LADIES,

Once again it gives me great pleasure to present the Annual Report for the 1968/69 season and to advise that the year has been a very successful one. The total number of members for the season was 420.

The Trinagular Meeting was held at White City, Launceston on the 14th December, 1968.

In the open events Fay Green was most outstanding winning the 80, 100 and 200 metres.

Lyn Marquis showed good form by winning the under 14 years 80 and 100 metres and also the high jump.

In the field games S. Burness performed very well winning the discus and shot, and was third in the javelin.

This year an under 11 years age group was introduced for the first time, and this was won by North West. Congratulations to North West on their outstanding win, and the girls for their very good performances.

For this age group a very nice trophy was donated by Mrs. M. Green and Mrs. D. Claxton (President and Secretary) of the Northern Women's Combined Clubs. Our sincere thanks to these ladies.

It was very gratifying to see North West take out this trophy as they only have one Club from which to select their team.

The point results were as follows:-

Open Competition:

North	31 points
South	25 points
North West	6 points

Under 14 Years:

North	20 points
South	9 points

All visiting teams were served with a very nice luncheon provided by members of the Northern Women's Combined Clubs.

Officials were entertained to a very nice luncheon as well as being provided with a very delicious afternoon tea served by the Ladies Committee of the Men's Northern Branch. To all of these people responsible the Association express their sincere thanks for the hospitality extended both to Athletes and Officials.

The 1969 State Championships were conducted on Saturday 16th and Sunday 18th March, and the following girls were selected to represent Tasmania at the Australian Championships which were conducted in Brisbane, on Saturday 15th and Sunday 16th March.

Elaine Frawley (Captain)	100, 200, 400 Metres & Relay (Open)

Lyn Maxfield	100, 200 Metres & Relay (Junior)
Christine Patmore	100, 200, 400 Metres, 80 Metres Hurdles and Relay (Junior)

Mrs. D. Patmore was appointed Manageress.

Heartiest congratulations to Elaine winning the 400 metres. This was the most popular win of the Championships, and all States were barracking for Elaine when she made a wonderful finish to beat Olympians Joyce Bennett and Sandra Brown. It was 36 years since a title had been won for Tasmania, and the joy and excitement was something that the Tasmanian Team and their supporters will long remember.

To add to this wonderful achievement I was asked as State Secretary to present the Gold Medal to Elaine. I may add this was a very touching moment, but a very proud one, not only for Elaine, but myself as we knew that the people of Tasmania would be overwhelmed by her victory.

Elaine was fourth in the final of the 200 metres with a very good time of 24.3 secs.

Although Fay, Lyn and Christine were not successful in their events they showed a great deal of determination, and I feel sure that the experience they gained should help them considerably in the future.

The girls performed very well in the Relay Team, their time being 48.4 secs.

At the State Championships the senior 200 and 400 metres and Long jump were won by Elaine Frawley. The 100 metres was won by Fay Green, who also was second in the 200 and 400 metres.

Congratulations to Gail Quinn (Junior) for winning the open 800 metres for the second successive year in the good time of 2mins. 23.9 secs., and she was third in the 1500 metres.

I. Boehn was winner in the 1500 metres, second in the 800 metres and third in the 400 metres.

A most outstanding performance in the field events was that of Helen Thomas who dominated three events - discus, shot put and javelin.

Other girls who performed well were L. Marsh, C. Holder, S. Brannan, E. Rowe, S. Eustace and J. Butler.

In the Junior 100 and 200 metres Lyn Maxfield showed great form by winning both of these events and gaining third in the 400 metres and 2nd in the long jump and 3rd in the javelin.

Christine Patmore was most outstanding, winning the 80 metre hurdles and establishing a new residential record for the 400 metres. Christine was also placed 2nd in the 100 and 200 metres respectively.

Other Juniors who performed well were B. Hall, G. Le Rossignol, B. Ludwig and S. Burness. Minor placings were taken out by V. Shipp, E. Clemes, S. Young, S. Maxfield, B. Ludwig and D. Ivory in their respective field events.

Congratulations to Sandy Bay establishing a new Residential Record in the Junior 4 x 100 Metres Relay, the time being 52.2 secs.

Competition in the Sub-Junior events was very keen and times for the 100 metres were very close, the winner L. Marquis clocking 12.8 secs., and other placings M. Biro, M. Downie and C. Clayton all registering 12.9 secs.

The 150 metres event was won by M. Stokell establishing a new Tasmanian Record in the time of 19.5 secs. Other placings were L. Marquis 2nd and M. Downie 3rd. L. Hammer won the 80 metres with L. Dick and C. Green filling the minor placings.

In the field events C. Green, K. Gilbert, C. Baker, R. Krainoff and J. Lutwyche performed very well winning their event. Others to do well were L. Dick, A. Moir, L. Marquis, M. Downie, L. Black and S. Langmaid, filling the minor places.

Congratulations to Sandy Bay establishing a new Sub-Junior State Record in the 4 x 100 Metres Relay in the good time of 52.3 secs.

The most outstanding Juvenile was D. Jordan Van Diemen Club, who won both the 80 and 100 metres, establishing a Tasmanian Record in the 80 metres, the time being 11.2 secs.

Other girls who performed well were G. Singline (Newstead), F. Murray and K. Templar (NW).

As Manageress of the 1969 Tasmanian Women's Amateur Athletic Team, I wish to report that, with two Senior and two Junior Athletes, I travelled to Brisbane by A.N.A. as arranged, on 11th March. The trip was very pleasant and we were met in Brisbane by Mrs. McMinn, President of Queensland Women's Amateur Athletic Association, and Mrs. Wass, our Liaison Officer. We were driven to the Canberra Hotel, where we found all accommodation arrangements very satisfactory.

The Heats of the 400 metres events were held on 12th March. Only Elaine Frawley was successful in qualifying for the finals but all Tasmanian competitors ran well, especially considering that the events were held in heavy rain. The Heats of the 100 metres and 200 metres were held on 15th and 16th March and also the Heats of the 80 metres Hurdles events. Elaine Frawley and Fay Green ran well in their events as did Lyn Maxfield and Christine Patmore in the Junior events. The four girls really performed at their best in the Senior Relay when Tasmania was placed fifth in the event. I am thrilled to report that Elaine Frawley won the Gold Medal for the 400 metres event. I would like to congratulate Elaine on her success and achievement and wish her all the very best in her future as an athlete.

I think that all the girls, with work, determination and dedication, have the opportunity for greater achievement in future Australian Championship events.

I feel that the 1969 Tasmanian Team has conducted itself very well and has competed in the true manner of all good Australian Sportsmen and Sportswomen.

I wish to thank all the girls for their helpfulness and co-operation at all times and to Elaine, their Captain, a special 'Thank-you' for your help. The co-operation given by all girls was very conducive to a very successful and pleasant trip to the Australian Championships.

(Mrs.) Doris Patmore,

MANAGERESS.

DEVON CLUB

The 1968/69 season could only be described as a tremendous lift for athletics on the North-West coast with a record number of 76 athletes and a large number of officials and parents helping.

The School competition commenced the season with competition being very keen and many of the girls carried on through the Amateur season.

The annual Forth and Henley Carnivals were well attended and keen competition with Northern competitors on the day provided great interest.

Jan Vanderschaft was our entrant in the Princess Competition to raise funds for the Tasmanian team and the Committee's fund raising efforts were a credit to all concerned.

The standard was very high in the general Saturday morning competition with F. Murray, K. Templar and K. Baker providing the best performances.

A strong team of girls from the Devon Club travelled to Launceston and Hobart for Triangular and State Titles, the results of which were very pleasing.

We ended the season on a very happy note with a social and presentation evening for competitors and a dinner dance for parents and officials.

We also would like to take this opportunity to thank the Devon Men's Association for their support during the season and we are looking forward to the continuation of our success next season.

Best and fairest	-	F. Murray
Runner Up	-	K. Baker
Best Track	-	F. Murray

The Club had a successful year with a total of 24 registered athletes competing in weekly handicap events and Club Championships.

The Club's entrant in the Princess Quest was Julie Twain. The Club regretted that the amount raised was not higher but Committee members felt the time chosen to conduct the Quest was inconvenient, due to the Christmas holidays etc.

Events were conducted at the Exeter Show again this year, which were very successful.

During the year our first Life Memberships badge was presented to Mrs. Pauline Holloway who has been a wonderful committee member, and we were sorry when she moved from the district.

The Club Trophy Night was held on the 18th of April.

OLD VIRGILIAN & ASSOCIATES ATHLETIC CLUB

The 1968/69 Athletic season has been a very successful one for the O.V.A. Club. As this is only a young Club we have had our difficulties in obtaining the help of ladies on our executive committee, but with the continued support of the ladies we had this season, and several others that have offered their services for the Club our main hurdle is now behind us.

Our Club membership has increased from less than twenty in the 1967/68 season to more than forty in the 1968/69 season.

The continued performances of our outstanding junior Sally Young who obtained points every Saturday in either the 100 or 200 metres was very pleasing and next season with the support of Sue Robinson, Roseanne Scanlon, Elaine Barry and others we are quite confident that our Club will be one of the top clubs.

Our trophy night was held on the 18th April, 1969 and trophies were presented by Mr. Graeme Briggs, President Southern Men's Associations.

Trophies were awarded to:-

Sally Young	-	Junior
Sue Robinson	-	Sub-Junior
Yvonne Tiggelaven	-	Juvenile
Elaine Barry	}	Best Club Girls
Dianne Williams		
Margaret Killworth	-	Most helpful Club Girl

We felt that there were several other girls that were so very close to the trophy winners that it was only right that they should be rewarded for their part with a Certificate of Merit.

They were awarded to:-

Rosanne Scanlon	}	Sub Junior
Monica Biro		
Jacqueline Barwick		
Donna Hulse	}	Juvenile
Vicki Scanlon		

The Club wishes to extend their congratulations to the Tasmanian Women's Amateur Athletic Team, and especially to Elaine Prawley on winning the Australian 400 metres Championship.

We would also like to thank our coach Mr. N. Littlejohn who has been able to improve some of our girls $1\frac{1}{2}$ seconds in the 100 metres. The Club would also like to thank all parents who helped make the 1968/69 season a very successful one.

I would also like to thank Mrs. Ebzery and members of the T.W.A.A.A. for all of their help extended to us.

The O.V.A. & A. wishes all clubs a successful 1969/70 Athletic Season.

NORTHERN SUBURBS WOMEN'S ATHLETIC CLUBANNUAL REPORT TO T.W.A.A.A.1968-69

It gives me much pleasure to report the activities and success of our Club for the 1968-69 Athletic season. We were very proud to win the K.E. Austin Shield for Juveniles in Southern interclub. Once again it was our force of juveniles who brought us many interclub victories and we heartily congratulate these youngsters and look forward to their senior years with us. Many of our girls were upgraded and we had 2 in A & A Reserve Grade, which is the most we have had in this grade.

Although we were strong in Southern Competition, our performances in the Tasmanian Championships were not as rewarding. Newcomer to the Club, Carolyn Green dominated in the Sub-Junior high jump and stalwart Lorraine Hammer had a victory in the hurdles. Middle distance athletics, Gail Quinn and Lyndel Marsh ran well in the Senior 1500 and 800 Metres events with Gail also gaining a place in the Senior 200 metres. Senior Sue Eustace, was placed in the Long Jump and 100 metres. It was pleasing to see our relays run well, particularly the Juveniles and Juniors, both teams gaining minor placings.

Once again we dominated the Cross Country events with Gail Quinn and Lyndel Marsh staging many interesting races with Lyndel narrowly winning the consistency Trophy. Many of our younger girls competed again and enjoyed the spirit of this Winter competition.

The trophy evening was held at Easter time and in the form of an Easter Parade and was quite successful even though many girls were on holiday.

The highlight of the season was the trip to Sydney for about 10 of our girls as guests of the Cumberland Athletic Club. The girls trained under well known coach June Ferguson and also competed in New South Wales Interclub. The hospitality of our hosts was wonderful and we look forward to future trips.

Our pre season training started in June and this was again proved a wise thing as we gained many interclub points early in the season. I would like to thank Rex Wright for his coaching of our girls and parents, particularly the 'Dads' for help in this aspect.

In conclusion we thank the T.W.A.A.A. Council for their assistance and guidance and look forward to a close liaison between all clubs again this coming season.

Sue Eustace,

HON. SECRETARY.

SANDY BAY WOMEN'S HARRIER CLUBANNUAL REPORT1968-9 SEASON

In opening this Report I feel we must congratulate Elaine Frawley on winning a National Title in the 440 metres at the Australian Athletic Championships in Brisbane, truly a wonderful effort, Elaine.

Congratulations go to Elaine Frawley, Christine Patmore, Lyn Maxfield, Fay Green, who were selected in the State Team, three out of four in the State Team, a fine effort girls. Also our congratulations to Mrs. Doris "Tops" Patmore on being selected as Manageress of the State Team. She must feel a lot of personal satisfaction being Manageress of a State Team to bring home a National Title, the first for 36 years.

Although our Club registrations were down on previous years we had a very successful year, congratulations all girls - you all did a wonderful job upholding our belief that Sandy Bay believes in quality not quantity.

All girls showed marked improvements during this year, some girls who stood out were - Mary Stokell, Cheryl Maxfield, Michele Downie, Kathy Gilbert, Lynn Maxfield and Leonie Dick. Sue Dick who was running so well before Christmas, left us for a trip home to Ireland during the holidays.

We were very pleased with our girls' performances in the Tasmanian Championships. The "F. J. Kohl" Shield is ours for another year because of their efforts. Sandy Bay has won this shield for eleven successive years; an excellent performance. The relays were an eye opener for all in attendance, every girl who competed in these gave everything of herself. Thanks goes to "Tops" Patmore who puts so much work into these relays every week.

The few Juveniles we have in the Club are of a very high standard, namely Judith Duffy, Meredith Lancaster, Natalie McGee, Ann Willing, Carol Oakes, Dianne Skeggs, Peta Winzenberg, Julie Brittain. Their Club spirit is something to be admired, keep trying girls, you are all an asset to our Club.

Our financial position this season has improved greatly. Starting off in the red, the outstanding accounts have been paid and we find ourselves still in credit. Besides doing this, we raised \$70.60 which we gave to the Tasmanian Women's Athletic Association for the Princess Competition, this amount went towards the State Team expenses. I might add that this amount was nearly half of what the five clubs raised in the south. Let's have a better effort next year for funds to help the State Team. Needless to say, with this amount our Princess, Miss Natalie McGee, won the Southern Princess Competition, congratulations Natalie. Thanks goes to our Patroness, Mrs. Langdon, who outfitted Natalie for the crowning ceremony at the Hotel Carlyle. In our opinion she was the most glamorous Princess there.

SCOTTSDALE WOMEN'S AMATEUR ATHLETIC CLUB

We continued to compete each week in Launceston in our second season.

Officials were delighted to discover two young runners who show great promise and were consistent winners - Lyn and Sharon Clayton.

We were pleased with Vicki Shipp's efforts in the sprints in Hobart and our team's Vice Captain Zanette Alexander deserves congratulations for her efforts in discus events.

Last season we sent only one girl to the State Championships. This year a team of seven made the journey which indicates the growth of interest in the Clubs. The girls returned having made new friends and we thank all who looked after our girls in Hobart.

We were rather surprised and extremely pleased when our entrant raised the most money to win the Princess Competition, and congratulations go to Sallyanne Siggins for the fine way in which she represented our Clubs, and to the ladies of the committee, headed by Mr. Siggins, who worked so hard. A highly successful dinner organised in conjunction with the Men's Club was attended by 87 athletes, parents and friends and was a fitting end to the season. It was also our first trophy presentation and was held at Lords Hotel Scottsdale. Club champion was Vicki Shipp. Vicki has now left school and could be working in Launceston by next season. It is our sincere wish that Vicki will be able to obtain the expert coaching which we are unable to provide so that her full potential can be realised.

Special trophies were awarded to the team which competed in the State Championships: Vicki Shipp, Zanette Alexander, Shirlyanne Kettle, Lyn and Sharon Clayton, Bronwyn Bowen and Sallyanne Siggins.

Trophies for consistent competition in Launceston went to Denis Rooney, Kaye Charleston and Janine Whelan. Rosemary Williams and Joanne Heazlewood received trophies for interest in local events as did our youngest athlete Tracy Shearer who was showing very good form and great enthusiasm until illness stopped her competing.

As Secretary I thank Mrs. Siggins for her wonderful support also Mrs. Clayton, Mrs. Kettle and Mrs. Williams. Thanks to all who assisted with transport and to Mr. Brian Holloway and Mr. N. Shipp of the Men's Club. We thank athletes and officials of North and Newstead for good competition and friendship and special thanks to Mrs. D. Claxton for her interest and assistance.

In conclusion we congratulate the girls chosen in the State team with special congratulations to Elaine Frawley for her success.

Sheila Ryan,
HON. SECRETARY.

VAN DIEMEN WOMEN'S ATHLETIC CLUB

The 1968/69 season was a very enjoyable season within the Club, and we were very fortunate in gaining some very good new members.

I would like to congratulate Fleur Watson on winning the Club's "Most Consistent" Trophy, also Dianne Jordan on winning the State Juvenile Championships.

I would like to take this opportunity on behalf of our Club to heartily congratulate Elaine Frawley on her mighty win at the Australian Championships, a just reward for years of dedication.

Once again thank you to Mr. Neil Patmore for his efforts in coaching the girls, the vast improvement in the girls over the season must be very rewarding.

The consistent performances of some of our girls this season left little to be desired and augurs well for next season, namely Vicky Woolley, Jan Stirling, Fleur Watson, Adele Lovell, Sue Bond and Sue Morford.

Our young ones Dianne Jordan, Jenny Portwin, Kim Murry and Dianne Denne should perform well next season.

I would like to say how much we appreciate the help given to us, as it is to all Clubs, by Mr. Pat Downie, "Thanks Pat".

We are looking forward to a very successful season next year.

In conclusion I would like to say thank you to those parents who donated trophies to our girls.

Thank you one and all.

APPRECIATION

Our sincere thanks and appreciation are extended to Dr. T.H.G. Dick and Mrs. Dick, Honorary Medical Advisors, and Mr. N. Littlejohn, Honorary Physiotherapist whose services are always available to us.

The generous donation of \$50 from Dr. Dick was most acceptable when we were working hard to raise funds for our Tasmanian Team to compete at the Australian Championships held in Brisbane.

To the Curator Mr. Ray Smith, for the time and work spent on the Oval for our weekly competition, and the many other kindnesses extended by Ray during the season for these we are most grateful and appreciative.

A special thank you to Mr. Graeme Briggs, President of the Southern Men's Branch, and his officials for the ever ready help and assistance they have given us over a number of years, and their co-operation and help during the conducting of our State Championships. Please accept our gratitude for this happy liaison between the two Associations.

Congratulations to Mr. Graeme Briggs on his recent appointment as an Australian Selector to the Australian Men's Amateur Athletic Union.

It is much appreciated the time spent by Mr. Alan McCreary and his officials in arranging detailed programmes for the conducting of the Cross Country running so as to make it possible for our girls to compete.

To Mr. Wise our Honorary Auditor and to the Press, Radio and Television and in particular Mr. Ray James of 7HO, Mr. Don Closs of Channel Two and Mr. Peter Sharp of Channel Six for their assistance with publicity.

+++++

CONCLUSION

In the compilation of a report such as this, it is not always possible to fully detail, as one would wish all activities.

There is still a great demand for officials to take part in the conducting of athletes at inter-Club Meetings.

Throughout the State there is still a greater need for women to train as officials, and this is more necessary in the South than in the North.

During last season a Princess Quest was conducted throughout the State with all Clubs assisting towards this much needed fund raising Quest.

The following amounts were raised by each Club:-

Scottsdale	\$193.10
Devonport	\$179.43
Newstead	\$114.32
Sandy Bay	\$70.60
North Launceston	\$45.24
Van Diemen	\$40.10
Northern Suburbs	\$36.00
Exter	\$32.00
O.V.A.	\$23.00
Friends'	\$3.00

In the four Northern Combined Clubs, Sally Siggins of Scottsdale was crowned the winning Princess, with the sum of \$384.66, followed by Jan van der Schaft of the Devon Club \$179.43 and Natalie McGee of Sandy Bay \$172.70 with the help of five Clubs.

I would like to take this opportunity of congratulating the Devon Club for being runners up in the Princess Quest as this amount of money was raised without the assistance of any other Club.

To all the Clubs, Parents and Friends I extend my sincere thanks for their wonderful response in making this Quest a financial success.

In the State Raffle I would like to thank Mr. P. Downie for arranging the printing of the books and the donation of a Rug.

To Mr. and Mrs. R. Hamilton for the wonderful help they gave me and also Mrs. M. Harris for making the posies for the Princesses and for the Official Party, my sincere thanks and gratitude are extended to these people.

The suggestions and assistance given by Mr. and Mrs. J. Noble of the Hotel Carlyle helped to make our Dinner Dance and Crowning of the Princesses a great success.

It was greatly appreciated the kindness of Mr. and Mrs. S. Spencer for loaning the Cloak for the Crowning Ceremony.

Arrangements have been made to hold four Cabarets at the New Norfolk Hotel for raising funds towards our State Team for the coming season. The dates are as follows:-

Saturday 2nd August, 1969.
 Saturday 6th September, 1969.
 Saturday 4th October, 1969.
 Saturday 22nd November, 1969.

It is hoped that these Cabarets will prove as great a success as the ones previously held.

I would like to express appreciation to each official for the hard and tiring work they have done in the interest of the Association and to the President, Mrs. P. Mickleborough and Treasurer Mrs. D. Frawley.

On behalf of the Association I would like to thank Delegates of Council, Committee Members, Club Secretaries and Club Officials for their work within their Clubs, and to the Athletes, Parents and Friends for their ever willing help and courteous assistance extended to me during the past season. It is hoped that their interest will continue in our Association and the forthcoming season will be a happy and prosperous one.

ADDENDUM

This has been a very happy and eventful athletic season, both on the track and off.

A most successful Fashion Parade was held to raise funds for our Tasmanian Team to compete in Brisbane, and our Dinner Dance was an unqualified success, it was greatly helped by the crowning ceremony of our Princess Quest. It gave all members a chance to relax and enjoy each others company in a pleasant social atmosphere, and I felt it provided just the right finish for our Championship activities.

I have never experienced such a feeling of elation over any sporting event as I did when I heard the announcement that Elaine Frawley of Tasmania had won the Australian 400 metres Championship. Judging by the number of phone calls I received, a big majority of Hobart's population had also heard the news and were just as thrilled about it. Elaine has always been classed among the top Australian sprinters, and this win, was a fitting reward for all her hard work and endeavour.

Addendum (Cont.)

Mrs. Ebzery has again bestowed an honour on our Association by being elected Vice President of the Tasmanian Olympic Council, she is the first women to hold such an office in Australia. Our Association was highly praised by the Secretary of the Tasmanian Olympic Council for the help given to them during the recent Olympic Games Fund Raising Appeal.

I wish to extend my thanks to Officials and Competitors of all Clubs for the help and courtesy extended to me throughout the season.

Pat Mickleborough,

PRESIDENT.
