. Mainly through the enthusiastic efforts of our Public Relations Director, Barry McLeod, the Branch enjoyed excellent media coverage this year and our thanks goes to the Mercury, radio stations 7 HT, 7 HO and 7 ZR and television stations Channel 2 and Channel 6 for their support.

The Branch is deeply indebted to the dedicated group of officials who week by week are alternatively baked and frozen, drenched and dehydrated but who voluntarily return to give of their time to enable athletes to compete. Their task is thankless, criticism often being their only reward, they are usually first to the track and the last to leave, without them our sport would not be possible.

Congratulations are offered to those members of the Branch who gained selection as State Representatives during the year.

The administration of the Branch has been undertaken in an unbiased, competent manner by the Board of Management. The Board is grateful for the assistance given by athletes, clubs and officials and urges all members to continue to provide whatever support and assistance they can.

The efficient conduct of normal interclub competition is not possible without willing, well trained officials. Athletes expect this, so do the spectators and in doing so, the end result can be a smooth, well run competition where every athlete knows that they are given the finest environment to perform at their best.

The Branch is very aware of the onerous task which has been undertaken by its Executive Director, Wayne Mason. A particularly warm tribute must be paid to him on behalf of club officials and athletes for the job that he has so willingly done over the past few years and the Branch is indeed sorry to lose him.

The very healthy position in relation to funds available to the Branch is due in no small manner to our Finance Director, Noel Ruddock. The other members of the Board of Management have also contributed in a significant number of ways to the smooth running of the Branch.

### CONNORS SOUTHERN ALL SCHOOLS' CHAMPIONSHIPS

This two day event held on Saturday and Sunday, 24th and 25th October, proved to be a most disappointing series because of a number of factors.

First, because of the visit of Her Majesty, Queen Elizabeth II to the Domain Athletic Centre for a Primary Schools' Carnival on Monday, 5th October, the Centre was not available for use by the Branch which traditionally has held the All Schools' Titles on the first two days of the new track season. This created a dearth of competitors as the Independent Schools' Sports had already been completed and major support was lost. Further, the Charity March for Millions and a combined centres Little Athletic Meeting was also held at the same time.

It is disappointing to report although 65 schools entered competitors, approximately 400 individual competitors only took part when a moderate expectation was 700.

The most generous support of Connors enabled the Branch to have new certificates and to cover the cost of programmes, entry forms, notices to schools and admittance tickets.

Despite the relatively small number of competitors the girls established 18 new records which included several inaugural ones, and the boys created 9 new marks.

The programme dragged throughout both days because of the large number of scratchings but it was a fair two days competition with a couple of outstanding results.

Connors generously donated Athletic of the Meet Awards and these were given to Lisa Wood, Sacred Heart, Paula Nicholls, Rose Bay, David Ashcroft, St. Virgils and Robert Johnston - St. Virgils.

Added to these were Encouragement Awards also donated by Connors and the recipients were Lisa Lovell, St. Marys, Sharon Nus, Campania, Matthew Fleishmann, St. Virgils, Peter Banks, Huonville, Annette Grubb, Rose Bay, Michael Crew, Clarence, Sam Kelly, Hutchins, Fiona Steele, Goulburn Street, Megan Johnston, St. Marys and Troy Bennett, Hutchins.

It is disappointing to report that relatively few officials supported these sports and it is trusted that greater efforts are made next year in order to encourage these young athletes.

### SOUTHERN INDEPENDENT SCHOOLS' SPORTS

These were held in fair weather conditions on Saturday, 10th October commencing at 10.00 a.m.

Once again our Branch Officials provided the Chief Officials and were called upon to work very hard all day from the first event commencing at 10.00 a.m. with no break until the final event at 3.45 p.m.

The standard of the athletics was not as good as expected and in the girls' events ten records were broken, four in field and six in track, whilst the boys could only manage four new records, three in the field and one in track.

The obvious training which had gone into the two winning teams - Sacred Heart and Hutchins showed out early in the day and these schools were not headed in the points table and their win was both merited and predictable.

The star performer of the day was Hutchins' Under 16 Champion Anthony Baker who won five events including a superb 2.03 metre in the High Jump to set a new State Under 17 record.

Because of the large number of events which take place at once, it is felt quite strongly that the Branch would need to purchase score boards for the shot put, javelin, discus, long and triple jump and high jump areas in order to indicate to the announcer the attempt just completed. This would add to the communication for spectators and keep the interest flowing although this was apparent right throughout the day with very keen support from each of the schools' contingents.

#### STATE INDEPENDENT SCHOOLS' SPORTS

These followed by one week the Southern Independent and the weather was favourable on this occasion when all schools competed at the Centre.

The girls' schools, because of the large number of competitors, are divided into two divisions and in Division 1 eleven records were broken, five in field and six in track and Division 2 two field and two track records were also broken. In the boys' events ten records fell by the wayside with four field and six track.

The entire programme is unbelievably tight. It is unfair to expect officials to be on duty without one break from 10.00 a.m. until 3.45 p.m. with events running approximately every two to three minutes. This also places undue pressure on athletes.

As was expected, the competition between the two winning schools in the North, Marian College and St. Patricks, when they faced Southern titleholders, Sacred Heart and Hutchins, was very even.

In the final analysis, the two Southern schools showed the benefit of depth within their teams and eventually Sacred Heart in particular ran out most comfortable winners but Hutchins had to struggle against Southern rivals St. Virgils to narrowly defeat them when the final event, the 400 metres had been concluded.

#### FOURTH INTRASTATE HIGH SCHOOLS' SPORTS

The Branch was again asked to conduct these sports and did so on Saturday, 28th November, with the ninth premiership round conducted on Sunday, 29th.

This intrastate High Schools meeting was again superbly organised by Alan McCreary and showed the depth of talent which is evident in High Schools.

In fact, there were no less than 29 records established.

The teams from the North of the State dominated the competition and some of the Southern High Schools need to look very closely at their representation at this meeting. In fairness, though, it must be pointed out that the South does field two teams to even up the competition a little.

The Amateur Athletic Association of Tasmania Shield for the highest combined aggregate was won by the Northern team with 552 points, the South East scored 387, South Central 298 and the North West, with a very much improved performance this year, scored 233 points. The Colgate Palmolive trophy for the highest girls aggregate was also won by North and they further annexed the highest boys aggregate boys trophy with 294 points.

### THIRD COCA COLA ALL SCHOOLS' CHAMPIONSHIPS

These Titles were conducted on 7th November at the Centre in good conditions and again demonstrated that there is a wealth of talent within this State which should be looked after for the future. There is little doubt that the potential that is there can be worked on by added coaching and should auger well for the future of the sport in this State.

Forty-eight schools were represented and the very tight programme ran from 10.30a.m. until 5.15 p.m. All events went ahead smoothly and although it might be disappointing to see small numbers in some of the Under 19 events, this is understandable as it is getting towards Higher School Certificate examination time.

At the conclusion of the meeting the Coca Cola Athletes of the Meeting Award were presented to Julie Hooper and Anthony Baker, both of whom richly deserved this commendation.

### CITY OF HOBART CHAMPIONSHIPS

Greg Blake did an excellent job in organising this event and arranging for special certificates to be presented to the winners.

Despite the fact that these Titles were well advertised and the attractive certificates were available, athletes again failed to support the hardworking organiser.

It was extremely disappointing to see such small fields in a well organised and different programme because the events ranged from 100 metres to a 1,000 metres with other events such as 600 metres put in to attract entries.

At the conclusion of the day a number of the Board of Management members discussed this lack of support but failed to come up with an answer and it is up to the athletes of the Branch to make a decision as to whether these Titles should go on in the future.

During the day an invitation women's heptathlon event was conducted and again it was disappointing to report that two competitors only, both from the North of the State, took part.

### LIONEL SKEGGS, TAS. BEVIS MEMORIAL EVENTS

Saturday, 12th December, was the date for these two prestigious events. It was also the date of the State referendum on power schemes in the South West. The significance of this is that Steven Knott was able to leave work as a polling booth attendant sufficiently long enough to unleash his own brand of power to convincingly win the Lionel Skeggs Memorial 100 metres from a large field. Defending champion Paul Blackaby was unable to compete but former State champion and inaugural race winner Murray Bird turned the clock back a few years with a very strong run to just miss out on the placings.

The Tas. Bevis race developed into a two man contest between Kent Rayner and Pat Kaufman after they had broken the field up early, but what a contest it was! In an enthralling duel which had the crowd on its toes, not more than a few metres separated the two for the entire distance. In a desperate last lap sprint Kaufman narrowly edged out several times winner Rayner in one of the best races seen at the Domain. It was an outstanding event befitting the memorial race and the memory of Tas. Bevis.

### WOMEN'S TRACK AND FIELD INTERCLUB

Sandy Bay took an early lead in the competition for the A.J. Connor premiership shield and had established a virtually unbeatable lead by the end of December. After Christmas however Northern Suburbs came back very strongly and for a while appeared likely to overhaul the Bay team. In the final result Sandy Bay were able to hang on to defeat Northern Suburbs with Eastern Suburbs and OVA well back.

Northern Suburbs, with a very strong contingent of younger athletes in the 13 and 14 years age group received some consolation in winning the Ken Austin Shield presented for premiership competition in B to D grade.

The A and B grade, C. & F. White Shield was won by Sandy Bay. The Bay's strength in these grades set up their overall premiership win.

Women's athletics certainly benefited from the amalgamation with the Branch and the 1981/82 season should see even more marked improvement with a revamped grading and points scoring system which is presently being investigated.

### MEN'S INTERCLUB

It was the year of the blue and white as Sandy Bay men swept all before them to win the Jubilee Premiership Cup for the seventh successive year. The Bay won the first round and from then on were never seriously challenged but while they were methodically building their lead, the improving O.V.A., the steady Eastern Suburbs and the rising Northern Suburbs had a titanic struggle for the minor placings. The Veterans' Club, able only to compete in the senior grades, battled on with only a handful of athletes competing in interclub.

### 1981 CROSS COUNTRY SEASON

The 1981 Cross Country season was extremely successful with all events being well attended. The number of athletes taking part was higher than in previous seasons with approximately 110 male athletes and 30 female athletes competing in the various events.

The most successful event was a 3.2 Km. cross country race at Sandy Bay beach in which 69 athletes completed the course. Many of the longer events were also extremely well attended with 32 finishers in both the half marathon and the 16 Km. road titles.

Kent Rayner (Sandy Bay) was the most successful athlete, winning two S.A.A.B. Titles (the half marathon and the 12 Km. cross country). He was hard pressed by Patrick Kaufman (OVA) who won the King of the Mountain and by Craig Anderson (Eastern Suburbs) who won the 16 Km. road title.

Sandy Bay won the first division Winter Premiership competition with 52 points followed by Northern Suburbs (40½) and Eastern Suburbs (40).

Eastern Suburbs were successful in the second division premiership which was reintroduced after an absence of about 10 years.

### SPECIAL COMPETITIONS

It is history that athletes continue to fail to support events other than interclub and with a general falling off of competitors the result during the season was that the mid-week special events were not well supported.

Perhaps senior athletes of the Association should be asked to put some time back into the sport as in other sports and perhaps their presence as officials on a roster basis may assist in promotion and smooth running of events. Officials were almost impossible to find and the small handful of regular Saturday officials should'nt be expected to also give up evenings to assist athletes who are quite capable to helping themselves.

There has been some criticism of the publicity given to the mid-week events but these events were aimed at people competing in other sports - not the regular interclub competitors. Information was issued to every registered club in southern Tasmania including football, hockey, soccer, basketball, netball, cricket, tennis etc. but the idea appears to have received little support. In addition the events were advertised twice in the "Mercury" and received publicity in that newspaper. It is questionable whether the cost and effort required is worthwhile.

The City of Hobart Championships was an effort to give athletes an opportunity to compete in irregular events and the format should be persevered with. To promote this program it will be necessary to publicise the event earlier and to organise sponsorship so that recognition of athletes is forthcoming. However, it seems that our top athletes approach Australian Championships lacking in hard racing. These special events are the ideal place to improve and sharpen up for the big events.

#### PUBLIC RELATIONS

The Branch received tremendous support on the media during the year. Those who contributed in this regard must be thanked and congratulated - Graeme Briggs and Doreen Frawley with reports in the Mercury, Noel Ruddock with a weekly broadcast on 7 HO and especially Barry McLeod who had a regular session on 7 HT and supplied all radio stations with a results service.

Again through the efforts of Barry McLeod sponsorship from A.J. Connor & Co. Pty. Ltd. of the Southern Schoolchildrens Track and Field Championships for three years totalling \$1,800 was obtained. Connors also continued to support the athlete of the year awards supplying a T-shirt each week to the outstanding performance and four awards for the season which were won by Seniors - Vicki Harwood (NS) and Stephen Knott (ES), Juniors - Lisa Wood (OVA) and Anthony Baker (SB). Presentations were made at the end of the season function which was an outstanding success.

#### NORTH

It is pleasing to report that on the 27th May, 1981, the two former Associations, N.A.A.B. (Northern Amateur Athletic Branch) and N.C.W.C. (Northern Combined Womens Clubs) were disbanded, and the new association N.B.A.A.A.T. was formed and a constitution adopted. At a further Meeting on 24th June, 1981 after nominations had been called the officers of the New Branch were elected.

Registrations for both Men and Women were maintained.

Interclub Competition was held on York Park with a Limited Mid-Week usage; other activities being held on Churchill Park.

The Northern Athletic Centre Board (N.A.C.B.) advised that the track is down with ground work yet to be completed, and that the Branch should expect to be using the new track as from the beginning of the 1982/83 Track and Field Season. Appreciation should be expressed to the hard working members of the N.A.C.B.

### NORTH (Contd.)

In the Cross Country Season the Northern Branch was again privileged to conduct the State Marathon Championships on Saturday, 13th June, 1981 at Cressy; and the Australia All Schools Cross Country Championships on Saturday, 1st August, 1981 at Riverside.

In the Track and Field Season Northern Athletes in the 1981/82 State Championship won more placings than previously, and in the team chosen to represent the State, the North had the largest representation.

The Branch expresses its congratulation to the Athletes for the achievements gained in the respective State competitions, and in particular at the State and Australian Championships.

### CROSS COUNTRY

A successful season of cross country and road running was held, with highlights being the State Marathon, the various championships, and the Australian Schools Championships at Riverside.

Local Cross country racing was again centred on the Relbia club-house of Newstead Harriers, though the season as a whole was organised by the Branch. Several new courses were introduced, both at Relbia and other venues (Russells Plains, Stephensdale). These were popular and will be retained.

The State Marathon was again held at Cressy, and was won by Hobart veteran Don Harris from Newstead's Richard Pickup, ahead of a record field. A major event of the season was the 1981 School Boys and School Girls Cross Country Championships of Australia, which was held on 1st August, around the playing fields of Riverside High School. As well as teams from all states, a New Zealand team took part, which finished well up in all the events they entered (and featured prominently in a 15 km fun run held the following day). The N.B.A.A.A.T. is grateful to Mr. Ken Barrett, chairman of the Organising Committee, for the success of the Championships.

State Cross Country Championships were held over a hilly course at Baskerville on 10th August. Sandy Bay's Kent Rayner retained his title, but Newstead Harriers narrowly won the unofficial club premiership, the Retail Jewellers Cup.

The N.B.A.A.A.T. is most grateful to the officials from all the clubs who assisted during the season.

### TRACK AND FIELD REPORT

This season all Saturday interclubs were held at York Park for the Inaugural Season as The N.B.A.A.A.T. Ladies/Men Combined Competition.

Competition was of a very high standard and many records were bettered throughout the season, most of which, were in the juvenile divisions.

The track and field programme was a full one covering the widest possible array of events in the allowed time, and thanks go to the officials who dedicated themselves to the task; hopefully, clubs can help provide additional numbers next season.

With the commissioning of the new-all-weather track at St. Leonards, the Branch can look forward to an even better season in 1982/83.

NORTH (Contd.)

NORTHERN BRANCH INTERCLUB 1981/82

There were twelve interclub meetings held during the season plus two twilight which were points scoring. Again, the Christmas Holidays took their toll on attendances at the January meetings, but unfortunately this is a factor that must be borne. The end results of the Season Competitions were:

<u>Men</u>		<u>Ladies</u>	
<u>E. L. Boon Shield - (A.B.C.D.) Grades</u>		<u>Mesd. Green and Denholm Shield - Senior, Junior, Sub/Junior</u>	
1st North Launceston	7065 points	1st Newstead	7998½ points
2nd Newstead	2837 points	2nd North Launceston	4600½ points
3rd Tamar	2716 points	3rd Riverside	3722 points
4th Riverside	1818 points	4th Tamar	3703 points
<u>Moore Cup - (Under 15)</u>		<u>Mrs. Claxton Shield - Juvenile and Midgets</u>

NORTH (Contd.)

TNT9 Northern Track and Field Titles (York Park 19th and 20th February)

The second TNT9 Northern Titles were run in fine and warm conditions. The track was not particularly fast, even so there were several records equalled and some broken. The events were well organised and overall was an improvement on last years successful meeting.

The medal tally resulted as follows:

<u>Men</u>	North Launceston	42	<u>Women</u>	Newstead	26
	Newstead	11		Tamar	13
	Tamar	11		Riverside	12
	Riverside	11		North Launceston	9

Athletes of the meeting were Shane Leslie (N.L.) and Sandra Speers (N).

NORTHERN RECORDS

With the combining of the men's and women's association a most successful season was completed during which a total of 86 records were either broken, set or equalled. The most outstanding performances was by 11 year old Todd Apted of the North Launceston Club, who set 12 records. The oldest broken were by David Preece (T) 400m. and Graham Tudor (T) 110m. Hurdles. In the junior Decathlon Murat Djakic set a new points score of 5625. The girls senior and junior Discus record was broken five times and finally set at 35.18m. The Newstead girls set a new senior 4 x 400m. relay record; 4min. 23sec. taking 7.6 sec. off the old record.

SOCIAL ACTIVITIES

On Saturday, 14th November, a dinner was held at the Hotel Tasmania to honour Mrs. Claxton, Mrs. Green and Mrs. Denholm for their life membership of the N.B.A.A.A.T. Mr. Gilbertson, President of the N.B.A.A.A.T., presented the ladies with their badges - 48 people attended and enjoyed the evening.

The annual Trophy Presentation night was held at the Launceston Community College on Saturday evening, 6th March, with a good attendance. A very nice supper was provided, with members of all clubs assisting with the food.

Friday, 26th March, the annual N.B.A.A.A.T. Dinner was held at the Hotel Tasmania with 46 people who attended. Thoroughly enjoyed the evening.

## FINANCE

The fact that in the first year of the Association with quite a deal of inaugural expenses a surplus could be achieved is most satisfying. It was quite predictable that budget figures would not be very close to actual, but somehow the totals of receipts and payments finished near to each other.

Receipts for sponsorship, the track and field championships and intrastate meetings were much greater than anticipated and of course over \$3,000 was received from donations by the old Associations and the Vice-Patron. Approximately \$3,000 profit was made on track and field meetings which was most satisfactory. Council decided that half of this amount plus half of net sponsorship should be contributed to team travel subsidies which meant a substantial pay-out in this regard.

The balance of the cost of the building at the Domain Athletic Centre was paid and furniture, fittings and floor coverings was purchased totalling \$1,915. Medallions for the association had to be designed and purchased and as it was decided to present medallions to all championship placegetters the cost of these was well above budget. However this was offset by the higher entry fees charged. The Handbook still was produced at a loss but it is such a worthwhile item that this should be accepted.

A strong fund raising programme was initiated by the Finance Sub-Committee with a raffle during the track and field season and a river cruise raising nearly \$3,500. Together with a subsidy from general funds this enabled the travel costs of members of the track and field team which competed in the Australian Championships in Brisbane to be fully paid.

Unfortunately a Government Grant was not forthcoming this year but all in all the year, financially, was quite satisfactory. Next year could be a little different but that is all in the future.

## APPRECIATION

Your Association was extremely appreciative of the support received from sponsors during the past season. Coca Cola Bottlers, Ellery Engineering, Island State Credit Union, 7HT, Adidas, The Shell Company and the A.N.Z. Bank assisted to various degrees, all of which helped to make the year most successful. To conduct and administer a sport today it is essential to have this type of backing, without it there is no growth nor means of attracting participants. The thanks of the association is extended to these businesses and also to the members of the promotions and development sub-committee who were responsible for the sponsorship arrangements.

To the other sub-committees of the Association, the Branches, team managers and officials, appreciation must be expressed for the contribution made by carrying out their respective duties effectively and efficiently.

Again all sections of the media have been most generous in the publicity given to athletics and to those who assisted in providing information to the various newspapers, radio and T.V. stations, thanks must also be offered.

To all others who have assisted in any way during this exciting first full year of the new Association, sincere and grateful thanks is extended.

On behalf of the Council

N. J. RUDDOCK,  
EXECUTIVE DIRECTOR.

17.	Triple Jump	761 points	(15th 780)	634
18.	Shot Put	748 points	(18th 725)	503
	Average	861	855	

Nine events improved, Eight dropped back and one remained the same. Again the average of field events improved by 21 points to 848 mainly due to the High Jump and Discus. It is disturbing to see the Triple Jump once one of the strong events down to 17th. The track event average of dropped from 884 to 871.

Comparing tenth performance shows the average improved 14 to 638 points. Best tenth was the 400 metres, 780 compared with the 800 metres last year 799. Poorest was the Hammer once again but up to 358 from 257. It also had the widest spread 593 points with fairly predictable the 100 metres having the least 44 points.

Below is a table showing the top and bottom event over the past eight seasons and the average.

	<u>First</u>		<u>Eighteenth</u>		<u>Average</u>
