SIXTEENTH ANNUAL REPORT SINCE RE-AFFILIATION- SEASON 1966/67.

Presented to members of the T.W.A.A. at
the Annual General Meeting held at the
National Fitness Council Rooms, 59 Collins
Street, Hobart, on Saturday, 29th July, 1967
at 2:00 p.m.

LADIES,

I have pleasure in presenting this report for the 1966/67 season, and to advise that our season has been most successful. The total number of members for the season was 270.

The Triangular Meeting was held in Launceston on the 10th December, 1966, in conjunction with the T.A.A.A., and conducted by their Northern Branch.

Congratulations to South retaining the Triangular Shield. It was most pleasing to see North take off the honours in the Juvenile Section. Last year the competition was close with only one point separating the winners, and this season North were the winners by 3 points from South. Congratulations to North on their fine effort.

This Meeting was marred by an accident to Carol Holder, one of the competitors. This accident could have proved fatal, but it is pleasing to report that after many months of hospitalization and a long period of convalescence Carol's health has shown marked improvement and she has now started work.

I do strongly appeal to Clubs to stress to athletes that unless their event is scheduled to commence, no athlete should be on the ground. Strict disciplinary measures should be taken so as to avoid any such accident ever happening again.

As the Australian Championships were being conducted in Hobart in late February, our State Championships were to be held on Saturday, the 11th of February, but owing to the tragic bush fires, these were cancelled, and the State Trials were held on Saturday, 18th February.

The following girls were selected to represent Tasmania:-

Elaine Frawley (Captain) 100, 200, 400 Metres & Relay (Open)
Yvonne Buckley - Pentathlon and 400 Metres (Junior)
Lynnette Maxfield - 100, 200 Metres, and Relay (Junior)
Kaye Ashcroft - Relay
Glenis Patmore - Relay
Sue Dick - Relay

Mrs. H. Green was appointed Manageress.

Elaine performed very well, and qualified for the finals in all events. It was nice to have Elaine back from Victoria and representing our State.

It was the first time that Tasmania had a representative in the Pentathlon event and Yvonne performed very well, especially on the first day. Although Yvonne was placed 6th in the final results, the points for 4th, 5th and 6th placings were very close.

The experience gained by our Junior Team members should prove invaluable to them in the coming season.

At the State Championships the senior sprint events and 400 metres were won by Elaine Frawley with Fay Green and Leonie Nickleborough filling the minor places.

The girls who did well in the field games were C. Adams, E. Frawley, L. Nickleborough, J. Butler, J. Marsh, J. McShane, S. Taylor and H. Bruce.

In the Junior sprints the 75 metres, and 200 metres were won by Glenis Patmore closely followed by L. Maxfield and K. Ashcroft. In the 100 metres L. Maxfield was the winner with K. Ashcroft and E. Rowe filling the minor places.

Yvonne Buckley was outstanding in the Junior field games winning the high jump, long jump, shot put and discus. Yvonne also won the 80 metre hurdles with E. Byers and G. Le Rossignol taking second and third placings.

Other girls who did well in the field games were J. Smith winner of the javelin and second in the discus. H. Thomas and M. Scanlon also turned on good performances.

The Sub-Junior events were keenly contended with C. Ibbott winning the 75 and 100 metres, and closely followed by T. Flannagan, C. Patmore and S. Dick.

In the new event, the 130 metres, this was won by K. Washusen with C. Patmore and K. Bridge in second and third placings. The 80 metre hurdles was won by C. Patmore and S. Marsh was second.

In the field games the following girls performed very well - S. Saunders, L. Ward, C. Patmore and A. Bailey winning their respective events, C. Ibbott, D. Moore, R. Quinn, C. Bailey, S. Krainoff, J. Parker and G. Saunders filling the minor placings.

The most outstanding Juvenile competitor was Michele Downie who won both the 75 metres and 100 metres. This is Michele's last Championship as a Juvenile and her performances in the sub-junior age group will be closely watched with great interest.

Our other two Juveniles to be congratulated are S. Jacklyn and J. Park. Both these girls clocked the same time for the 100 metres and S. Jacklyn was placed second in the 75 metres and J. Park a close third.

Some keen competition can be expected from these two girls next season.

"F. J. KOHL", SHIELD:

Sandy Bay retained the Shield for the tenth successive year with a total of 98 points. Congratulations to A.Y.C. and Devon on second and third placings: Other Placings were:

A. Y. C.	-	47 points
DEVON	-	36 "
NESTLEAD	-	29 "
NORTH LAUNCESTON	-	1 "

MANAGER'S REPORT:

It gives me great pleasure to present the report of the Tasmanian Team which competed in the Australian Women's Track and Field Championships, held in Hobart at the North Hobart Oval from 1st to 6th March, 1967.

The Team comprised of Elaine Frawley (Captain), Kaye Ashcroft, Yvonne Buckley, Lynette Maxfield, Glenis Patmore and Sue Dick. We were thrilled to have Elaine back in the Tasmanian Team after representing Victoria for two years.

I left Launceston on Sunday 26th February by the Green Coach and was met in Hobart by the girls, their parents, Mrs. Frawley and Liaison Officer, Mrs. Bax who presented the Team with a beautiful box of fruit from the Northern Suburbs Athletic Club. We moved into Ingomar Hotel at 6 p.m., had a very nice evening meal, then settled into our rooms which formed a small wing on our own.

On Monday Mrs. Bax arranged to take us to have a look at the ruins left from the terrible fire disaster. At 4:30 p.m. we went to training at the Friends' Oval.

Tuesday the Team trained and then we went shopping. On Wednesday morning I went to the Civic Reception, it was most enjoyable and I had the pleasure of meeting the Lord Mayor, officials and Manageresses from the other States. At 1:00 p.m. the same day we arrived at the Oval for our first day of competition which was the Junior Pentathlon. Our only representative was Yvonne who performed very well and we were all thrilled with her efforts.

Thursday competition started at 11:00 a.m. Heats of the 400 metres were held. It was pleasing to see both Elaine and Yvonne qualify for the finals. That afternoon we went by bus with the New South Wales Team to visit Cadbury's factory. This was most interesting and our visitors enjoyed it very much.

Friday the Team rested in the morning and in the afternoon we were taken across the River by Mr. James for 1½ hours to look at the ruins left by the recent Bush Fires. After our arrival home the girls rested for the remainder of the day. At 6:00 p.m. I was taken by Mr. & Mrs. Eustace to the Cocktail Party. This was a very pleasant function and everyone mixed together and enjoyed themselves. All present were so happy when it was announced that Mrs. Ebzery was to be made a Life Member of the Australian Women's Amateur Athletic Union.

Saturday, despite rain and rough weather, the Opening Ceremony was colourful as Teams from all States marched on to the Oval. I felt very proud of our small Team and even more so when so many compliments were paid to me by others on our smart uniforms, and all seemed intrigued with our hats.

Sunday we had a most enjoyable trip up the Derwent River to New Norfolk where we were met by Mrs. Ebzery and entertained to a buffet luncheon set out under the trees. It was really lovely, we mingled with other competitors and officials and our trip back was most enjoyable.

(4)

Monday our final day. Elaine qualified for the final of the 200 metres and must be congratulated for her fine performance for although she was unplaced in the final, ran a magnificent race to gain a close fourth.

Lyn competed in the Junior 100 metres and 200 metres, this being her first time in the State Team would gain much experience I am sure.

Although Junior and Senior Relays were outclassed, we were pleased with their efforts. They did their best and I feel that their performances was quite good for such a young Team, the only Senior being Elaine. It was disappointing for Kaye when she was forced to withdraw from the senior relay on account of leg injury. She was replaced by team-mate Glenis Patmore who gave Tasmania a good start in the Relay.

Youngest Team member Sue Dick would gain much experience from competing in the Championships and observing from the other girls.

On conclusion of the Championships all Teams assembled once again for the Closing Ceremony. That night we all enjoyed the Finale Evening held at Hadley's Hotel Mirror Room. Certificates were presented by the President Mrs. M. Robinson and Secretary Mrs. D. Magee.

I would like to take this opportunity to congratulate Mrs. Ebzery on her fine work of organising the Australian Championships and planning the wonderful entertainment for our visitors.

In conclusion I must thank Mrs. Bax for her help given to me from time to time and the parents and friends who provided transport when needed. Also to those who gave gifts of fruit to our Team and especially Mr. James for his help and the beautiful Easter Egg he presented to us; many thanks. I would like to say thanks to all who sent telegrams, we were always excited when one would arrive and it really inspired the girls.

Finally thanks to the girls for the beautiful gift and for their co-operation given to me throughout the Championships.

I was honoured to be given this position as Manageress and I certainly gained much experience.

M. V. Green,
MANAGERESS.

DEVON CLUB:

It is unfortunate once again that the Darwin Club has not been able to function this season although athletes have participated with our club from the Burnie area.

There were 35 registered athletes including eight under 12 years which must be the largest number for many years.

Once again the early part of the season was mostly confined to a school competition to create interest for the younger athletes. There were only two senior athletes competing, or rather, over school age, but this will surely grow next year.

The two carnivals in January were most successful and continues to help hold the ranks during the Christmas break.

Eleven girls made the trip to Hobart for the State Championships gaining seven firsts and seven seconds. We are indebted to the Hobart Clubs who billeted our girls. It is very noticeable for the enthusiasm and good will that has built up in the past years because of this.

The Triangular competition held in Launceston was most enjoyable and although we were not as successful as in previous years the experience gained and the enthusiasm shown will make for a closer competition in 1967.

Our coastal and Devon Titles continue to be successful with many events being closely contested.

The end of the season social and Trophy night was a marked success with Lexie Ward winning the most outstanding athlete of the year with Carol Ibbott runner-up.

We are indebted to the Devon Men's Association for their intense interest in women's athletics.

E. Cross,
PRESIDENT.

EXETER CLUB:

The Exeter Amateur Athletic Club wish to report a very successful 1966/67 season with registrations up on last year.

Unfortunately for Exeter, very few girls competed at the inter-club competition. Lack of transport being the main reason.

During the season girls competed at the Sandy Beach carnival and the Exeter Show and did quite well.

In the "Miss Athletics" quest held last year we were able to raise \$91 for the Australian Championships. We were very proud of our own representative Miss Judith Nash.

A Carnival was held at Exeter on March 18th to raise funds for Carol Holder and her family, the N.W.A.A.B. in conjunction with the N.A.A.B., conducted the events. The sum of \$56:38 was raised.

Over 200 attended the Annual trophy evening which was held on April 14th at the Exeter Area School Hall. Trophies and championship certificates were presented by Mr. Gil Duthie, M.H.R., M. L. E. Bessell, M. H. A., and Mrs. D. Claxton.

Club Champions:

Open: Wendy Dickenson
Under 14 yrs. Helen Bowman
Under 12 yrs. Cheryl Roach
Under 10 yrs. Therese Smith
Under 8 yrs. Gail Brown

Most points in handicap races:

Open: Wendy Dickenson
Under 14 yrs. Margaret Armstrong
Under 12 yrs. Julie Clements
Under 10 yrs. Lee Ann Hayes
Under 8 yrs. Glorene Brocklehurst

The Club would like to congratulate the club champions on their success.

Our sincere thanks go to all officials, girls and parents who have helped to make the 1966/67 season a successful one. Our thanks also go to the State Secretary Mrs. Ebzery for her help and advice during the season.

In conclusion and on behalf of the Club I would like to wish the N.W.A.A.B., Newstead and North Launceston Clubs every success for the coming season.

M. V. Moore,

HON. SECRETARY.

NORTHERN SUBURBS WOMEN'S AMATEUR ATHLETIC CLUB

The 1966/67 season, our third as the Northern Suburbs Club, has seen a continuation of the small but steady increase in club membership. A few of our senior athletes were unable to compete through illness or other reasons, but this was offset by the large number of juvenile recruits, several of whom show promise for future seasons. All club members appreciate the help given by coaches, Mrs. Sue Eustace, Mr. Ray James, Mr. Ted Cullen and Mr. Vis Feldmanis.

Pre-season activities consisted mainly of fund raising functions for our club entrant in the "Miss Athletics" Quest, Miss Lynette Belcher, and we thank Lyn for her fine effort in providing a close competition with the winner Miss Jenny Butler, and the committee members for their untiring support. Congratulations Jenny, from all of us!

A successful club picnic was held at Lauderdale beach on the 26th November, and a train trip to National Park with a picnic lunch, on the 4th February was an equally enjoyable day.

Our club field games champion, Margaret Scanlon, was selected in the Southern Team for the triangular meeting in December.

It was with regret that we said farewell, during the season, to former club secretary Margot Austin, who is now living in Victoria.

Our thanks go to the club's liaison officer for the Australian Championships, Mrs. Pat Box, for her assistance given the New South Wales and Tasmanian teams. Experience gained and friendships made during the championships will always be appreciated by club members.

Although the club met with little success in the Tasmanian Championships, we would like to congratulate our athletes on their very creditable performances throughout.

The annual Trophy Presentation Afternoon was held on Easter Tuesday the 28th March at the Glenorchy Masonic Hall. Trophies presented by club President, Mrs. Park, were awarded as follows:-

Club Champions:	Senior	-	M. Bruce
	Junior	-	E. Ratcliffe
	Sub-Junior	-	K. Bridge
	Juvenile	-	B. Nichols
	Under 10 years	-	K. Cusick
	Field Games	-	M. Scanlon
Consistency Trophy	-		K. Bridge
Runner-up	-		B. Nichols
Most Improved	-		J. Park
Best First Year Girl	-		C. Butters
Best Club Girl	-		L. Marsh

(8)

All members wish to congratulate Sue and Peter Eustace on the birth of their daughter. Finally, I would like to thank all parents and friends for their eveready support and practical held throughout the season.

D. Feldmanis.

(HON. SECRETARY)

OLD VIRGILIANS & ASSOCIATES CLUB

This club was formed early in the 1966 season at a meeting held at Sacred Heart School. The office bearers were elected as follows:

<u>PRESIDENT:</u>	Mrs. Freshney
<u>SECRETARY:</u>	Miss H. Brown
<u>TREASURER:</u>	Mrs. Pullen
<u>COMMITTEE:</u>	Mrs. Gathercole
	Mrs. Maxwell
	Miss S. Deayton
	Miss D. Freshney

The club colours are fawn and blue.

The club was formed primarily for Sacred Heart School pupils but membership has since been extended to all eligible girls. The club was to be called New Town Harriers but after consideration it was decided that the club should affiliate with O. V. A. under the name of Old Virgilians and Associates thus benefiting from this clubs experience and equipment.

The club coach is Mr. N. Littlejohn who takes a great interest in all facets of the club's activities.

The girls acquitted themselves well during their short time in the season's competition and all members benefited from experience gained in the Championships.

It is hoped that with a full season's competition next season the club will perform well and this it's strength will grow.

H. Brown,
HON. SECRETARY.

SANDY BAY WOMEN'S HANTRIC CLUB

Although the number of athletes registered with our Club for the 1966/67 season was slightly below that of previous seasons, the quality of the members, and our Club spirit, enabled us to once again enjoy a very successful competitive season.

Once again, the Junior Division was our strongest Division, with fine consistent performances by many athletes. The most successful athlete was Yvonne Buckley, who repeatedly broke State Residential records, both junior and senior, in the Shot Putt and Discus events, as well as becoming the first Tasmanian Woman athlete ever to clear 5 feet in the high jump. Yvonne represented the South in the triangular competition in Launceston in December, and also represented Tasmania at the Australian Championships held in Hobart in March. On both occasions she recorded fine performances.

Other Juniors who performed consistently throughout the whole season were Lynette Maxfield, Dianne Bailey, Terese Flannagan and Kaye Washusen.

Several excellent consistent performances were also recorded by several Sub-Junior and Juvenile members of the Club. These were by Christine Patmore, Susan Anderson, Cheryl Bailey, Diana Fuglsang, Michelle Downie and Elizabeth Smith.

The number of registrations in the Senior Division of the Club was very low this season, however excellent performances were consistently recorded by Elaine Frawley who once again proved herself to be the best sprinter in Tasmania. Elaine also represented South and Tasmania during the season.

Congratulations are extended to Mrs. Green (Newstead) on her selection as State Manageress for the Australian Championships held in Hobart, and to the team which consisted of Elaine Frawley (Captain); Lynette Maxfield, Yvonne Buckley, Sue Dick, Kaye Ashcroft and Glenys Patmore. All members performed very well.

Special congratulations are extended to Jenny Butler who brought honour to our Club at the start of the season on being selected as Miss Athletics. Jenny really deserved the title after she and her committee put a great deal of effort into raising a large sum of money for the staging of the Australian Championships. Congratulations Jenny.

The Club joins with me in wishing Pam Allender and Geoff Pollard all the very best on their engagement, and to Jillian (Nichols) and Geoff Thurley on becoming parents.

Sandy Bay maintained their unbeaten record in the Tasmanian Championships by once again winning the 'F.E. Kohl' Shield for competition in these Championships. Members of our Club were successful in all Divisions. After having a rather poor season last year in Southern inter-club competition, it was very pleasing to see the vast improvement in performances each week, and athletes were rewarded for their efforts by winning the premiership for interclub competition.

Sincerest sympathy of all members is extended to our Club Patroness (Mrs. G. Langdon) and President (Mrs. P. Allender) and family on the recent sad loss of their husband and father, Mr. E. Langdon.

AUSTRALIAN WOMEN'S AMATEUR ATHLETIC UNION:

The Seventeenth Annual Conference of the Union was held at Hadley's Hotel, Hobart, on March 2nd and 3rd, 1967, at which the Association was represented by Mesdames Ebzery and Frawley.

Notices of Motion submitted by Tasmania resulted as follows: To appoint Life Members as scrutineers, on the amendment of New South Wales was changed to preference shall be given to Life Members, preferably from two different States and independent of those taking part in the Conference, was passed.

The question of the formation of Branch Association in Tasmania was discussed at Conference and whilst it was agreed that Branch Associations would be helpful for easier administration in the North and North-West of the State it was felt a Southern Branch would be redundant where the headquarters of the State Association were situated.

It was recommended that the T.W.A.A. Constitution be re-drafted and provision be made for the affiliation of the 2 former named Branches.

The two Notices Motion submitted by New South Wales (a) the financial year of the Union shall end thirty (30) days prior to the Annual Conference, and (b) Rule 15 (c) Competition in events from 200 metres and over shall be restricted to athletes of at least fourteen (14) years and over, were both passed.

On the motion of Victoria, Rule 15, Australian Cross Country Championships add an 800 metres championship for competitors under 14 years, and a 3,000 metres road walk to the programme. The Lillian Neville Shield, donated by Victoria, will be presented for the teams' competition in the latter event. The 100 metres hurdles was added to the Australian Championship programme, for the present, not to count in the point score.

The annual levy of 20c. remains unchanged, 50% of which will be used for administrative costs and the remainder of the Team Reserve Fund, and the Notice of Motion to change the appointment of the Legal Adviser was lost, and the appointment will remain with the State in which the Honorary Secretary is resident.

On the Notice of Motion of Western Australia, the Manager appointed by the Union shall be elected by preferential vote, based on the method used to decide ties in the Australian Championship point score. The President asked States to give consideration for the introduction of a similar method to decide the appointment of officebearers in future.

On the Motion of New South Wales it was decided to publish an Annual Almanac of Records and Results, and States were asked to supply the information required by April 1st.

Life Membership was granted to Mrs. Mavis Ebzery, Honorary Secretary, Tasmanian Women's Amateur Athletic Association.

The Motion to introduce Observers to future Union Conference was lost. The venues for future Australian Championships were revised, and the Championships will be held as follows:-

1968	-	South Australia
1969	-	Queensland
1970	-	Victoria
1971	-	New South Wales
1972	-	Western Australia
1973	-	Tasmania
1974	-	South Australia

It was agreed to press for the use of stretch material in future international competition uniforms, of a similar design to those presented to the Commonwealth Team by the U.S.A.

The following office-bearers were appointed:-

<u>PRESIDENT:</u>	-	Mrs. M. Robinson
<u>VICE PRESIDENT:</u>	-	Mrs. W. Ey
<u>HON. SECRETARY:</u>	-	Mrs. D. Magee, M.B.E.
<u>HON. TREASURER:</u>	-	Miss N. Gould
<u>HON. AUDITOR:</u>	-	Mr. H. Carruthers
<u>HON. LEGAL ADVISER:</u>	-	Mr. D. McKenzie
<u>EXECUTIVE:</u>		

Mrs. J. Bonwick	Queensland
Miss G. Bull	Western Australia
Mrs. M. Cahill	South Australia
Mrs. M. Ebzery	Tasmania
Mrs. M. McQuiston	Victoria
Mrs. D. Magee	New South Wales

<u>RECORDS COMMITTEE:</u>	Mrs. M. Ebzery (Recorder)
	Miss G. Bull
	Mrs. D. Magee

(15)

Constitution: It was agreed to allow Mr. McKenzie to draw up his proposed Constitution which was a firm basic model with the rules of competition etc., incorporated in Rules and Bye-Laws. This will be reviewed and edited by Mesdames Robinson, Magee and Miss Gould in conjunction with Mr. McKenzie.

Following the meeting with the A.A.U. of A. at Melbourne Conference of the A.A.U. of A. last month: Two delegates of the Women's Union may attend the men's conferences to address the meeting when matters concerning the Women's Union are discussed. Matters submitted by the Women's Union will be included on the men's Union Agenda paper in the form of notices of motion. Sub-Committees set up to deal with training, assembly fitness etc., of mixed team will include a member of the women's Union. One delegate will be allotted to the A.W.A.A.U. for future I.A.A.F. Conferences. A member of the women's selection committee will meet the men's selection committee or the Chairman of the selection committee prior to the final selection of mixed teams. The right to name a women's squad was not agreed to.

The Honorary Secretary undertook to re-arrange the format of Australian Championships from suggestions made by delegates and circulate this to all.

Heats of 400 and 800 metres will be held on the first day of the pentathlon and invitation heats and finals on the two pentathlon days only. Where possible, States were asked to hold the pentathlon events in the mornings.

AUSTRALIAN CHAMPIONSHIPS:

Arrival of Teams began on Sunday the 26th February, when Queensland was the first Team to arrive and were met by Liaison Officers from the A.Y.C. Club and the State Secretary.

Our Tasmanian Team was met by Mrs. Bax, Northern Suburbs Liaison Officer.

The remaining Teams, New South Wales, Victoria, South Australia and Western Australia arrived on Tuesday, the 28th February and were met by Liaison Officers from Sandy Bay, Northern Suburbs and A.Y.C. Clubs.

The University Oval at Sandy Bay was available to New South Wales and Queensland, and the Friends' Oval New Town to Victoria, Western Australia and Tasmania, for training.

On the morning of Wednesday, 1st March a Civic Reception was given by the Lord Mayor, Sir Basil Osborne, but owing to the Reception Room being used for the Fire Relief, the attendance was restricted to the President of the A.W.A.A.U. and Executive Members, Managers of Teams and Executive Members of the T.W.A.A.A.

On Wednesday afternoon and Thursday morning the Open and Junior Pentathlon Championships of Australia were held. Heats for the 400 metres Open and Junior were also held on the Thursday. The weather conditions were ideal.

A Cocktail Party was held on the Friday evening at the Sandy Bay Regatta Pavillion, where Officials, Team Managers and members of the A.W.A.A.U. spent a very enjoyable evening as guests of our Association.

The Official Opening of the Championships was marred by the weather. Heavy rain fell and the mountain was heavily coated with snow. Our interstate athletes and visitors were feeling the sudden change in temperatures.

In the absence of our President, Dame Mabel Miller, our Vice-President, Mrs. Doreen Frawley carried out her official duties. Our Patroness Lady Gairdner officially opened the Championships and the Oath of Amateurism was pronounced by Elaine Frawley, Captain of the Tasmanian Team.

Afternoon tea was served to the Official Party and Officials.

Despite the weather conditions all events were conducted, and there were some very good performances which indicated the good condition of our track.

A River Cruise to New Norfolk was arranged for the Sunday. Luncheon was served at the Esplanade. This trip was relaxing, and was thoroughly enjoyable by all.

The weather had improved for the final day of the Championships, and many records were broken.

The Closing Ceremony was most impressive with the assembly of athletes and officials, and the six standard bearers carrying the flag of each respective State.

After the presentation of the "Doris Mulcahy" Shield, and the "Doris Magee Shield" to Victoria, the Closing Ceremony was performed by Mrs. Wendy Ey, President of the South Australia Women's Amateur Athletic Association, Host State for the 1968 Australian Championships.

The Finale Evening was held at Hadley's Hotel Mirror Room on the Monday evening. Mrs. M. Robinson, President of the A.W.A.A.A.U. and Mrs. D. Magee, M.B.E. Secretary, presented the Australian Record Certificates.

Dancing was enjoyed by the 300 guests present. A delicious supper was served.

Teams and Officials assembled at the Airport for departure on the Tuesday morning, where they were farewelled by Liaison Officers and members of the Association.

Even though our State was still suffering from the effects of the tragic Bush Fires, it is felt that our staging of the Championships was something that our Association could well feel proud of.

M. EBZERY,
RECORDER.

APPRECIATION

Once again we are most appreciative to our State Government for their support and interest in granting \$1,000 for the purpose of purchasing equipment for the staging of the Australian Championships; which were held at Hobart earlier this year.

Our sincere thanks to the Hobart City Council for their generous grant of \$200.00

To Ampol Petroleum Ltd., W.D. & H.O. Wills (Aust) Ltd., and Rothmans of Pall Mall (Aust) Ltd., for the donations which they so readily made.

A special thank you to our Interstate Officials who travelled to Hobart at their own expense to assist in the conducting of the Australian Championships.

Our Association was very grateful to members of the T.A.A. for their assistance and help both before and during the Championships.

I would like to express our sincere gratitude to the men who worked so hard renovating and painting the equipment, namely Mr. E. Allender, Mr. P. Downie, Mr. B. Frawley and Mr. E. Maxfield. These men not only performed these tasks, but helped to mark the ground, and were responsible for all equipment during the competition.

Our Ceremonial Stewards looked very smart and performed their duties with grace and dignity.

The Result Stewards are to be complimented on their very fine work typing and ronecing the daily results of the Championships.

The work of our Liaison Officers was greatly appreciated by all visiting teams and visitors.

To Mrs. P. Butler and her band of helpers who were responsible for the catering arrangements of the Cocktail Party, are to be congratulated on their marvelous efforts. This social function was thoroughly enjoyed by all, and was a great success.

Our Programme sellers, despite the very cold weather, did a very good job.

To our Honorary Surveyor, Mr. D. Park who spent so much time checking and surveying our ground, our Honorary Chronographer, Mr. G. Norris and the St. John's Ambulance Brigade, our grateful thanks to the services rendered by them.

Our appreciation to Mr. Ray Smith, the Curator for the time and work he spent on preparing the Oval under arduous conditions so as the ground would be in perfect condition for our Championships. The condition of the ground was proved by the breaking of Australian Records and only one tenth of a second off a World Record.

Our sincere gratitude and thanks to Dr. T.G.H. Dick and Mrs. Dick, Honorary Medical Advisors and Mr. N. Littlejohn, Honorary Physiotherapist. The services of these Honoraries were available at all times, and were fully used during the Championships.

To the Press, Radio and Television, and in particular Mr. Ray James of 7HO for their assistance with publicity.

CONCLUSION

In the compilation of a report such as this, it is not always possible to fully detail, as we wish all our activities.

During the coming season Clubs are asked to provide more officials so as to help the furtherance of athletics in this State.

In the North there are 26 registered officials and these women take an active part in the conducting of inter-club meetings. In the South it is hoped that more women will be available this season to assist with the inter-club competition.

Last year a "Miss Athletics", Quest was held in an effort to raise funds for the Australian Track and Field Championships, which were held earlier this year. The following athletes represented their respective Clubs:-

Jenny Butler	-	Sandy Bay
Lynnette Belcher	-	Northern Suburbs
Elaine Rowe	-	Newstead
Judith Nash	-	Exeter
Wendy Claxton	-	Northern Clubs

The crowning which was performed by the Hon. the Premier, took place at a Ball held in the Town Hall, on Saturday 24th September, 1966. The winner was Miss Jenny Butler, who was closely followed by Miss Lynnette Belcher.

Congratulations to all the entrants, and their Committees for the manner in which they worked during the Quest.

We welcomed into the South, a new Club, Old Virgillians and Associates. Best wishes for future success to this Club.

Our congratulations to our President, Dame Mabel Miller on the honour bestowed her.

We express appreciation to each official for the hard, and tiring work they have done in the interest of the Association during the year.

On Friday, 5th May as guest of the Northern Clubs, I attended a trophy evening at Launceston. This was a most enjoyable evening and there were approximately 200 athletes, parents and friends present.

The following evening a dinner was held at Lloyd's Hotel for officials. To the President, Secretary and Committee, I would like to offer my sincere congratulations for the organisation of these two functions.

I would like to extend congratulations to Pam Allender on the announcement of her recent engagement to Geoff Pollard.

Warmest congratulations to Sue and Peter Bustace on the birth of their Baby daughter Angela, and to Jillian and Geoff Thurley on the birth of their Baby.

On behalf of the Association, I would like to thank Delegates of Council, Committee Members, Club Secretaries and Club Officials for their work within their Clubs, and to the athletes, parents and friends for their willing help and courteous assistance extended to me during the past season. It is hoped that their interest will continue in our Association in the future.

ON BEHALF OF THE TASMANIAN WOMEN'S AMATEUR ATHLETIC ASSOCIATION,

MAVIS EBZERY,

NEWSTEAD HARRIER CLUB REPORT

Newstead Harrier Club Womens Division had a successful season and it was thrilling to note the fine registration of 64 girls.

The Triangles were held in Launceston again this season. We were very thrilled with the efforts of the Northern Juvenile Team, and congratulations on their win. Club girl Lyn Marquis gave a fine performance in the 100 metres sprint equalling the State record. Congratulations also to the Southern Senior team on their success.

Club girls once again had the opportunity to compete in Northern Carnivals, held throughout the season. First of the carnivals was Deloraine where Lyn Marquis won under 14 yrs. double in good style. Sandy Beach Carnival held on New Years day was yet another successful day for Lyn when she went on to win the women's gift. The two coastal carnivals held the long weekend in January are always enjoyable and success went to Julie Marquis in 100 yds., "B" grade event at the Forth and Anne Johnston at Henley on the Mersey when she ran well to win the "B" Grade double. Open sprint double went to Elaine Rowe at Westbury this being the first carnival held there for many years. Easter Saturday proved to be a successful day for under 10 yrs. girls Jenny Jordan and Robyn Gray, under 14 yrs. girls Leanne Smith and Kaye Boon and Open Susan Krainoff and Fay Green when they all shared success in winning events at the Lilydale Carnival. Closing Carnival for the season was Exeter Show Gale Singline proved too strong for front markers when she won under 10 yrs. 100 yds., Shirley Jacklyn went on to win under 12 yrs. 100 yds., and Glenis Saunders the under 14 yrs. 100 yds. In the open events a double went to Fay Green who from scratch gave a fine performance when she ran 100 yds. in 11-2 sec.

Congratulations go to all club girls on their carnival wins.

Interclub was held Saturday afternoons, it not only proved a success but was beneficial to field game girls. I would like to thank all club girls who competed regularly and congratulate all girls gaining placings in the Northern Championships.

Twenty club girls competed in the State Championships, all performed well and did their best. The thrill of the day came when our No. 1 Juvenile Team won their relay. I would like to thank all families who billeted Newstead Club girls whilst in Hobart and thanks also to Mrs. D. Frawley for arranging billets.

Congratulations to club girl Fay Green on her fine efforts in the Invitation events at the Australian Championships. She was first in 200 metres and second in the 100 metres.

Club twilight meets were held Tuesdays, it was pleasing to see such large fields in sprint events, competition was keen and more interest in field events was prominent. Great improvement in girls was evident towards the end of the season and several new comers to the club show great promise.

The annual trophy evening was held at the Anzac Hostel, and was a most enjoyable night. Congratulations to Club Champions and Consistency winners:

I would like to thank all donors of special trophies.

Congratulations to Mrs. Ebzery our State Secretary on being made a life member of the Association and of the Australian Women's Union. We would also like to commend her on such fine organisation of the Australian Championships held in Hobart last March.

The Club would like to congratulate Jenny Butler of Sandy Bay on being crowned "Miss Athletic Queen" and also thank our own club representative Elaine Rowe for her fine efforts.

Thanks also, to Mrs. Claxton for the conducting of Interclub and for her help given to us during the year as field official. I certainly did appreciate her services. A special thanks also to Mrs. P. Allender who again this season did a fine job as clubs proxy delegate.

In conclusion I must thank the committee, officials and parents for their help given to me this season and for the co-operation given by the girls. I am really proud of all my club girls firstly, in the way they all give their best when competing and secondly on their good conduct at club meetings, interclub, carnivals and State championships. It certainly makes one proud to be associated with such a team of girls.

Best wishes to all athletes for the coming season.

M.V. GREEN,
HON. SECRETARY.

A.Y.C. HARRIERS CLUB REPORT

During the past season there were some fine individual performances recorded by the A.Y.C. girls.

Two that stood out were Judith Smiths' consistent throwing with the Javelin at which she exceeded the 100 foot mark on many occasions, and, Glenys Patmores 25.6 for 200 metres was probably the outstanding achievement of the season.

Both Glenys and Kaye Ashcroft were selected in the state team, which for Glenys may be the beginning of a promising career in senior athletics, and for Kaye it was the reward for many seasons of faithful service and hard work.

The winner of the Club Championship Award for the highest number of points scored in interclub was Julie Hass, a youngster having her first season.

Julie's consistency enabled her to run up a big lead early in the season which the other girls could not catch.

Elizabeth Byers continued to travel great distances to compete on Saturday mornings. She must get the vote as the keenest athlete in Tasmania.

A promising Junior who received little publicity was Helen Thomas who made great strides in the shot putt having reached distances up to 32 feet.

Sandra Thompson was another who did well during the season. She won many races in "B" Reserve Grade and reached the semifinals in the state titles.

Susan Bond and Dell Lovell also enjoyed much success at interclub meetings.

Of the seniors Bev. Taylor and Jill Marsh were the most valuable members club wise.

With the visit to Tasmania of all other states for the National Championships it fell to A.Y.C. to look after Western Australia and Queensland. Mrs. N. Patmore as chief liaison officer for the club did a wonderful job in looking after these two states.

The Annual Meeting and Presentation evening will be held in September, at which the future of the A.Y.C. women's team will be decided.

The original founders of the club Mr. and Mrs. Manson are withdrawing from active interest in womens' athletics, in favour of the full promotion of the clubs mens' team.

Unless a lot of voluntary help is forthcoming from parents, the A.Y.C. womens' team may pass into athletic history on this night.

V. MANSON,
HON. SECRETARY.

ADDENDUM

The highlight of our Season was the staging of the 1967 Australian Track and Field Championships on the North Hobart Oval. Here we were privileged to see the stars of Australian athletics in action and meet them socially. This should inspire our up-and-coming athletes to train harder in an endeavour to reach the top. The large number of women officials who so capably helped T.A.A.A., demonstrates the carry-over on the Mainland of an athlete's continued interest after their own performing days are over, and we trust that this will encourage our ex-athletes to train as officials.

Our sympathies are extended to Mrs. D. Hutton, Messrs. G. Briggs and N. Littlejohn in their recent sad loss. Our Association will sincerely and sadly miss the wonderful support and encouragement given for many years by Mr. Ernie Langdon, Mesdames A. Buckley and C. Bucirde.

It was pleasing to hear of the honour conferred by H.M. the Queen on our President Dame Mabel Miller, and also on our good friend Colin Mickleborough who has given good support over many years.

We in Tasmanian were honoured when our State Secretary, Mrs. Mavis Ebzery was elected to that small and select band of women who have acquired Life Membership of the Aust. W.A.A. Union.
