T.S. LUNAN WOMEN'S AMATEUR ATHLETIC ASSOCIATION

**Ladies,**

I have much pleasure in presenting this report for the 1964/65 season, and to advise that our season has been very successful. The total number of members for the season being 250.

In the South a Branch has been formed, and Saturday morning competition is being conducted by a Committee consisting of representatives from the three Southern Clubs.

The formation of the new North Launceston District Women's Harrier Club is pleasing to the Association, and our best wishes are extended to them for a successful and happy season.

The Triangular Meeting was held in Devonport on the 23rd January in conjunction with the Men's Association. Competition was very keen, and it was a very well organised programme. This meeting was enjoyed very much, not only by the athletes, but by all who were present. Many thanks to the ladies who served a very appetising afternoon tea.

Congratulations to North West, under the Captaincy of Mary Hudson recovering the Shield from South.

Selection Trials were held on Saturday, 3th February at the North Hobart Oval, and the following Team was selected to represent Tasmania at the Australian Championships held at the Perry Lakes Stadium, Perth, Western Australia, on 24th, 25th, 27th, February, and 1st March 1965:

- M. Holgate (Captain) Discus and Shot Put (open)
- G. Nation - Long Jump, 100 yards, 220 yards (junior)
- Y. Buckley - High Jump, Discus and Shot Put (junior)
- L. Walker (Independent) High Jump

Congratulations to Glenis Nation who was placed 4th in the Junior Long Jump with a jump of 17 feet  $8\frac{3}{4}$  inches. This was a very pleasing performance.

Although Yvonne was unplaced in her events, it is felt that she benefited considerably from the competition, and it is anticipated that with another year's club competition a greater improvement will be noticeable in this versatile young athlete.

The Association wishes to extend its congratulations to the girls for their wonderful performances, both at the Schoolgirls' and Schoolboys' Championships, and the Anzac Sports. Several new records were established by girls from the various Clubs throughout the State.

SPORTSWOMAN OF THE YEAR:

Heartiest congratulations to Sue Rush for winning for the second time this very coveted award. Our Association wishes Sue every success for the coming season, and hope to see her regain her past form.

The senior sprint events were keenly contested and won in good time by Pam Allender with Gail Hering a very close second.

All competitors in the 440 yards are to be congratulated for their fine performance in this gruelling race held at the end of the programme with victory going to Kayleen Patmore, Leonie Mickelborough second and Fay Green third.

It was pleasing to see Evelyn Piper in such good form after her long absence.

It was unusual to see Sue Rush winning the long jump in place of her usual sprint events.

Other seniors to do well on the day were Rosemary Hughes, Jenny Butler, Jennifer Batchelor, Miriam Manson, Janice Wickham, Merrin Fothergill and Meriday Holgate.

The junior events were dominated by Cynthia Adams, who gained 1st Placings in three events, three seconds and 1 third in the field events.

Lindsay Burbury is to be congratulated on her discus and javelin wins.

Sub-Junior events were keenly contended with Kaye Ashcroft winning the three sprints, and Heather Nichols doing very well gaining second place. Beth Facey after her absence did very well to gain third placings in two of these events.

It was pleasing to see the fine performances of our juvenile girls. Hedi Savenko who won both sprint events created a new State record in the 75 yards. The place getter Elizabeth Ratcliffe, Lyn Maxfield and Glenis Patmore showed promise in gaining places in these events.

Experience gained by the various members of the State Team was evidenced in the fine performances they registered in the State Titles.

Our Association was delighted to learn that our State representative Elaine Frawley who went to Victoria last June to reside was selected as a member of the Victorian Team for the R.H. North Cup against New South Wales. Elaine was first in the 440 yards and 220 yards, and was a member of the winning relay team.

Elaine was also a members of the Victorian Team at the Australian Championships held in Perth. She was third in the 440 yards, and was a member of the winning relay team. Our congratulations are extended to Elaine on these fine performances, and best wishes for continued success in the coming season.

At the conclusion of the State Championships, a Cabaret was held at the Lord Mayor's Court Room where in the absence of our President, Alderman Isabel Miller, certificates were presented by Mr. C.A. Wise. Supper was served.

"V. J. KOHL" SHIELD:

Sandy Bay retained the Shield for the eight successive year with a total of 96 points. Congratulations to A.Y.C. on second placing. Competition between these two Clubs should be very interesting in the coming season.

Other placings were:

A.Y.C.	-	71
Devon	-	33
Darwin	-	9
Northern Suburbs	-	8
Newstead	-	5

MANAGER'S REPORT:

On the 24th February, 1965 Yvonne Buckley and myself left Hobart on our journey to Perth. We were accompanied by our State Secretary, Mrs. Ebzery who was also attending the Australian Championships.

We had a reasonably good trip, had a short stop in Adelaide where we were greeted by Mrs. Hefferran of the S.A.W.A.A.A. This was a pleasant break to our journey.

We were met in Perth by Mr. Dela Huntley who drove us to Forrest House where we settled in and waited for Mrs. Crawley with the rest of the Team to arrive, who were travelling by train.

Thursday, February 25th found all the team assembled and despite the terrific heat all were in good spirits, and anxious to get to the training track.

The girls trained both Thursday and Friday morning and spent Friday afternoon and evening resting ready for Saturday.

A colourful parade of all athletes in full dress uniform provided a very spectacular sight for the opening of the Championships.

Yvonne Buckley having her first Australian Championship experience performed quite well in the Junior High Jump, and I am sure gained a great deal of experience which should help her in her future performances.

Merridy Holgate performed in the Open Shot Put on the Saturday, although with not a great deal of success. She did her best, and that is all I asked of any of the girls was to do their best, and gain experience from others.

Glenis Nation showed a great deal of determination in the Junior Long Jump and to gain fourth has to be congratulated.

I am pleased to be able to say that all the girls Merridy, Yvonne, Glenis and Lexie performed well and gave their best. I don't think we could ask for more. They were proud to be there, and wear the Tasmanian colours.

After the trying heat on Saturday we all went on a river cruise at night, which was very pleasant, and on Sunday thanks to Mr. Kean we were taken to see the famous Perth beaches and around Fremantle, which was very interesting.

On Monday night we all attended the Presentation Evening at Chesterton Lodge where all the girls intermingled and it was a pleasant ending to yet another Australian Championship.

My special thanks are extended to Mrs. Frawley and Mrs. Ebzery for the help given to the girls and myself on many occasions.

In conclusion I would like to thank the girls for their co-operation and loyalty at all times and to say how proud I was to be associated with them.

Dorothy Claxton  
MANAGER.

#### AUSTRALIAN WOMEN'S AMATEUR ATHLETIC UNION

The Fifteenth Conference of the Union was held at the C.S. Harper Hall, Hay Street, Perth on 25th, 26th February and at Perry Lakes Stadium on March 1st, at which the Association was represented by Mesdames D. Prawley and M. Ebbury.

Amongst the important decisions reached were the addition of the Pentathlon to the Australian Junior Championships, and increasing the distance for the Open Cross Country Championships to two (2) miles.

Reimbursement of Jury members officiating at the Australian Championships shall in future by 50% return second class rail fares met by the State conducting the Championships. The period of outstanding service for the granting of Life Membership was reduced to ten (10) consecutive years.

Patroness: The wording of the Constitution in regard to the appointment to this position was changed from "with her permission the Wife" of His Excellency, the Governor General of Australia" to "the First Lady".

Australian Team Selection: (1) the naming of a squad after the National Championships with the final selection made after trials held as close to the final closing date as possible; (2) the appointment of a woman to the training camp organisation committee, and the appointment for a woman manager for its duration, from the State Association where the Camp is held; (3) the early departure of the team for Mexico City for acclimatisation; (4) the appointment of a Coach for the relay team were passed by Conference.

Approval was also granted for medical tests of athletes prior to departure, and an application is to be made for the appointment of a woman coach to future Olympic and B.N. & C. Games teams.

The inclusion of a 2 miles walk in the B.N. & C. Games, and a 3,000 metres walk for women in the Olympic Games was approved.

A greater effort is to be made by all State associations for the deletion of the title of "chaperon" for future Australian teams, and the substitution of the designations "Assistant General Manager (Women)" and "Sectional Manager (Women)".

The following office-bearers were elected for the ensuing year.

President	Mrs. M. Robinson	Victoria
Vice-President	Miss N. Gould	New South Wales
Hon. Secretary	Mrs. D. Magee M.B.E.	New South Wales
Hon. Treasurer	Miss N. Gould	New South Wales

A.Y.C. JUNIOR CLUB REPORT

While the past season can be regarded as successful for our club the old problem of how to maintain the interest of the older girls still exists.

It is not unknown to us it seems however as most other clubs appear to suffer from the same loss of interest.

Many are content to help out on the field, or in administration but at 16 or 17 the urge to compete leaves them.

The two principal reasons we have discovered are firstly studies which at 15 and 16 leaves no place for athletics and secondly the fact that interclub is only in actual fact a glorified schoolgirl meeting.

An example with the former suggestion is illustrated by our three top sub juniors Kaye Ashcroft, Heather Nichols and Beth Facy, each of whom are in schools boards this year and possibly matriculation next season. Little time will be devoted to athletics.

Will these three girls who have exceptional ability survive these next two years, or will they after a couple of indifferent seasons mixed with intensive study finally devote their time, particularly after leaving school, to less exacting interests.

It is a problem for administrators of women's athletics to ponder.

The 1964/65 season for Kaye Ashcroft was a triumphant one yet along with her talented club mates Heather Nichols and former sub junior champion Beth Facy it can be regarded as one of failure.

In the previous season all girls registered 11.7 for 100 yards and Kaye 8.9 for 75 yards. Kaye ran a number of 11.7's and 8.9's this year but failed to break through. Beth and Heather were more inconsistent.

Each knew that to follow in the footsteps of Elaine Frawley, Pam Allender, Sue Rush, Gail Herring etc. they would have to be running closer to 11 seconds each week than 12.

This they failed to do, so that the next few years are going to be testing for them, to discover if they can reach national class or whether they will be just another athlete.

Kaye Ashcroft however achieved many individual honours which was topped by her great victories in the state titles.

A recruit that is showing immense potential is Judith Smith.

Except for her pet event the javelin, she was overshadowed somewhat by Yvonne Buckley in all other field events, yet Judith achieved in discus and shot, marks which few sub-juniors before her had.

We expect Judith to do well in athletics in the next few seasons.

It was very pleasing to see Miriam Hanson return to athletics and she definitely showed improvement.

Jenny McShane solved a high jump problem for us being prominent in interclub and finally winning the junior title.

Little was seen of Lyndsay Burbury throughout the year but she did well in state titles field events.

A popular win was that of Jill Marsh in the junior hurdles. Possessing sprinting ability well below that of her rivals she gained a state title, simply because she was willing to devote a little time to schooling over hurdles at training.

The future of the club seems bright because of the host of fine young juveniles coming up.

Two of these Julie Coleman and Glenis Pothore enter sub-junior ranks this coming season.

Kaye Washusen will still be a juvenile.

It is felt that the best is still to come out of these girls as they were beaten in the state titles by more mature and stronger competitors.

As they develop so will they be harder to defeat.

Our success at relay events in which the club captured three state titles and filled a place in the senior relay was the result of repeated drilling in baton changing.

This was particularly pronounced in the junior relay when our scratch team of Jennifer Marsh, Carol Schofield, Jenny Hifsud and Jenny McShane created somewhat of a major upset.

Special tribute is paid to Rosemary Hughes and Carol Schofield the clubs captain and vice captain for their leadership throughout the season.

Also to Mrs. Beaumont for her promotion of a money raising project and all the other ladies who assisted the club financially in any way during the past season.

Thanks is also extended to the Northwest Athletic Branch for their invitation to compete at a twilight meeting when members of the club were stationed at Port Screll in January. Finally to our panel of coaches headed by Mr. Jim Manson and assisted by Mr. Lionel Skeggs, Jack Carroll and Neil Patmore.

V.G. Manson,  
HON. SECRETARY.

EXETER CLUB:

The Women's Division of the Exeter Amateur Athletic Club wish to report another very successful season.

With regular inter-club meetings held this year in the North, competition has improved and with the new North Launceston Club building up a strong team of sprinters, especially in the younger divisions, competition should improve more. The Exeter Club would like to wish the new Club every success.

The women's Division of the Exeter Club would like to thank the Northern Amateur Athletic Branch for their assistance in the running of girls events at Inter-club and also for holding the first day of the Northern Championships at Exeter.

We would like to thank all our officials, athletes and parents for their co-operation and assistance during the season, and wish to congratulate Wendy Claxton on winning the Consistency Trophy for this season.

D.M. Claxton,  
HON. SECRETARY.

### Newstead Harrier Club Report

The Newstead Harrier Club Women's Division with 54 registered members had a very successful season in the north and reached a higher standard in athletics with field events being introduced for the first time for several years, and many of the young new-comers showing much promise in their club races.

Interclub competition of a Saturday morning proved a great success and certainly improved standards in all age groups. Newstead proved too strong for the other clubs, and thanks to all club members who competed regularly at Interclub meets, helping to make the competition keener. On behalf of our committee I would also like to thank Mrs. Claxton for her untiring work given to interclub for without her help it would not have been such a success. The Northern Championships were well represented by all clubs. Unfortunately rain marred the final day's championships, but despite conditions girls put their best into their performances and were excited to have Mrs. Ebzery present certificates. We thank her so much for her attendance.

Four of our girls participated at Coastal Carnivals, these being - Fay Green, Dianne Batten, Elaine Rowe and Lillian Fairall. Dianne was successful in the High Jump at the Forth and Fay in the 100 yards at Latrobe. Exeter Show was a very successful day, one of the new members Gillian Chugg taking the honours for she was first in the 220 yards under 14 years and second in the 75 yards. This 12 year old girl is showing great promise and we look forward to seeing more of her next season. Sue Bensenann, Jenny Bensenann and Susan Krainoff all ran well at the New Year's Day Carnival at Sandy Beach while Lilydale Carnival proved to be a successful day for club girls Janice Wickham, Elaine Rowe and Janet Wilson. Whilst holidaying in Sydney Lillian Fairall competed in several of the New South Wales Club meets, gaining much experience and performed very well; congratulations Lillian.

The Triangular Contest was a most interesting and enjoyable day, several team members finished well but only placegetters for the north were F. Green - second in the 220 yards senior and C. Lutwyche third in juvenile long jump. We would like to congratulate the North West Coast on winning the contest and also the Southern team, for their fine performance.

Large fields in all grades made club competition at twilight meets Tuesday nights keen throughout the season and many thrilling finishes were experienced especially in the Club Championships when all girls eager and determined to win, crossed the finishing line only inches separating them.

The Annual Trophy Evening, a social held at the Anzac Hostel was a great success and was attended by members, parents and friends of both the women's and men's divisions. Mr. L. Barnard's trophy was won by Susan Krainoff for the most improved and Mrs. Rowe and Mrs Fletcher donated a trophy to Fay Green for help given to the Club by typing all notices and circulars.

The club would like to congratulate Club Champions and Consistency winners:

Club Champions:

- "A" Grade - Janice Wickham
- "B" Grade - Brian Rowe
- "C" Grade - Gil Neil Shug
- "D" Grade - Lynette Marquis
- "E" Grade - Judith Wilson

Consistency

- "A" Grade - Faye Green
- "B" Grade - Brian Rowe
- "C" Grade - Christine McNear
- "D" Grade - Kaye Boon
- "E" Grade - Suzanne Triffitt

Also congratulations to Field event winners Sue Bensemark and Dianne Batten.

On behalf of the committee, girls and parents I would like to take this opportunity to sincerely thank Mrs. Frawley and families who billeted and helped our girls whilst in Hobart for the State Championship.

Our sincere thanks go to officials, girls and parents who have helped to make 1964-65 season such a successful one.

In conclusion I would like to wish Exeter and North Launceston Districts Clubs success next season.

M. V. Green,  
HON. SECRETARY.

NORTH LAUNCESTON DISTRICT WOMEN'S AMATEUR ATHLETIC CLUB

The Women's Division of the North Launceston District Amateur Athletic Club wish to report a successful first season with a registration of 21 girls, and hope that the next season will be more successful.

Our girls competed in several Carnivals and Shows and did quite well. The weekly Inter-Club Meetings at York Park were well attended, and towards the end of the season one Inter-Club Meeting was held at Brooks Oval. Another time we went by bus to Exeter and had a most enjoyable meeting.

The Trophy Evening was a great success, and a special mention should be given to the following prize winners:

Consistency: J. Hodgson, J. Lutwyche, C. Lutwyche and A. Bratt

Most Improved: C. Hawksley and S. Hawksley

Keeness at Training: V. Johnson

Most Conscientious: A. Pickrell

On behalf of the Club, I would like to thank all officials, girls and parents who have made this such a successful season.

I would also like to thank the foundation members who made it possible for this Club to be formed. The assistance and co-operation given by Mrs. Ebzery and Mrs. Frawley, also Mrs. Claxton of Exeter and Mrs. Green of Newstead, is greatly appreciated and we sincerely thank them.

K.L. TAYLOR,  
Hon. Secretary

NORTHERN SUBURBS WOMEN'S HARRIER CLUB

Competing in our first season as the Northern Suburbs Harrier Club, with a registration of 31 members, we had only moderate success, but there have also been many fine individual performances, and quite a large number of members have been up-graded.

We had a strong increase in membership, particularly amongst our juvenile athletes; all girls have trained conscientiously throughout the season, and we thank Mr. Cullen once again for his untiring efforts.

Several of our girls competed well in carnivals during the season, in particular Elizabeth Ratcliffe, and we congratulate her on her performance in the Tasmanian Championships also. Elizabeth, with clubmates Sue Rush and Cheryl Bond, were selected in the Southern Team to compete at Devonport and Margo Austin was selected as a manageress for the team.

Our main social event this season was a fashion parade held at the "Blue Moon" Moonah in March, and we owe much to our Club Patroness, Mrs. Bev. Wills, who made this possible by supplying the clothes from her bridal and frock salon, and, with five other club members, modelled for the parade.

The annual presentation of trophies was held at the Botanical Gardens Tea Room on 1st May, and a large number of members, parents and friends were present to watch our President, Mrs. Rush, cut the club's 1st birthday cake. Trophy winners were:

Most Consistent	-	Elizabeth Ratcliffe
Runner Up	-	Sue Rush
Third Placegetters	-	Cheryl Bond, Lynette Belcher & Patsy Gunn
Most Improved	-	Elizabeth Ratcliffe
Most Improved Juvenile	-	Joan Park.
Most Versatile	-	Christine Higgins
For Conscientious Effort	-	Christine Hellesey
Senior Club Champion	-	Sue Rush
Runner Up	-	Lynette Belcher
Junior Champion	-	Pauline Weeding
Runner Up	-	Christine Higgins
12 year old Champion	-	Lynette Smith
Runners Up	-	Christine Hellesey & Karen Bridge
Juvenile Champion	-	Susie McTye
Runner Up	-	Debbie Waters

The committee has been tireless in its efforts to raise funds, and finally I would like to thank the parents for their strong support throughout.

D. A. Feldmanis,  
HON. SECRETARY.

NORTH-WEST WOMEN'S AMATEUR ATHLETIC BRANCH

The following is the North-West Report for 1964/65 season.

The number of registrations was similar to that of the last two years, but attendance during the season was considerably less, even though the weather this year was better.

The several carnivals held during the season were quite successful and enjoyed by all who attended.

A team of seventeen girls attended the Tasmanian Championships and most gained places. There were 7 firsts, 7 seconds and 6 thirds.

Our congratulations go to the girls who were in the senior team and juvenile team which won their respective divisions at the Triangular Titles at Devonport this year.

We wish to extend to the officials of the North-West our thanks for the fine work they have done this season.

M. Hudson,  
HON. SECRETARY.

SANDY BAY WOMEN'S HARRIER CLUB ANNUAL REPORT 1964/65

This season it is very pleasing to report that an all-time high was reached in membership, in which fifty-seven members affiliated with our Club.

Field events seemed to dominate the Inter-Club Competition, with Yvonne Buckley proving that she is a very versatile all-round athlete by breaking State records in the High Jump and Discus and the State Junior Record in the Shot Putt. Meredy Holgate broke the State State Shot Put Record with a mighty heave of 34 ft. 3 inches. Sandy Bay once again proved their overall strength by taking the Southern Inter-Club Shield, also the shield for 'A', 'A Reserve', 'B' and 'B Reserve' Grades. Our congratulations go to A.Y.C. for winning the Shield for 'C', 'D' and 'D Juvenile' Grades.

Jennifer Batchler won the Club Championship with Kayleen Patmore a close Runner-Up. Yvonne Buckley convincingly won the Under 16 Championship and Lynette Dart was Runner-Up. Sue Dick was the Under 14 Champion with Therese Flannagan and Dianne Bailey both Runners-Up. Christine Patmore won the Juvenile Championship and Julie Freshney was Runner-Up. Others to do well in the Club Championships were Meredy Holgate, Pam Allender, Elizabeth Reid and Cheryl Bailey.

Yvonne Buckley won the Consistency Trophy for Saturday Inter-Club Competition. Other winners in their respective age groups were Therese Flannagan and Christine Patmore. Others who performed well throughout the season were Jennifer Batchler, Kayleen Patmore, Pam Allender, Meredy Holgate, Sue Brannan, Lynette Maxfield, Julie Freshney and Michelle Downie.

Our Club once again remained undefeated for the 'F.E. Kohl' Shield for the eight successive year at the Tasmanian Championships. Pam Allender dominated the Championships by taking the Senior 75, 100 and 220 yards, equalling the 75 and 220 yards Southern Records and breaking the 100 yards Southern Record in doing so. Meredy Holgate won the Senior Shot Put, Javelin, Discus and was equal second in the High Jump. Jennifer Batchler won the Senior 80 metre hurdles in 13.5 seconds creating a new Southern Record, she was also second in the Discus and Long Jump. Kayleen Patmore won the 440 yards, was second in the Senior Javelin and third in the 100 and 220 yards. Jenny Butler, Leonie Mickleborough and Merran Pothergill also performed well. In the Junior Division Glennis Nation set a new Open Southern and Junior Tasmanian Record in the Long Jump by leaping 16 feet 11 inches, she was also second in the 100 yards. Mary Flannagan was third in the Junior Shot Put. In the Sub-Junior Division Yvonne Buckley performed very well to take the High Jump, Discus, Shot Put and Long Jump Titles, was second in the Javelin and third in the 80 Metre Hurdles. Lexie Walker was second in the High Jump, 80 Metre Hurdles and third in the Discus, Lynette Maxfield was third in the Juvenile 75 yards.

Our congratulations go to Yvonne Buckley, who was the only girl to break the qualifying standard to gain selection in the State Team, which competed at the Australian Championships held in Perth. Meredy Holgate and Glennis Nation, who were very close to qualifying standards, also gained selection in the State Team. Lexie Walker who just missed out on selection, also made the trip to Perth and competed as an independent.

The North-Western Team won the Triangular Contest held at Devonport this year. Congratulations go to Club members who were selected in the Southern Team and put up a fine performance.

In conclusion, on behalf of the Club, I would like to thank all supporters who have helped us so generously throughout the season.

D. Eiszle,  
HON. SECRETARY.

CONCLUSION:

The Australian Championships are to be held in Sydney next year at a date to be fixed. It is hoped that the performances of the girls will be such that Tasmania will be represented both in the field and sprint events.

All Tasmanians felt disappointed in Perth, when for the first time in an Australian Championship, we were unable to barrack for a Tasmanian relay team. I honestly trust that this will be rectified.

On behalf of the Association, I would like to thank all Office-bearers, athletes, parents and friends for their willing help, and courteous assistance extended to me during the past season.
