at 2.00 p.m.

TASMANIAN WOMEN'S AMATEUR ATHLETIC ASSOCIATION

Ladies,

It gives me great pleasure to present our 1969-70 Annual Report, which reveals the expansion of our Association. The year has been a very successful one, and the total number of athletes registered for the season was 460.

The Triangular Meeting was held at White City, Launceston on the 6th December, 1969.

In the open events Fay Green was the most outstanding athlete, winning the 80, 100 and 200 Metres.

In the field events Rosalyn Pope won the open shot and discus, and Ruth Squibb showed her ability in the Javelin with a throw of 116 feet 2 inches.

Congratulations to the Northern girls on their fine performances in taking out the Under 14 years and Open titles and tying with North West in the Under 11 years age group.

The point results were as follows:-

The 1970 State Championships were conducted on Saturday 14th and Sunday 15th February, and the following girls were selected to represent Tasmania at the Australian Track and Field Championships, which were conducted in Melbourne on Saturday 14th and Sunday 15th March.

Fay Green performed very well, and was unlucky that she did not make the final of the 200 metres. She was fourth, her time was 24.7 secs. the same as the third placegetter who went into the finals.

Christine Patmore performed well and gained 2nd place in her heat of the 400 metres in 58.5 secs., but was unplaced in the final.

In their heats Susan and Leonie Dick performed very well, even though they were not successful they showed a great deal of determination and the experience they gained should help them in the coming season.

Congratulations to our girls, Fay Green, Christine Patmore, Leonie Dick and Susan Dick in the 4 x 100 metres open relay. Although they were unplaced they ran very well, there time being 48.0 secs.

In the Junior Relay it was most unfortunate that the baton was dropped by Lyn Clayton from the change-over from Lyn Marquis. The girls had high hopes of a minor placing, but the event finished in a bitter disappointment to all after their arduous training.

In the Senior events at the State Championships Fay Green was outstanding winning the 100, 200, 400 and 800 metres. She did not compete in the 1,500 metres.

STATE TEAM REPORT

The State Team to compete in the Australian Championships, held in Victoria from March 9th to March 15th, was represented from all parts of the State, namely Fay Green from Launceston who was captain of the team. Also from Launceston were juniors Lynne Marquis and Lyn Clayton. From Devonport, Ruth Squibb a senior who competed in the javelin throw, from Hobart we had Mary Stokell, Leonie and Susan Dick and Christine Patmore.

We were most fortunate in having a very good liaison club, headed by a very charming and helpful officer in Mrs. Phyl Jam, who with her family and friends left no stone unturned to make our stay a most unforgettable one.

We were very happy and very comfortable at our Motel, and the people in charge were very good to us.

It was most unfortunate that Susan Dick was sick most of the week and had to seek medical advice.

On the first day of competition which was held at Royal Park Oval, Fay, Christine, and Susan competed in their respective heats of the 400 metres. Christine was the only successful one to make the finals.

The girls competed very well and I am sure gained a vast amount of experience, especially Ruth who lifted herself to throw an extra 10ft. more than she had thrown before. She was a very excited girl and we were all very pleased.

The new track at Olympic Park was very colourful for the main two days of the championships, and the girls thought the track was terrific to compete on. It is a pity we cannot get something similar in our own home State.

The opening and closing ceremonies of the championships were very colourful and the remarks passed to us on our uniform was very gratifying. The girls at all times in their uniforms looked neat and tidy and were a credit to their State.

I would like to thank Fay who was a very big help to me as captain, and to all the girls I say "Thank You" for co-operating at all times and making us such a happy team together. I have gained a vast experience in Athletics and have learned a great deal in my talks with members of other States, and especially from coaches in Victoria. I thank them sincerely for being so co-operative at all times.

I would like to thank the many people who sent an abundance of telegrams, it gave the girls a big lift.

In conclusion I would like to thank the association for granting me this opportunity to serve them in being manageress of the team.

(Mrs) Grace Patmore,  
MANAGERESS

DEVON WOMEN'S AMATEUR ATHLETIC CLUB

In presenting this report I wish to say yet another most successful and encouraging season has elapsed, with club activities, both competitively and socially excelling all expectations.

Our congratulations to Ruth Squibb on gaining selection in the State team. She is our first representative since 1964, and we feel that her dedicated attitude to training was justly rewarded at the Australian Championships when she produced her best performance of the year. We would also like to congratulate the other members of the team and Mrs. Grace Patmore as Manageress.

Club registrations of 77 athletes was on a par with the previous season. The greater numbers being in the sub junior and juvenile divisions where keen competition was experienced over the Saturday morning meetings.

The season opened with a School childrens competition being represented by schools along the coast from Burnie to Latrobe Municipalities, and shields were competed for in both secondary and primary divisions. These were won by Ulverstone High and Combined Country Group and Penquin.

At the Triangulars held at White City, in the open division we were represented by sub juniors in all sprints with Kerry Baker missing second place in both 80 and 100 metres by the narrowest of margins. In field events Ruth Squibb scored a 1st, 2nd and 3rd in throwing events, while Judy Young was equal 1st in the long jump and 3rd in the shot put. Francine Murray and Kerrie Sheehan were the most successful in Under 14 year division, winning the high and long jumps respectively. For the Under 11 year division Debbie Rattray won the 80 metres and Kim Templar was second in both the 80 and 100 metres while the team was a close second in the relay. Congratulations to North on winning the shields.

In conjunction with the men's club, two very successful carnivals were held at Forth and Henley on the Mersey. At Latrobe over sixty girls, including approximately twenty from Newstead and North Launceston Clubs were competing in the sprints and field events.

A team of twenty nine girls attended the State Championships in February. Thirteen of the athletes were kindly billeted by members of the O.V.A. Club, and we sincerely thank Mrs. Barwick and Mr. Littlejohn for making these arrangements, also the parents and girls for giving our girls a happy welcome for the weekend. Our juvenile division met with the greatest success and were very jubilant in winning the Mrs. M. Ebzery Shield. Jenny French performed well to win the 100 metres Under 12 years, while Gail Cousins was placed in both Under 10 events. The relay teams in both age groups gained second place. In the sub junior Kerry Baker was successful in winning the 100 metres, discus and shot and second in 150 metres. All the relay team ran well to gain a convincing win. Of the junior division seven minor placing were secured. Last but not least is the mention of our only senior athlete Ruth Squibb who won the javelin, with a new State Residential record of 127'11, 100 metres hurdles, and was placed in the discus, shot and long jump.

(7)

Several of our girls participated in the State fund raising appeal with Debbie Rattray finally gaining the position for our Princess. A lot of work and organising was required throughout the efforts, which were a great success, and our hearty thanks to all who assisted during the Quest.

The Coastal Championships were held over four Saturday mornings with the majority of our athletes taking part. Some good performances in all divisions were recorded in both track and field events.

The season concluded with a combined Men's and Women's Clubs trophy night held in the Forth Hall on the 10th April, which was well attended by athletes and supporters. The main trophy awards were as follows:-

NORTHERN SUBURBS WOMEN'S HARRIER CLUB

Although membership was slightly less than last season, the Northern Suburbs Club reports a very successful 1969-70 season.

Perhaps our major and certainly our most pleasing achievement, was retaining the K.E. Austin shield for "C" & "D" Grade Southern Inter-Club competition. We look forward to these youngsters for their future years with us. At the moment we are a comparably young Club with very few senior athletes.

In the Tasmanian Championships we did not receive many major titles, but are very proud of the few we gained. The Juveniles did a fantastic job to win the juvenile relay from very strong Northern Clubs. In her first year of athletics, Sub-Junior, Mary Nillson, took the long jump and Debbie Bailey also a first year recruit, won the Junior High Jump. Gail Quinn ran into second placing in both the Senior 800 and 1500 metres events.

Our trophy presentation held early in March was most successful.

Trophy winners for the 1969-70 Season were:-

Junior Champion	:	Gail Quinn
Sub-Junior Champion	:	Christine Howe
Juvenile Champion	:	Janet Howe
Most Consistent	:	Janet Howe
Runner-Up Most Consistent	:	M. Nillson
Most Improved	:	K. Fyfe
Best First Year	:	Mary Nillson
Best Club Girl	:	Shelly Hadfield
Most Potential	:	L. Smith
Cross Country	:	P. Keep

The Cross Country season for us was most successful, with Gail Quinn and Lyndel Marsh contesting very close finishes on most occasions.

We must congratulate our tenacious juvenile Phillipa Keep on her Cross Country season, she was runner-up on consistency and won several handicap events. Lyndel Marsh was fortunate to compete in the Australian Cross-Country Titles and although well down in the field, she gained excellent experience.

In conclusion I would like to thank Mr. Murray Hadfield for his coaching services, the other parents for their assistance and co-operation and the girls for their loyal support. On behalf of the Club I thank Mrs. Ebzery and Mrs. Frawley and T.W.A.A.A. officials for their assistance and guidance.

Sue Eustace,

HONORARY SECRETARY.

Dianne Skeggs represented our Club in the Princess Competition, which she won for the Southern Zone, congratulations Dianne for being a worthy Club member.

The Club takes this opportunity of congratulating Miss Francis Holder on winning the Quest, and to her Committee, who helped in raising such an appreciable sum towards the finances.

The Club Members regret the loss of our Patroness, Mrs. E. Langdon, who has held this position for several years, sincerest sympathy of all members is extended to our President (Mrs. E. Allender) and Family, of the sad loss of their mother, and grandmother, Mrs. E. Langdon.

Many thanks to Doris 'Tops' Patmore for her work that she puts into our relays each week, and to our Committee for their help, and guidance throughout my first Season with this fine Club.

We would also like to thank those parents, and friends who have helped officially on Saturday mornings, and last, but not least, to all our girls, it's a pleasure to be associated with you all, and look forward to seeing everyone next Season.

SCOTTSDALE WOMEN'S AMATEUR ATHLETIC CLUB

This was our third season and has been quite successful, with more girls registered than any other season.

All girls competed regularly at Interclub on Saturday mornings. Once again our main problem was transport. Our sincere thanks must go to those people who made their cars available throughout the season.

Our congratulations to the "Two Lyns" and Fay Green on their selection in the State Team.

Also congratulations to Francis Holder on winning the State Princess Competition.

Our Club Championship Trophy went to Shirlianne Kettle for highest points gained for the Club at Interclub meetings in Launceston, second placing went to Sally-Anne Siggins with Sharyn Clayton in third position.

Our thanks go to the other Clubs for providing help, friendship and competition, especially thanking Mrs. Claxton and members of our committee, who were always so willing to assist me in many ways, as this was my first year as Secretary. I have appreciated the help and advice I have received.

In conclusion the Club wishes all Athletic Clubs the best for the coming season.

(Mrs) Margaret Siggins,  
SECRETARY.

VAN DIEMEN WOMEN'S ATHLETIC CLUB

The 1969/70 season started in very rough weather and continued for some weeks, but we eventually settled down to some serious competition.

We lost a few members this year, but then we gained some new ones.

I would like to congratulate Dianne Denne on winning the Club's "Most Consistent" trophy. It was well earned as Dianne is a great points-getter for her club, as is Vicky Woolley who was very close behind Dianne, with a very much improved Carol Ashcroft in third place.

Anita Glóver in her first year in Athletics showed great improvement as the season progressed.

Winner of the juvenile section was Kim Murray, a very good tryer on all occasions.

I would like to say "thank you" to our club twins Kathy and Jane Appleton, always doing their best and always willing to do their bit in helping the club.

I would like to say thank you to all those parents who helped throughout the season. The club could not function without your support, also to Mr. Neil Patmore our Club Coach who does a very good job in helping our girls.

I would like to congratulate all the girls from various parts of the State who were selected in the State Team.

There was a very happy liaison between all girls on the ground this year and I hope it will continue in future seasons.

Best of luck to all clubs for next season.

G. Patmore,  
HONORARY SECRETARY.

APPRECIATION

We again record our appreciation to Dr. T.H.G. Dick and Mrs. Dick our Honorary Medical Advisors, and Mr. N. Littlejohn, Honorary Physiotherapist, our sincere thanks for their services which are always available to us.

The very generous donation of \$100 from Dr. Dick, and \$8.00 from Mr. C. Mickleborough was most acceptable when all Clubs were working hard to raise funds for our Tasmanian Team to compete at the Australian Championships held in Melbourne.

To the Curator Mr. Ray Smith, for the time and work he spends on the Oval for our weekly competition, and twilight meetings, and the many other privileges he grants us, are greatly appreciated.

Congratulations to Mr. Graeme Briggs on his recent appointment as Sectional Manager of the Australian Men's Athletic Team for the Commonwealth Games to be held in Edinburgh in July. Our best wishes are extended to Graeme for a successful and happy trip.

Our sincere thanks and appreciation to Mr. Graeme Briggs, President of the Southern Men's Branch and his officials for their continued help and assistance during inter-club and twilight meetings, and a special thank you for their help at our State Championships.

Many thanks to Mr. Alan McCreary and his officials in arranging programmes for the conducting of the Cross Country running, thus giving our girls the opportunity to compete.

I am pleased to advise that Lyndall Marsh went to Melbourne and competed in the Australian Cross Country Championships. This is the first time that we have had an athlete compete in these Championships, and I feel that another achievement has been reached in athletics.

Congratulations to Lyndal Marsh on winning the 'Mavis Ebzery' trophy for Cross Country.

To Mr. Wise our Honorary Auditor and to the Press, Radio and Television, and in particular Mr. Ray James of 7HO, Mr. Don Closs of Channel Two and Mr. Harry Ward of Channel Six for their assistance with publicity.

CONCLUSION

The previous pages of this report show that we have experienced a very busy season. The coming year will again bring pressures, but if we keep in mind that we are all working to promote, administer, encourage and provide facilities for our Athletes, we will keep the high standard that is now expected from the Association.

With the growing of Clubs, the great need of the coming year will be the demand for more officials, and it is hoped that ex-athletes and women who are interested will offer their services.

We welcome to our Executive Council, Mrs. J. Bowring and Mrs. R. Hamilton as Independent Delegates.

I would like to thank Mrs. Hamilton for billeting the three interstate athletes and for the hospitality extended to the girls, and also for the assistance given in making final arrangements for the crowning of the Princess.

A special thank you to Mrs. Bowring who readily assisted with the four Cabarets held at New Norfolk to raise fund for the Tasmanian Team.

Also my sincere thanks to Mrs. Frawley, Mrs. G. Patmore, Mrs. P. Mickleborough and Mrs. S. Eustace for their attendance and donations, and a special thanks for Elaine Frawley for providing prizes for the four Cabarets.

Our second Princess Quest was held and Clubs are to be congratulated on their magnificent response. There were only two Clubs who did not take part, but it is hoped next year that they will join in the fund raising effort.

The following amounts were raised by each Club:-

Newstead .....	\$547.72
Devon .....	\$372.79
Scottsdale .....	\$254.45
George Town.....	\$184.00
Sandy Bay .....	\$103.00
Van Dieman's .....	\$ 80.55
Northern Suburbs .....	\$ 50.00
North Launceston .....	\$ 38.35
O.V.A. ....	\$ 10.00
T.W.A.A.A. Cabarets .....	\$233.00

(45)

In the four Northern Combined Clubs, Francis Holder of Newstead was crowned the winning Princess, with the sum of \$1,024.52 with the help of four Clubs, followed by Debbie Rattray of the Devon Club, \$372.79, and Dianne Skeggs of Sandy Bay \$243.00, with the help of four Clubs.

Congratulations to Newstead Club for their fund raising effort, and also Devon Club for the large amounts that they raised.

To all the Clubs, Parents and Friends my sincere thanks for assisting and raising the sum of \$2,001.86 in this Quest.

Many thanks to Mr. Pat Downie for arranging the printing of the raffle books, and the donation of a Rug.

I would like to express my appreciation to each official for the arduous work they have done in the interest of the Association, and to the President, Mrs. D. Claxton and Treasurer, Mrs. D. Frawley.

On behalf of the Association I would like to thank delegates of Council, Committee Members, Club Secretaries and Club Officials for their work within their Clubs, and to the Athletes, Parents and Friends for the conscientious and loyal attention to their duties.

I wish to add my personal appreciation for the kindnesses extended to me during my recent illness by members of the Association.

To all these people my sincere thanks and gratitude.

ON BEHALF OF THE TASMANIAN WOMEN'S AMATEUR ATHLETIC ASSOCIATION

Mavis Ebzery,

HONORARY SECRETARY.

OBITUARY

It is with deep regret that I record the passing of a valued friend of the Tasmanian Women's Amateur Athletic Association, Mrs. Grace Langdon, Patroness of the Sandy Bay Women's Harrier Club. Over a period of many years Mrs. Langdon worked untiringly for our Association.

ADDENDUM

1969-70 has been a season of special pleasure for me, as President of the Tasmanian Women's Amateur Athletic Association.

It is gratifying to see the improved standard in women's athletics in Tasmania at the present time, the dominant upsurge of athletes' performances in the North and on the North West Coast, reflects greatly on the ability of competitors and the coaching methods now employed by coaches.

We greatly appreciate the outstanding services rendered to the Association by our Honorary Secretary, Mrs. Mavis Ebzery, and our Honorary Treasurer, Mrs. Doreen Frawley, and thank them for the long arduous hours they have contributed to the management of the Association's affairs.

Congratulations to our Secretary being elected Vice-President of the Tasmanian Olympic Council.

Dorothy Claxton,

PRESIDENT.
