TASMANIAN SUB-JUNIOR TEAM REPORT

It is my pleasure to present the report on the activities of the 1978 State Sub-junior team competing in Brisbane on Saturday and Sunday 28th-29th January at the All Australian Sub-junior Interstate Track and Field match.

The Team - Gail Millar (captain), Karen Baldwin, Lisa Gray, Marianne Hardstaff, Anita Moss, Sandra Speers, Sophie Sullivan, Kellie Walton.

It was unfortunate that Jennifer Abraham also selected as a team member was unable to make the trip with us.

Wednesday - 25th January at 10.40am. Launceston and Hobart team members travelled per TAA to Melbourne on separate flights. On arrival at Tullamarine we had lunch and prepared to depart on the Brisbane flight at 1.35pm. There was a brief touch down in Sydney and then onto Brisbane where we were met by Mrs. Joyce Petfield and families from our liaison club Ashgrove Rangers who took us to the Viking Motel and presented us with a beautiful box of fruit. Our accommodation was very pleasing and the girls enjoyed the luxury of fridges in each room, fans, colour TV and a pool. The friendly and personal service by the Motel Manager and his wife contributed toward a very happy stay.

Already we could notice the humidity and the girls were tired from the days travelling so after our evening meal and a brief look through the program they retired to their rooms. It seemed strange that it was dark so early but we had to keep in mind the loss of one hour.

Thursday - We were off to an early morning start with training at Mt. Gravatt and our first glimpse of the Queen Elizabeth II Jubilee Sports Centre. The remainder of the day was spent leisurely with lunch at the nearby Garden City and evening meal at our Motel. Our girls anxiously awaited the arrival of the W.A. team. The other team to stay with us at the Viking.

Friday - We awoke to the sound of rain. It was a free day and we decided to spend it at the Oasis Gardens. That evening I was to attend the Managers meeting. The President Mrs. McMinn kindly called for us. The meeting gave us the chance to ask questions and deal with any problems. Thank you to Mrs. Briscoe for the very nice supper provided.

Saturday - First day of competition with much excitement and success ahead of us.

Athletes assembled in track uniform for the opening ceremony. Gail carried our State flag.

Large tents were provided for athletes due to no seating or shelter at the oval. The days program of events included a Womens Open Pentathlon competition and Under 15 years boys N.S.W. v Queensland. For the first time a system was introduced whereby heats were not drawn up until the day. The first event of major interest for us was the High Jump in which our entrant was Kellie Walton. Kellie controlled herself well and jumped her personal best of 1.53.

Tasmania had three representatives in the 100 metres heats. Heat 1 Gail Millar and Karen Baldwin and Heat 2 Sophie Sullivan. First 4 placings into final. Gail finished 2nd and Karen a very close 5th. Sophie also finished 2nd in her heat. This meant two finalists for us. It was a little disappointing for Karen not to be in the final when she was just so close.

Event 12. There was excitement again. This time it was the heats of the 400 metres. Our three representatives Lisa Gray, Sophie Sullivan and Sandra Speers all qualified for the final. Lisa and Sophie 1st and 2nd respectively and Sandra also 2nd in her heat. This was followed by the 100 metres Hurdles. Marianne Hardstaff was our only competitor and although unplaced Marianne recorded her personal best time of 17. sec. No-one can ask more. The next event of particular interest for us was the 1500 metres. It was a thrilling race with Lisa Gray finishing second in time of 4.43. The first four placegetters were all inside the Queensland State record. A silver medal to Lisa. The 100 metres finalists took their mark and wow, what a race, it was Tasmania's first gold medal. Sophie Sullivan 1st in her personal best of 12.0 sec. Gail Millar finished 4th in a blanket finish recording 12.2 sec. a personal best time for Gail also. 10 minutes later it was the 400 metres final. Sophie and Lisa were feeling the effects of their previous events but for Sandra Speers it was a different story. Sandra ran a very spirited race and tried hard. She finished 4th in her personal best time of 58.2 sec. We returned to the Motel bursting with excitement and completely drenched from the storm experienced at conclusion of the days program. We travelled into the city to dinner at the Arcade Bistro and after a very enjoyable meal returned to the Motel for an early night in readiness for competition the next day.

Sunday 1:15pm. It was the heats of the 800 metres. Lisa and Marianne both drew heat one. Lisa's 1st placing qualified her for the final. Marianne was unlucky to miss out finishing in 5th position. Marianne's time of 2.19.8 sec. was her personal best. 200 metres Heats - Sophie in heat 1 finished 1st in her best ever time of 24.4 sec. Gail in heat 2 also finished 1st. Anita was in heat No. 2 with Gail and was placed 5th in her personal best time of 25.6 sec. The 800 metres final followed and it was another silver to Lisa who finished 2nd in time of 2.12.2 sec. All placegetters broke the previous record.

Onto the 200 metres final - We were jubilant when the placings were given Sophie Sullivan 1st 24.6 sec. and Gail Millar 2nd 24.7 sec. Sophie's second gold medal and a silver medal for Gail and another personal best time.

Everyone was still full of excitement when the 4 x 100 metre Relay competitors prepared for the start. Our team of Sophie Sullivan, Karen Baldwin, Anita Moss and Gail Millar was a great combination. Their baton changes were smooth and as a result of each girl performing at her best we finished in 2nd placing in a creditable time of 48.8 sec. only one behind the winners. The four girls were proud of their silver medals.

Overall we had now claimed a total of 9 medals a mighty effort from such a small team.

Drizzle rain had occurred occasionally during the day. The closing ceremony brought close to a great competition. All teams assembled in their State Track suits. The captain of W. A. the winning team was presented with the L.C. Mills Shield. It was their first win and for Tasmania it was also a first to finish in equal third position with N.S.W. defeating S.A. and Queensland. I would like to congratulate our team of girls for putting Tasmania on the map in the Sub-junior Competition.

On return to the Motel it was a whirl with excitement and it was great to share in the success of the W.A. team.

Monday - was departure day. We were kindly taken to Brisbane airport by families from our liasion club.

Thank you to the Queensland people for their hospitality and kindness and especially for their willing response to loan starting blocks to our girls.

Each girl has reason to feel proud of her performances. To our three thirteen year olds Kellie Walton, Karen Baldwin and Sandra Speers it was a great experience and should prove beneficial next season when they will return in the sub junior ranks again. Outstanding performances recorded by our fourteen year olders must surely strengthen Tasmanias Junior section next season.

A BIG thank you is extended to all who sent good luck telegrams, they were a great boost to the moral of the team.

In conclusion of my report I wish to sincerely thank the girls for the most beautiful gift. It was a pleasure to be Manageress and their co-operation, thoughtfulness and bright and happy personalities made my task an easy one. The team was a credit to Tasmania. Thank you to Gail Millar team captain for the capable manner in which she carried out her duties. Gail was a very popular captain.

I would like to take this opportunity to thank the Association for giving me the privilege to manage the sub junior team to Brisbane and to thank our State Secretary Mrs. Ebzery for help and advice. To the many people who helped out with favours I am sincerely grateful.

(Mrs.) Fay Denholm,
MANAGERESS.

MANAGERS REPORT AUSTRALIAN CHAMPIONSHIPS.
BRISBANE - MARCH, 1978.

We left Hobart on Wednesday 15th March at 10.40 a.m., arriving in Melbourne at 11.40 where we met the Northern contingent. We had an hour to spare in Melbourne and after eating lunch, we boarded the aircraft, and had a short stopover in Sydney arriving in Brisbane at about 5.00 p.m. The bus took us direct to the Canberra Private Hotel. Carmel and Jocelyn had to go to the athletes meeting at 6 p.m. and I had to go to a managers meeting at 7.30. It had been a long day travelling and we were all in bed by 9.30.

THURSDAY.

This was the first day of competition. We left our hotel at 8.45 a.m. and arrived at the ground at 5 past 9. The sun was trying to peep through and looked reasonably promising.

The 200 metre heats were the first events our girls were to compete in. Sophie was in the first heat and ran very well to finish fourth in 25.1. Then it was Carmel's turn, she was placed third in 25.0, and in the third heat Gail was second in 25.1. We were all thrilled, they had all made the semi finals.

Then came the rain and cold, we had no shelter. Sally was in the first heat of the 800m. In the final stages of the race, she was elbowed and pushed, and was virtually hustled out of the race. About 50 metres from the finish line she ran around the pack and finished third in her personal best time of 2.10.7, and showed tremendous courage in the way she fought out the event.

Lisa was in the second heat, she also received treatment from the more experienced runners, but she didn't let it worry her and we were all jumping with excitement, when about 100m from the finish she burst her way through and we had a first placing. A courageous effort from both girls and I'm sure they would be very pleased with themselves.

We had a long wait then until the 200m semi final. It poured and poured and was bitterly cold. By this time we had tents to shelter in, but the mud inside was at least six inches thick. In the first semi we had Carmel Hughes. The girls were kept waiting at the start and were soaked. Carmel ran a very good 25.2, which was a really good time considering the circumstances. There was another long delay until the next heat, the girls were all saturated, and to make matters worse there was a false start. When the event finally got under way an ironic cheer went up from the crowd. Gail threw herself in the last 10m and finished fifth with the same time as the fourth girl, 25.2. Sophie's time was 26.3.

We were a wet bedraggled lot going back to the hotel, but I felt very proud of them all. We had hot showers, went to tea in the hotel and then had an early night.

FRIDAY.

More rain. As we were not competing today, we decided on a bus tour to Surfers Paradise. We spent two hours exploring all the shops and arcades. The beach was closed because of the bad weather and rough seas. After lunch we went on to the bird sanctuary and the Land of Legends which was absolutely fabulous. We arrived back in the City, and went to tea in the hotel restaurant, and then had an early night.

SATURDAY.

It was still raining when we left the hotel, however it cleared up before we got to the track and turned out very hot. The first event we had a competitor in, was the long jump. Jocelyn finished fifth with a jump of 5.73, her personal best. She had to miss her sixth round, as she had to run to the high jump.

Carmel and Sophie were next in the first heat of the 400m.

Imagine our excitement when Carmel won in a new Queensland junior record of 55.1 and Sophie finished in a very bright 56.4.

Sally was in the second heat and a great effort by her and was placed first in 55.8.

Then it was the final of the 800m. Lisa drew lane four and Sally drew lane eight. It was a great race. The noise from the Tasmanian crowd was deafening. Lisa ran a great race to take out the silver medal in 2.08 and Sally came fourth in 2.11. Only about ten seconds later we found that Jocelyn had won a silver medal in the high jump, with a leap of 1.75m. 5 cm above her personal best. I felt very proud to be able to present her with that medal. We were not placed in the 4 x 100m relay, but the time of 48.6 was excellent.

In contrast to previous days, we all had sunburnt noses.

We went home very proud of the days events, and after tea at the hotel cafe, went to bed at about 9.30 p.m.

SUNDAY.

The first event was the 100m Junior. Carmel and Sophie drew heat one. It was a good race and Sophie ran very well to be fourth in 12.3 and Carmel ran a good 12.5. Gail was in the second and fastest heat, and ran an excellent 12.2, while in the third heat Jocelyn recorded 12.6.

Lisa was the next to compete in the 1500m, we were thrilled when she gained third place, and then we found there had been a dispute and the race had to be re-run at the end of the programme.

At 3.20 the 400m final was on. Carmel was in lane four and Sally was in lane five. It was an exciting finish with Carmel winning the Bronze medal in 55.2 and Sally was right behind her in 55.4.

Then came the 4 x 400m relay. The first time we had a team in this event. The Tasmanian supporters just about went mad, as we were well placed right throughout the event, and we easily took out second place in 3.44.5.

It was dark when Lisa had to start in the 1500m again. She didn't give herself much hope, as she was tired, but again she ran a brilliant race to take out the bronze medal in her personal best time of 4.35.5.

It had been a great championship for us. Every girl had won a silver medal, and Carmel and Lisa had bronze medals as well. We went to tea at my brothers place, where we played eight ball and generally relaxed before going back to the hotel at about 9.30. Then we went to the Gazebo Hotel where the girls went swimming in the pool. However they only had about ten minutes to swim before the pool was closed. We returned home completely relaxed and happy.

In closing I would like to say thank you to all the people who gave me the opportunity to be able to manage the Tasmanian team. I was very proud of the girls. Their conduct was above reproach, they were a credit to themselves and the State. It was a pleasure to be associated with them, and I wish to thank them for making my task so much easier and enjoyable.

I would like to thank Carmel for all her help to myself and the rest of the team. She has been a tremendous captain. Also my thanks to Mrs. Fay Denholm for coaching the relay teams. She must be very proud of the success they had.

Finally I would like to thank Mrs. Ebzery for her help and encouragement. It was a wonderful experience I will never forget.

Mrs. Peggy Bell,
Manager.
Tasmanian Team.

The most successful Southern runner was Tracey Nation (E.S.) who had seven wins out of nine starts. Another promising runner was Katrina Prendergast (S.B.) who from her nine starts had two wins, five seconds and two fourths. DEVON WOMEN'S AMATEUR ATHLETIC CLUB

ANNUAL REPORT SEASON 1977-78.

We opened our season as usual on first Saturday in October. Day was taken up with track events and filling out of registration forms. Our total number of competing athletes this season shows a loss of three, however we managed to join up an additional official on the field.

First main meeting was the North West Coast School Children's Championships, these were held on Oval during a full days programme on October 8th. This year a slight increase was noted in the number taking part, and as usual the Devon members gained many placings. Also the stall and luncheon booth helped to build up our funds.

• With the Burnie Pageant day the three coastal clubs met together on seven occasions, but with their strength from under 12 years up Devon proved far to strong for both Ulverstone and Burnie in competition for two Coastal Shields. However congratulations to members of other clubs for their help in making the seasons competition well worth while.

Devon won major portion of Government Grant at the Pageant Meeting this will go towards purchase of a larger landing bag for high jumps. Our thanks to all girls who were selected in the team and performed so well through out the day.

Only two handicap carnivals were held this year, one at Ulverstone mid January when some fifty athletes took part and the annual Forth Carnival when approximately sixty girls and the same number of boys made the day a worth while effort for the club in conducting eighteen different track or field events. Trophies were well split up between the three coastal clubs that had members competing in both men and women's section.

• Our girls made up greater number of the team that made the trip to Hobart for the annual Triangular competition between three areas of state. Although the coast was outclassed, all members gave of their best. Following won events or gained placings:-

R. Squibb, F. Murray, S. Whiteway, J. Sheehan, W. Westerbeek,
J. Batt, P. Bateson, F. Thomas, G. Simpson, D. Gilliam.

The Devon girls supported the Coastal Championships in a big way just two thirds of our members taking part. Below is listed number of positions filled and also the top Devon girls in four groups of these Championships.

EASTERN SUBURBS WOMEN'S AMATEUR ATHLETIC CLUB

SEASON 1977/78

I have much pleasure in submitting this report covering season 1977/78. It has proved to be an outstanding year. Our success for the season has been the winning of the A. J. Connor Shield and the C. & L. White Shield. The winning of these Shields gives us great encouragement and shows our Club is at last making its mark on the Athletics field in Southern Tasmania. We are hoping for an even bigger year to come and hope to send even more girls to compete in inter-state competitions.

Jocelyn and Gail Millar were constantly in the headlines, as both girls had an outstanding season. Gail was a State representative in the Sub Junior team, and was second to team mate Sophie Sullivan in the 200 metre event.

Both Jocelyn and Gail were members of the State team which competed in Brisbane in March, Jocelyn excelled in both the high and long jumps. Her leap of 1.75m. in the high jump was 5 cm more than her record breaking jump at the Domain earlier in the season, and earned her second place in the Australian Junior High Jump event. Her distance of 5.73m in the long jump was once again well over the 5.54m which broke the long jump record a few weeks earlier. Gail was a member of the 4-x-400m relay team which came second and she also reached the semi-finals in the 200m. Altogether a tremendous result.

Susan Johnson proved that she is a most versatile athlete by convincingly winning the first Pentathlon competition held in the South of the State. Her total tally of 3426 points was an excellent result. We congratulate Susan and hope that she will continue to concentrate on this event, as her results compare most favourably with Junior Pentathletes in other States.

The efforts of these three girls were rewarded with fourteen State records for the Season. This surely must be some kind of a record in itself.

Well done girls - we hope your enthusiasm for athletics will continue and inspire younger girls to try even harder next season.

The return of Gaylee Chick to the Club was most welcome, and her continual improvement in performance during the season was most impressive. This was the result of sheer hard work and dedication. Well done, Gaylee.

In the Sub Junior ranks, girls that gave consistent good performances were Leah Miller, Marion Priest and Robyn Jennings.

The Juveniles all displayed great keenness at training and at the Saturday meetings. Paula Nicholls, Joanne Mulcahy and Katherine Baines ran very well all season, and it was pleasing to see so many of the young girls competing in the jumping events.

I hope this report will give great encouragement to you all for the future.

At this time of the year, we must take this opportunity to thank most sincerely those committee members who brave all weather to be available for official ground duties.

Fund raising has been most successful this year. We have been able to help our athletes more this year than before, and we hope this trend will continue. I thank all those parents who helped with their attendance and generosity over this year.

No report would be complete without a tribute to our trainers, Mr. J. Chick, Mr. B. Parkinson, Mr. G. Millar, without whom none of our success would be possible. I know I speak for all the girls when I say "Thank you".

Trophies were Presented by Mr. R. Hood to:-

<u>CLUB CHAMPION</u>	Jocelyn Miller
<u>JUNIOR CHAMPION</u>	Jocelyn Millar
<u>SUB JUNIOR CHAMPION</u>	Gail Millar
<u>JUVENILE CHAMPION</u>	Paula Nicholls
<u>ACHIEVEMENT TROPHY</u>	Gaylee Chick
<u>MOST IMPROVED JUVENILE</u> (Donated by Mr. T. Baines)	Joanne Mulcahy
<u>MOST POTENTIAL</u> (Donated by Mr. B. Johnson)	Marion Priest

NORTH LAUNCESTON WOMEN'S AMATEUR ATHLETIC CLUB

ANNUAL REPORT 1977/78

In preparing the 13th Annual Report for North Launceston Women's Amateur Athletic Club, I find it very rewarding to be associated with a Club that each year, is showing improvement among its athletes, who have been a credit to the Club.

Registrations for 77/78 season have remained stable. Whilst some new recruits are evident, it is pleasing to note that the return of athletes from previous season has to say the least, been encouraging.

NORTHERN INTERCLUB:

Each Saturday of competition has seen a marked improvement in the performances of athletes, and I think it is true to say, that a Club is as good as its athletes make it, and it is for this reason the North Launceston Club upholds the basic ideal - "to encourage and foster athletes".

Congratulations to Newstead Women's Harrier Club who were successful in all divisions with North Launceston Women's Amateur Athletic Club second. Without the competition from remaining Northern clubs, the interclub competition would not be the success that it is, and North Launceston recognizes this fact.

Triangular Series - North Launceston athletes were well represented in the Northern squad and congratulations to them. Following this series, the squad to compete in Brisbane in the Sub-junior match was selected at the end of December. Three North Launceston athletes were selected and how thrilled we were. The Club offers Sandra Speers, Sophie Sullivan and Marianne Hardstaff sincere congratulations for excellent performances in Brisbane. Sophie Sullivan's two gold medals and one silver, certainly tells its own story, and how proud we are to foster such athletic achievements. Best performances from Sandra Speers and Marianne Hardstaff in their respective events must have been personal satisfaction for these two athletes.

Pentathlon - At the invitation of the S.A.A.B., northern athletes competed in a Pentathlon in Hobart. It was pleasing to see two North Launceston athletes, Marianne Hardstaff and Kathryn Lyons perform so creditably. It is the hope of the Club that this event could be made an annual event in the future.

Cross-Country State Championships - The depth of the athletic club was shown when four North Launceston athletes competed in the State Cross-country Championships at the Sandy Bay course in Hobart. In the Under 13 event, M.F. Clayton took out first place, Under 15 M. Hardstaff, 1st; C. Hardstaff, 3rd and J. Clark 4th. Thank you to the Southern Clubs for their hospitality - it was a most enjoyable day.

State Championships - A small group of North Launceston athletes competed in these events, and a sincere congratulations to you all. It was very pleasing to note the success of these fifteen athletes - nine placings in finals plus third in the Juvenile relay and first in the Sub-Junior relay.

Encouraging is the least to be said of their dedicated and excellent performances. Congratulations to all athletes who competed in the State Championships which were enjoyable from a spectators viewpoint, and of a high standard from the athletes.

Following the State Championships, North Launceston was once again represented in State selection squad to compete in Brisbane for the Australian titles. Sophie Sullivan competing in Junior 100, 200, 400 and 4 x 400 metre relay was among the six selected athletes and the Club congratulates her very sincerely. Her reward for a season of hard work resulted in a silver medal in 4 x 400 metre relay. Indeed, all six athletes were able to return with at least one medal, and this surely must be very encouraging to State Selectors.

Northern Championships concluded 1977/78 athletic season in the north on a satisfying note for the Club. The two days of the championships showed healthy and keen competition with North Launceston athletes performing well. A word of encouragement to all athletes who competed - the club is very proud of you all - first and last alike - each of you is a very important part of the Club's performances, and for this reason, you are a very necessary element for the success of the Club. Congratulations to all Northern athletes who made the week-end so enjoyable.

Club Activities - Without the endeavours of a hard working club committee, functions held during the season would not be possible. To these people who helped in any way, donors of goods and finance, may I extend a very grateful thank you. A team effort makes fund-raising a pleasure. This annual report would not be complete therefore without a special thank you to the President, Mrs. J. Humphreys and the Treasurer, Mrs. M. Butler - to those who have acted as officials Mrs. Speers and Miss J. Speers (recording), Mrs. P. Clayton, assistant referee, Mrs. R. Lyons (Judge), Mr. I Butler (Field) and Mr. Ray Harper (Judge). Sincere thanks to you all on behalf of the Club. These tasks do not always prove to be as enjoyable as they seem, but you have all seen fit to persevere. To athletes, parents and friends alike, I would like to congratulate you on a job well done.

In conclusion, may I extend on behalf of North Launceston Women's Amateur Athletic Club, sincere thanks to the executive of T.W.A.A.A. for their assistance during the season and wish all clubs every success during 78/79.

M. HARDSTAFF.
SECRETARY.

TAMAR WOMEN'S AMATEUR ATHLETIC CLUB.

ANNUAL REPORT.

It is with pleasure that I present the fifth Annual Report of the Tamar Women's Amateur Athletic Club.

1977/78 was our most successful year to date with a number of our most loyal members going up into Junior ranks. For the first time we were able to field both Junior and Sub-Junior teams in the State Relay Championships.

It is again pleasing to report that the "Across the Batman" road race attracted a record number of entries and we thank all the clubs for their support. Participation in cross-country and road races which must be heartening for the organisers.

Congratulations are due to the eight members who represented the North in Hobart in November, particularly Salli-Ann Setter who captained the team. Congratulations also to Jenny Abraham, Christine Mackrill and Sharon Seward who gained invaluable experience in the State Schoolgirls Team in December.

Tamar was well represented in the State Pentathlon competitors, held for the first time this year. We hope that this will be held as a State Championship in future, particularly as the Junior event was so well supported. Twelve members of our club contested the State and Northern Championships gaining five first placings in the State Titles and thirteen first placings in the Northern Titles. We were, of course, delighted to finish in equal first place in the competition for the M. & E. Goss Shield at the State Championships. Three Tamar athletes set Northern Records during the season; Jenny Abraham in the Sub-Junior Shot, Jenny Cooper in the Junior High Jump and Salli-Ann Setter in the Senior 100m Hurdles and Long Jump.

Our fund raising took on a more serious note this year and for the first time we had an entrant in the "Princess Competition".

1977/78 saw another addition to our list of qualified coaches - congratulations to Mr. Bill Cooper who was successful in the Grade I Coaches examination at Penguin.

A very successful trophy night was held in April and we are very grateful that we have Peter Turner to make such a fine array of trophies for us.

PRESIDENT.

VAN DIEMEN WOMEN'S ATHLETIC CLUB

I have much pleasure in presenting the Annual Report for the 1977/78 season.

I am pleased to report that the number of registered athletes was up on the last few seasons, and it is also very pleasing to see some of our "old" girls coming back.

We are also fortunate to find that the parents of some of our new girls have shown interest in the running of the club, and next season we should benefit from that interest.

I would like to thank Dawn Perry once again, for the help she has given me, and Mr. John Baines for his interest and help in recruiting and coaching.

During the season we had a picnic and a barbecue. Both days we met with terrible weather, but all those who attended really enjoyed themselves. A cabaret which was held at Cambridge was quite successful, however, there was not a lot of support from club members.

I would like to congratulate all the "Demon" girls who took part in the State championships. Most of them were in their first season and performed very well.

Our trophy day was held at Risdon Brook Dam, and the winners of the various championships were:-

Senior - DEBBIE BELL
Junior - DARLENE PARKER
Sub-Junior - MELISSA MANSON
Juvenile - SUSANNE DAVIDSON

Other Trophy Winners were:-

APPRECIATION

Your Council would like to record its sincere thanks and appreciation to Officials and Committee members who have so ably assisted throughout the year.

To our Patroness Dr. Gurna Dick, M.B.B. Chn; B.A.O; and husband Dr. Graham Dick, our sincere thanks for their continued support and assistance for our fund raising. Our Association was delighted that they both were able to join us at our Annual dinner and Crowning Ceremony of our "Miss Athletes" Quest.

The Association was honoured with the presence of our Premier Mr. Doug Lowe and wife Pam.

Our sincere thanks to the Tasmanian Amateur Athletic Association and Officials of the Southern Men's Branch for their assistance at our Interclub and State Championships, and my personal thanks to Mr. Col Mickleborough and Mr. "Froggy" Wise for the many chores done by them during the season. We look forward to a very happy and successful 1978/79 Interclub.

We extend our sincere thanks to Mrs. Doreen Frawley for her excellent weekly "write-ups" our Programme Committee and State Recorder Mrs. Elaine McLeod.

The extensive contribution made by our Club Secretaries is outlined in the Reports in the foregoing pages and to these officers, a special thank you.

Congratulations to our Sub-Junior Team who competed in Brisbane during the long week-end. The Team returned home winning two gold and seven silver medals. This was the most medals ever won by a Tasmanian Team.

Our sincere thanks to Mrs. Fay Denholm, Manager of the Sub-Junior Team, and to Mrs. Peggy Bell, Manager State Team to Brisbane and for the spirit of sportsmanship portrayed to our young members.

We would also like to thank Fay for her time given in coaching our Relay Teams.

To Mrs. Yvonne Downie and daughter Mrs. Michelle McGrath, thank you once again for donating trophies for the most outstanding Sub-Junior and Juvenile Athlete at the State Championships. Also special thank you to Mr. Pat Downie for donating the sash for the winner of the "Miss Athletics" Quest.

Congratulations to our Athletes who have gained placings in Australian and State Championships, and those who were successful in creating new records.

Thank you to Mrs. Frawley and helpers for conducting the Southern Cross-Country competition and the State Cross-Country Championships.

My personal thanks to Mrs. Pat Hamilton and Mrs. Bobba Jepson for organizing the luncheon for athletes and officials at our State Championships.

To Mr. Bob Hamilton, a special thank you for the wonderful job he did in arranging the drawing of the State Raffle at our Dinner Dance held at the Hotel Carlyle.

At our 1977 Annual General Meeting Life Membership badges were presented to Mrs. Pat Mickleborough, Mrs. Dorothy Claxton and Mrs. Myrtle Green. It is a small way that we can pay tribute to the work these ladies have done for our Association.

A D D E N D U M

A very successful Athletic Season has just concluded, my congratulations go to all who helped to achieve this.

Our Council Meetings have been well attended and have been very interesting and informative, delegates discussing many subjects with great depth and clarity. It was good to be able to work for the betterment of Athletics in such an enthusiastic and harmonious atmosphere as prevailed last year.

Clubs are to be congratulated on the generous response they gave to the Fund Raising Appeal.

My thanks to members of the Executive for the help and assistance they have given me. I would like to thank every one for the courtesy always shown to me, and hope that the coming season will be one of happiness and success.

My thanks to Mrs. Mavis Ebzery, A.O.M.; for the efficient and capable manner in which she carries out her duties as Secretary of our Association.

(Mrs.) L. Jepson.
PRESIDENT.

CONCLUSION

The season just completed has been a very busy one, but most rewarding. Our competitors have produced outstanding success on Interstate and State levels.

For the first time, the Association conducted the Pentathlon event, which proved very popular, and is now to be conducted each year prior to our State Championships.

A "Miss Athletics" Quest was held, which resulted in the amount of \$4,605.00 being raised. The girls who took part in the Quest were:-

Lorraine Gridley, Julie Wise, Andrea Macrow, Michelle Mackay and Angela Cooley.

The Crowning Ceremony took place at the Hotel Carlyle where a dinner was held, and the entrants in the Quest were guests of the Association.

Our State Premier, assisted by our President crowned the winner of the Quest, Miss Andrea Macrow who represented the Devon Club, and with the help of her parents and friends raised the amount of \$936.00.

Congratulations to Andrea on her win.

Each girl was presented with a gift, and the winner with a "Sash of Honour".
