TASMANIAN WOMEN'S AMATEUR ATHLETIC ASSOCIATION:

LADIES,

It is with great pleasure that I present the twenty-fourth Report for the season 1974/75 and to advise that our Registration for that period was Five Hundred and Eighty.

Our Junior Team consisting of seven members was selected to represent Tasmania at the Australian Track and Field Championships held on the 8th and 9th March in Brisbane.

|---------------------|---|
| Anne Egan (Captain) | - 100, 200, 400 metres and 4 x 100 Metres Relay |
| Jan Merrington | - 100, 200 Metres and 4 x 100 Metres Relay |
| Jann Sheehan | - 100 Metres and 4 x 100 Metres Relay |
| Jenny Gordon | - Shot, Discus and Javelin |
| Francine Murray | - High Jump |
| Manager | - Mrs. Merle Park. |

It was unfortunate that Anne Egan who had been performing so well sustained an injury, and the Selectors felt that in the interests of Anne's future it was wise to limit her run to the Relay.

Jan Merrington, Jann Sheehan and Shirley-Anne Kettle performed well in their heats but the moment of glory was when with Anne Egan their fine run in the relay gained them a bronze medal.

Francine Murray jumped very well and was unlucky not to take out third place.

Penny Gray proved her quality by again winning the gold medal in the 800 metres and establishing a Queensland record. Penny also won a silver medal in the 1500 metres. This was a magnificent run with Penny clocking her best ever personal time of 4 mins. 31.8 seconds.

Jenny Gordon in her first year of competition gave a boost to Tasmanian Field Games when she won a silver medal in the shot, with a put of 12.11 metres.

The 1975 State Championships were conducted on Saturday 8th February and Sunday 9th February.

Fay Denholm performed very well taking out the 100, 200 and 400 metres, with Christine Sheehan and Kathy Gilbert filling second and third places and Adele Lucas and Karen Barker filling the minor placings in the 400 metres.

In the 800 and 1500 metres Shirley Brasher was first with Melissa Jory and Daphne Holland filling the minor placings.

In the Field Games, Ruth Squibb was first in the javelin and discus, and second in the shot put.

It was very pleasing to see Elaine McLeod again competing and taking out first place in the shot put, and second in the long jump.

Kathy Gilbert's performances were outstanding, she established a new residential record in the 100 metre hurdles, her time being 15.6 seconds, was also first in the high jump and long jump.

In the junior programme, the most outstanding event was the 400 metres.

Anne Egan and Robyn Gray set off at a blistering pace, each trying to gain the lead, but Anne held a slight advantage until near the end, when Robyn surged past to win and establish a new residential record time of 55.8 seconds.

Penny Gray won the 300 and 1500 metres, and was third in the 400 metres.

Anne Egan was first in the 100 and 200 metres, with Jan Merrington, Robyn Gray and Jann Sheehan filling the minor places.

In the Field Games, Jenny Gordon was the most outstanding, winning the discus and javelin and setting a new residential record in the shot with a put of 11.10 metres.

Others to do well in the high jump, and long jump were Francine Murray, Sally-Anne Setter, Yvonne Tiggelaven, Gaylene Chick and Sally Lansky.

Jann Sheehan won the 100 metre hurdles in the time of 16.7 seconds, but was sind assisted.

Other placings were Sally-Anne Setter and Elizabeth Furst.

Vicki Heath was the most outstanding athlete in the sub-junior 100 and 150 metres. She showed the benefit of her trip to the Sub-Junior match in Western Australia last January.

In the field games girls winning their events were as:- Long jump Christine Egan, high jump Susan Johnson, shot put Dianne Brasher, javelin Debra Masciantonia, discus Leanne Capes, who was also second in the javelin and high jump.

Minor placings were taken out by Ruth Duniam, Julie Neil, Francis Stormo, Loree Barnett, Debra Hol, Jocelyn Miller and Sally Whiteway.

In the 100 metre hurdles, Julie Neil was first and Ruth Duniam and Jody Unn, second and third respectively.

Sandra Speers was the most outstanding juvenile, winning both the 30 and 100 metres with Katrina Fenner taking out second place in each event, and Susan Hooper and Anne Voss filling the third placings.

A Sub-Junior Team consisting of Dianne Skeggs, (Captain), Susan Johnson, Ruth Duniam, Vicki Heath and Carmel Hughes represented Tasmania at a Match held at Perry Lakes Stadium Perth, Western Australia on the 27th January, 1975.

The Team was managed by Mrs. Margaret Skeggs.

Unfortunately the heat and unfamiliar track conditions prevented the girls from registering very good performances, but it is hoped that the experience gained from the interstate competition will prove of benefit to them in the future.

The 1976 Sub-Junior Match will be held in Adelaide during the Australia Day long week-end in January.

It is with very much pleasure and honour that I present the report of the Tasmanian Team which journeyed to Brisbane to compete at the 1975 National Titles at Lang Park:

On Wednesday March 5th with two team members and many supporters, we left Tasmania, under a cloud of some very adverse publicity, to meet up with the other five members of the team, who travelled from Launceston, and some more supporters to travel on to Brisbane together.

We were met at Brisbane Airport at 4.45 p.m. by our two Liaison officers with a huge box of fruit (one provided for each girl) and they accompanied us to the Hotel where the bookings were found to be slightly awry, however after some discussions and rearrangement everybody was together on the same floor. The team's representative meeting was held at Mrs. Lanyon-Owen's home some distance from the City commencing time 4.30 p.m., we found that our girls were unable to attend, much to their disappointment, the Manager's meeting was also held at the same venue at 6.00 p.m. at which I arrived some three-quarters of an hour late.

Thursday dawned: Opening ceremony and Pentathlon day, also heats of 300 and 400 metres. The opening ceremony and the Oath of Amateurism is a very moving thing and it is such a pity that so few people attend to see this fine display. Unfortunately Anne Egan developed some soreness in her knee in the last few days of training before the team left and the Selectors were consulted and it was voted unanimously that she should still travel to the Titles and compete it after seeing a doctor he advised that she should do so. After watching Penny sail through her 300 heat and qualify for the Final in the best time of the two heats and seeing the heats of the 400 run we set off back to the Hotel and Anne and I went to the Doctor, who advised Anne to run in the relay only, as this at 4.45 on Saturday after the heats of the 200 so after much deliberation this event was ruled out for her. We set off for training which was approximately 10 miles distant and the girls got the travel cobwebs out of their legs and organised their relay changes. We left the field in the dark and headed back for a meal, a walk, and bed.

Friday: Was a free day and our liaison officer, Barbara Kennedy, met us at the Hotel after breakfast and we headed for the Gold Coast. A rainy day in Brisbane, showers along the Coast. After spending a couple of hours at Southport Marineland where we fed the porpoises, me too, we moved on to Surfers for some much needed lunch, then back to the Hotel. Some of the girls visited relatives or friends for the evening and the rest of us ate at the Hotel and turned in for an early night, after everybody had arrived home on time.

Saturday: Weather reasonable and the girls arrived for breakfast looking just a bit pale and not very hungry. Time passes slowly when it's your first time on the track at the Nationals. The two Jans were very quiet and Jenny was very excited, the others were just subdued, the butterflies were working overtime.

So we arrived at Lang Park for some keen competition. Francine did very well in the high jump, jumping her personal best. Shirley Anne and Jan Merrington acquitted themselves very well in the 200 heats and came very close to a berth in the final, Jenny Gordon did well in the Discus at 3.00 p.m.; then the 500 metres at 4.15 p.m. and Penny showed them how to come home with a gold medal with a well timed and perfectly planned run, well done Penny and thank you.

Then it was the Relay team's turn and those baton changes were perfect. Thank you girls for a well run race and a bronze medal. A thank you goes to Fay Denhold from the girls for her assistance and encouragement to them in the relay. Happily we left the field and that evening we attended the "Peppers" a Bavarian restaurant which served very good food and a relaxing night was had by all.

Sunday: Competition commencing at 1.20 p.m. The Junior Javelin at 1.40 and Jenny Gordon took the field for the second time and did very well in this event. 100 metres heats at 1.50 and the two Jans ran very well and should be better in the future with this experience, keep it up girls. The 1500 metres at 2.40 saw Penny on the track again and bringing home a silver medal inside the pending Australian record time. This was the only record broken during the Titles, well done Penny, thank you again. Then at 4.10 it was Jenny's turn again in the Junior Shot Put and in this event she pulled out all stops and finished with a silver medal and her personal best distance, well done Jenny and thank you.

The closing ceremony at approximately 5.00 p.m. was another occasion, once again in front of very few people as the majority of the crowd were making their way home. (More announcements should be made re this ceremony)

May I thank the Tasmanian Association for the honour and pleasure of the Manager's position for the 1975 Titles. It certainly was a pleasure to look after seven beaut kids and definitely an honour to return home with them, the bearers of the most medals yet for a Tasmanian team.

Also may I suggest that when it is our turn to have the Titles in our State that the Team's representative and the Manager's meetings be held at a central venue convenient to all accomodations.

(Mrs.) Merle Park,
Manager.

REPORT ON THE INAUGURAL WOMEN'S SUB-JUNIOR INTERSTATE TRACK AND FIELD MATCH, HELD AT PERRY LAKE, PERTH WESTERN AUSTRALIA, ON SATURDAY, 25TH AND SUNDAY 26TH JANUARY, 1975.

On behalf of the five girls, and myself, may I extend our thanks to Mrs. Ebzery and the T.W.A.A.A. for completing our travel arrangements so efficiently. We had an excellent trip all the way, arriving in Perth at lunchtime on Wednesday 22nd January in perfect weather.

The girls all settled into their respective billets and had a light relay practise that evening. Thursday, another run and Friday morning practise at the track with the official starter.

On Saturday the programme was conducted on the Lower Grounds - the temperature in the high 30's and some of the girls distressed by the heat. Susan Johnson and Ruth Duniam were the first to compete for us in the High Jump and the 100 metre hurdles. Ruth competed well in the hurdles and shot put but found the competition too much.

Vicki Heath and Dianne Skeggs both had some stiff competition in their respective heats of the 100 metres. Winning heat times being 12.1 and 12.3 seconds. Vicki's run of 13 secs. equalled her personal best time.

Sunday competition was held on the top ground with much cooler conditions and a strong wind down the finishing straight. Once again the other competitors were much stronger and although Dianne had a fourth placing in the 200 metres heats, their times weren't up to their standard here. Once they hit the straight the wind slowed them up considerably. Ruth then competed in the discus and Susan and Ruth in the long jump. Finally the 4 x 100 metres relay - again we were sixth, but I am sure that all the girls realise that they went for experience and they had everything to gain. They are the Juniors and Seniors of tomorrow and I hope that their trip away will instil in them the urge to continue to strive for improvement in every way.

I feel I must make mention here of the fact that eleven out of the thirteen records were broken during the meeting, some of the times even better than Junior records! Roll on the Torton Track and the sooner the better. Also, in view of the fact that 400 and 800 metres are programmed officially in sub-junior interstate competitions, I would like to recommend that these events be included regularly in our Inter-Club and State Championship programmes.

May I finally say that the hospitality and thoughtfulness of the people in Western Australia was wonderful and our grateful thanks go to all those who helped us so much. My special thanks to Mrs. Faye Denholm, who travelled with the Team, and whose help and advice were most appreciated.

Margaret Skeggs,
MANAGER.

BURNIE WOMEN'S AMATEUR ATHLETIC CLUB

It is with pleasure that I present our Annual Report for the 1974/75 season.

We have had a very successful year with an increased club membership in all age groups. We owe a special thanks to Mrs. Leonie Haywood who must be congratulated for her tremendous effort in bringing about an interest in Athletics in the Penguin district, and transporting these Athletes to our Saturday Morning Meets and joining them with our club.

Attendances were good in the earlier part of the season and the well supported Pageant Carnival brought co-operation from both Burnie and Devon members. This carnival promises to be an annual event with growing participation from other clubs in the state competing, and we take this opportunity to thank all those concerned with its success.

We had only one member who competed at the Tasmanian Women's Titles in Hobart, and congratulate Cheryl Margetts on her first seasons success.

Our trophy presentation was held after a picnic lunch, individual age group trophies were disgarded this year however Coastal Championship Certificates were presented. There were some very good all round performances by some of our athletes.

It was the wish of Mr. and Mrs. Colin Johns that a perpetual trophy be presented to an athlete of 'Special Merit', boy or girl each year in memory of their daughter Cheryl, and this was presented to Paul Anderson.

Other trophy winners were:-

- Women's Athlete of the Year - Cheryl Margetts.
- All round Athlete of the Year - Debbie Stingel.
- Pentathlon Perpetual Trophy - contested at Devonport was won by Cherine Stingel.

The season closed with our Annual Dinner, which was well attended and enjoyed by all, and once again we had the pleasure of the company of Devon members at this function.

I would like to thank all Club Members and Parents for your co-operation during the season, and look forward to improved success in the coming year.

June Button,
HONORARY SECRETARY.

DEVON WOMEN'S AMATEUR ATHLETIC CLUB

I have pleasure in presenting our report for the 23rd season of athletics on the North West Coast. We are glad to report that membership is increasing, especially in the senior group, and it is hoped that this will continue next year.

Two "warm-up" days were held late in September before the N.W. School Championships which were held in October. It is pleasing that club members dominated in the majority of events.

Once again four teams assisted by Burnie athletes were entered in the Triangular Meeting at White City. It is a pity that this kind of competition is not held more often during the season as it club members an opportunity to compete with others in true amateur spirit and I am sure it would be of great benefit to all participants.

A Christmas Pageant conducted by N.W.A.A.B. in conjunction with the Burnie Christmas festivities was again held in December when clubs competed on a points scoring basis for equipment, enabled by a Government grant. Once again Devon club was the winner, mainly due to the girls who so willingly competed in so many events, showing their true club spirit.

Forth, Henley, and Apex carnivals were well patronised, as well as the Dahlia Festival meeting (an innovation this year) and one in conjunction with the Maidstone Park Chopping Club. These were all on a handicap basis and proved popular with athletes. The Dahlia Festival meeting was highlighted by a visit from Mrs. Pam Ryan (nee Kilborne) who gave exhibition runs, and on Sunday morning willingly conducted coaching sessions for athletes. These were most helpful to all the athletes who attended and all agreed that the discussions and information given were most beneficial. The club is indeed indebted to Mrs. Ryan for her help.

The club entrant in the Miss Athlete Quest was Debbie Walmsley whose committee raised \$337.65 for the State Team Fund.

Our team of athletes who competed at the State Championships all performed well, although it was disappointing that the under 11 age group was not represented. However congratulations to the girls who helped to win the shield for Field Events. Jann Sheehan equalled the 100m hurdles record and was subsequently chosen in the State Team along with Francine Murray. Our congratulations to these girls and also to Ruth Duniam who was a member of the Sub-Junior Team which competed in Perth W.A.

Coastal Championships and the Pentathlon were held over four weekends two each at Burnie and Devonport. Attendance was good and competition keen. Records were broken or equalled by Francine Murray and Sally Whiteway.

At the conclusion of the last meeting for the season a luncheon for all athletes, officials and supporters was held, followed by the presentation of trophies, shields and certificates won during the season. Our guests of honour were our patroness and her husband, Mr. and Mrs. P. Williams.

A presentation was also made to Mr. and Mrs. Goss by Helen Vincent on behalf of club members in appreciation of their untiring work during the season. All members are grateful to them for their efforts to make our club so successful.

Main trophy winners were:-

Presidents trophy	Francine Murray
Patroness' trophy	Jann Sheehan
Mrs. Ebzery trophy	S.J. STATE Ruth Duniam
EVENTS.	
Advocate trophy (Coastal Track)	Jann Sheehan
E.W. Goss trophy (Coastal Field)	Francine Murray

Committee meetings were held, but very poorly attended, and it is disappointing to those who give their time to have so little parental support on the administrative side. However, there was a very good attendance at the Annual Dinner of both parents and senior athletes, and an enjoyable time was had by all.

In conclusion our thanks go to all who made donations towards the trophies and to all those who helped with club affairs during this past season.

Phyl Vincent,
ASSISTANT SECRETARY.

EASTERN SUBURBS WOMEN'S AMATEUR ATHLETIC CLUB

Congratulations must also go to Susan Johnson for her selection in the State Sub-junior team which went to Perth in January. I am sure the girls gained valuable experience from their trip away.

Club Champion:	Susan Johnson
Special trophy:	Joscelyne Millar

Divisional Trophies

Sub-Junior	Jennifer Fagg
Junior	Gaylee Chick

We did feel that with the Collapse of the Tasman Bridge our numbers would fall at the inter-club meetings, however we found that travelling across by ferry seemed to bring the girls closer together.

Our thanks to our coaches Mr. J. Tiggelaven and Mr. John Chick, for their hard work during the season. Special thanks must go to Mr. Chick in arranging transport to and from the ferries for the girls.

In conclusion I would like to thank parents and committee members who worked so hard during the season.

I would also like to congratulate the Tasmanian girls who represented us in the Australian Championships.

To all clubs I wish a successful season for 1975/76.

It is my pleasure to present the Annual Report for 1974/75 season of the N.L.W.A.A.C. for your approval and adoption.

Increase in registrations have boosted club membership to 52, the largest number since the inauguration of the club. May I congratulate all athletes of the Club for their keen interest, regular participation in club programmes and attendance at training. Sincere thanks are expressed on your behalf to the club coach, Mr. Des Hardstaff, who has endeavoured to improve your style and technique.

At inter-club competition level, all athletes acquitted themselves very well, and provided keen competition at Saturday morning meetings. Congratulations to Newstead Athletic Club who again proved too strong for North Launceston who gained 2nd placing for the inter-club shield. To those athletes who attended so regularly, may I say thank you.

Northern Championships once again proved to be a successful finale of the Athletic season in the north of the state. To those athletes who gained placing in these events, congratulations on a job well done. Bearing in mind the aim of the athletic club i.e. "to promote and foster athletics", all athletes deserve congratulations for their participation.

The coveted "Movis Ebzery" shield for Juvenile championship club was gained by the club for the first time since the club was formed. Congratulations girls - Sandra Speers - 50 and 100 metre juvenile champion and together with Elizabeth Turner, Tracey Hees and Christine Hardstaff gained 2nd placing in the relay. To those athletes who gained selection in the State Team and performed creditably in Queensland at the Australian Championships, we offer our congratulations and encouragement.

My report would not be complete without a word of thanks to those interested parents with whom it has been a pleasure to work. Whether as officials, canteen helpers, raffle ticket sellers - thank you seems so inadequate to you all. I only hope that the club spirit that now exists between athletes, parents and officials will continue to be a dominant feature in the progress of the N.L.W.A.A.C.

ANNUAL REPORT U.V. B.A. WOMEN'S AMATEUR ATHLETIC CLUB 1974/75:

It is with pleasure that I present the eight Annual Report of our Club.

The season opened with our much looked forward to Training Camp at Seven Mile Beach. We were very fortunate in obtaining the help of Miss Dianne Pease for this. She lived-in with the girls and was a great help and became the respected friend of all. The camp was hard, and followed a very strict training schedule but these were rewarded by relaxed evenings, camp fires and suppers.

Our thanks to all the parents who helped in so many ways, particularly the Oliver family who took their caravan down and acted as live-in-parents.

We feel that this has not been a good season in many ways. It was hard to keep the girls together, mainly through not having the use of the North Hobart ground for training early in the season, and then the Bridge disaster caused hardship for many members. However, most of these difficulties were overcome and by the middle of the season things were running fairly smoothly.

Two of our members were present at each of the three Council meetings during the year and Mrs. Purcell and Mrs. Goldsmith helped as T.W.A.A.A. officials at the Saturday morning meetings.

Miss Glenda Pursell was our "Miss Athletics" for fund raising this year and we thank her mother and a small band of helper for their efforts.

Our heartiest congratulations to Jenny Gordon who won three firsts in the Tasmanian Championships and breaking a record with her shot put. This earned her a place in the Tasmanian Team to go to Brisbane and she completed her success by winning a silver medal for the Shot. Our thanks to all those who helped Jenny in any way, particularly to Mrs. Merle Park, Manager of the Team.

We were very disappointed that our two representatives were through illness unable to attend an afternoon-tea for southern officials arranged by the State Secretary, Mrs. Ebzery at her home. This is the first year that a get-together of this nature has taken place and we consider it a very good idea.

Our Club Champions for the season are:-

Special Trophy	-	Jenny Gordon
Junior	-	Glenda Pursell
Sub-Junior	-	Joanne Oliver
Club girl	-	Elizabeth Wesley
Good Trier	-	Fauline Lyden
Much Improved	-	Gabriele Green

Wishing all Clubs a successful 1975/76 season.

(Mrs.) Anne Kendall,
HON. SECRETARY.

SANDY BAY WOMEN'S HARRIER CLUB

Although the number of registered athletes was lower for the 1974/75 season, we made up for it in Club spirit, and in quality of performances, our Club enjoyed a very successful Inter Club Season.

Congratulations to Anne Egan for gaining selection in the Tasmanian Team, we also extend our congratulations to the other Team members Jann Sheehan, Penny Gray, Jan Merrington, Jenny Gordon, Shirlianne Kettle and Francine Murray, and to our President Mrs. Merle Park for being selected to manage the team.

Special congratulations are extended to Penny Gray, Jenny Gordon and members of the Junior Relay Team for their outstanding performances in Brisbane at the Australian Championships and being the team to bring home the most medals.

Congratulations to Newstead on retaining the "F.J. Kohl" Shield for Overall Competition at the State Championships, and to the Devon Club for retaining the Goss Shield for Field Games Events, and to North Launceston for winning the Mavis Ebzery Shield for Juvenile Competition.

Sincere thanks and congratulations go to Kathy Gilbert, who brought prestige to our Club on being crowned "Miss Athletics" for 1975, by raising \$202.00 for the Quest. A special thanks to her hard working committee who helped to make this possible. Kathy also excelled herself in the State Championships by breaking the Hurdles record, winning the High and Long Jump and gaining 3rds in the 100 and 200 metres and Discus, this marathon effort helped us to score well in the Seniors and we only lost this division by 5 points. Kathy ran the last leg in our successful relay the other girls were Dianne Sroka, Elaine McLeod and Lyn Maxfield.

Anne Egan and Dianne Skeggs performed well in Melbourne during the Victorian championships getting through to the finals in all events. Another Bay girl to do well in Melbourne was Jody Onn who competed there in February.

In the State Titles our only successful Junior competitor was Anne Egan, who won the 100, 200 and was 2nd in the 400 metres.

In the Sub-junior Section Dianne Skeggs after showing marked improvement during the beginning of the season, was unlucky to have a leg injury, and had to withdraw from most of her events, she was 2nd in the 150 metres.

Our most successful Sub-junior was Christine Egan winning the Long Jump and coming 3rd in the Shot Put. Jody Onn hurdled well and gained a 3rd placing. Our Juvenile Relay of Kellie Walton, Susan Hooper Pam Cleary and Anne Voss showed to advantage when they won this event. Membership in the Juvenile Section was the highest we have ever had, and in the Club Championships *

A friendly and happy Trophy Evening was held at the C.W.A. Rooms Criterion Street and was well attended, presentations were made to Mrs. D. Frawley, and to the Club Coach Elaine McLeod in appreciation of the time she spends in training Club girls.

Members of our Club travelled to the Colony Inn New Norfolk on the 1st June to attend a Presentation ceremony of a Life Membership badge to our Patroness Mrs. Laura Triffitt who has been a stalwart supporter of our Club since it was reformed in 1952.

I would like to extend my sincere thanks to Mesdames M. Scarafiotti, I. Rose, E. McLeod, R. Gilbert, M. Park, P. Mickleborough and D. Frawley for the help they have given me throughout the year, and also to thank them for their generosity in contributing to the trophies.

A "thank you" to all parents who helped us man our Food Caravan at the Hobart Show and Hobart Regatta, and to the Long Suffering Husbands of our Executive and Committee a "Double Thank You".

It was nice to welcome Lyn Maxfield back to the Club and we thank her for her unselfish attitude in helping us out on many occasions.

It has been wonderful being associated with the Bay and I hope that we will go on to bigger and better things next season. Best wishes to all Clubs for the coming season.

* we were able to divide this age group into 3 sections. Our Club Championships were very successful and were enjoyed by both parents and competitors.

SCOTTSDALE WOMEN'S AMATEUR ATHLETIC CLUB

It is with pleasure that I present yet another annual report for the Scottsdale Women's Amateur Athletic Club.

1974-75 proved to be another successful year for our small but loyal club members.

Five girls travelled to Hobart for the State Championships four were members of the Northern Triangular team, and five gained certificates from the Northern Championships.

Some very good individual efforts were made by a new member, Lorree Barnett, and we wish her well in the future.

Again Shirli-anne thrilled us by being selected in the State Team as a member of the State Junior Relay Team, thus returning with a Bronze Medal.

Congratulations to all the girls in the team.

Club meetings were held during the season but in most cases were very poorly patronised. We would like to see more adults taking an interest.

Our season ended with our Annual Barbecue and Trophy Evening at the home of Mrs. S. Kettle on March 22nd.

Trophy Winners were:-

<u>Junior Track</u>	S. Siggins	<u>Sub-junior Track</u>	L. Barnett
<u>Junior Field</u>	K. Charleston	<u>Sub-junior Field</u>	L. Barnett
			S. Stagall
<u>Club Champion</u>	S. Siggins		

In conclusion I would like to thank all club members for this support during the year and extend to all Clubs our best Wishes for the forth-coming season.

Margaret A. Siggins,
SECRETARY.

VAN DIEMEN WOMEN'S ATHLETIC CLUB

It is with much pleasure that I present for your approval the annual report for season 1974/75.

It has been a very trying season for most athletes, firstly with trouble obtaining a suitable ground, the Tasman Bridge disaster, and the weather was most unkind to us. However, the dedicated girls who came every Saturday despite all these obstacles, really deserve a pat on the back.

Every year I thank our club captain Adele Lucas for the magnificent job she does every season, and this year has been no exception. I believe this is her tenth consecutive season of competition, and she capped it off with a great second in the State Championships. Well done Adele.

The unluckiest girl of the championships was undoubtedly Mandy Don. After pulling a muscle in her heat of the Sub Junior Hurdles, she took her place in the final under great stress, and fell over one metre inside the finishing line when she was well in front. She may not have gained a medal but she certainly gained a lot of admirers for her courage.

Congratulations to all the girls who took part in the Championships on a very good performance.

I would also like to thank Mrs. Lovell, Mrs. Lansky and Mrs. Perry for their help every Saturday morning and for all the other parents who came each week and give their support.

A special mention must go to Mrs. Perry who has been a great help to me, as well as to the athletes throughout the year.

Once again Mr. Gordon Fyfe and his workmates of the Zinc Co., have continued to give us their support and in a year when fund raising has been particularly hard, thank you seems so little to be able to say.

Mr. Pat Bownie again has been very kind to us and his advice is always appreciated.

Trophy Winners this year were:-

Club Champion	Wendy Perry
Senior Champion	Adele Lucas
Junior Champion	Wendy Perry
Sub Junior Champion	Jane Hawkins
JUVENILE Champion	Alison Churchill

Other trophy winners were:-

Roslyn Perry
Kerryn Bell
Debra Bell
Karen Fennell
Karen Anderson

We extend to all clubs our best wishes for a successful 1975/76 season.

P. Bell,
NON. SECRETARY.

APPRECIATION:

Once again Council wishes to extend their sincere thanks and appreciation to our Honorary Medical Advisers, Dr. T.M.G. Dick and Mrs. Dick for their services and advice during the 1974/75 season.

We wish to thank Mr. Ken Austin, M.H.A., for his continued interest in our activities.

Our thanks are extended to the Officials of the Southern Men's Branch for their assistance at our Interclub and State Championships meetings. A special thank you to Mr. Alf Upton for his help and courtesy to us on all occasions.

To Mrs. Doreen Frawley, our Programme Committee, Officials and Recorder Mrs. Elaine McLeod, we sincerely thank you for your untiring efforts during the season.

Congratulations are extended to Penny Gray and Jenny Gordon for their fine performances at the National Titles, and keeping the name of Tasmania on the "athletic map".

Anne Egan has improved in the last two seasons, and it was gratifying to see her win the "Bill Frawley", Memorial Trophy, for the best athlete of the year.

Our sincere thanks to Mrs. Fay Denholm for coaching the Junior Relay Team. I'm sure Fay was as thrilled as the Team when they were placed third in this event.

Should any person be overlooked in the compilation of my report, please accept my personal thanks for your assistance during this difficult year of athletics.

To all Club Secretaries who have submitted a Report on their Club activities, my sincere thanks.

CONCLUSION:

The 1974/75 season suffered many set backs, firstly, with very bad weather conditions throughout the State, and in the South, the North Hobart Oval was not available until January, then followed the collapse of the Tasman Bridge, which made travelling conditions for the Eastern Shore Clubs, parents and officials very difficult and caused a decline in numbers.

The five Hobart Clubs conducted their inter-club under difficult and frustrating conditions. They had to make do with school ovals that were far too small for their needs. In an endeavour to conduct proper programmes, they had to go across to the Eastern Shore to use the Clarence Football Oval at Bellerive on Sunday afternoons, this caused complications, as some members did not believe in participating in organized sport on Sundays.

A fund raising effort a "Miss Athletics", Quest was held, which was quite successful.

The Crowning Ceremony took place at the Carlyle Hotel, where a dinner was held to honour the occasion.

Mr. Doug Plaister, Deputy Lord Mayor, assisted by Mr. Ken Austin, M.H.A., crowned the winner of the Quest, Miss Kathy Gilbert, who represented Sandy Bay and with the assistance of her Committee raised the sum of \$702.

Miss Helen Gleeson, Newstead was second, with Miss Debbie Walmsley of Devon third.

The money raised by Clubs were as follows:-

Sandy Bay	\$702: 00
Newstead	\$434: 05
Devon	\$337: 65
Northern Suburbs	\$251: 20
O.V. & A.	\$205: 00
Tamar	\$113: 00
North Launceston	\$100: 00
Van Diemen	\$100: 00
Scottsdale	\$ 55: 00
Eastern Suburbs	\$ 50: 00
Burnie	\$ 50: 00
Mrs. L. Claxton	\$ 20: 00
Mrs. J. Bowring	\$ 10: 00
Mrs. M. Ebzery	\$ 30: 00

To all Clubs, Parents and Friends who assisted in the "Miss Athletics", Quest, please accept my sincere thanks for the hard work contributed by all.

Hobart Schools and Clubs greatly appreciated the visit in October of Mrs. Marlene Willard, and derived great benefit from the personalized coaching sessions she conducted. It is understood that Mrs. Willard will be conducting a similar course in the North and North West coast, during the 1975/76 season.

My personal appreciation and gratitude to all who have assisted me during the year, especially to our Officials, Club Secretaries and Office Bearers.

In concluding this report, I wish to advise that the Tasmanian Women's Amateur Athletic Association and the Tasmanian Amateur Athletic Association, will be conducting the Combined Men and Women's Australian Track and Field Championships, to be held from the 18th - 21st March, 1976 inclusive, at the new Athletic Centre Hobart, and it is desired that all parents of our athletes will take an active part and be available to assist in the many positions, which will be available.

The year ahead will be a very busy one, and I sincerely hope that it will be one which will bring understanding and loyalty, and sincere endeavour by everyone to help maintain good sportsmanship and good relations both on and off the field.

ON AND BEHALF OF THE TASMANIAN WOMEN'S AMATEUR ATHLETIC ASSOCIATION

Mavis Ebzery,
HON. SECRETARY.
