The National Titles were conducted at Perry Lakes Stadium. The weather conditions were very pleasant for the four days of competition.

The performances of our girls were outstanding and I was a very proud official to be present at these Championships. Gold medals were won by Penny Gray, Susan Johnson and Sally Whiteway; Silver medals by Vicki Harwood and Jocelyn Millar (2); Bronze medals by Lisa Gray and Penny Gray.

Other members of the team performed quite well, some of the girls producing their best times.

The 1979 State Track and Field Championships were held in conjunction with the Men's Association on the 3rd/4th March, at the Domain Athletic Centre.

The conditions were pleasant on both days and the Championships were enjoyed both by athletes and officials. Seven records were broken in the Track and Field Titles. Of these records three were established by Penny Gray, two by Lisa Gray and one each by Sophie Sullivan and Sandra Speers.

MANAGERESS' REPORT ON THE AUSTRALIAN ALL SCHOOLS CHAMPIONSHIPS HELD IN ADELAIDE ON WEDNESDAY 13TH & THURSDAY 14TH DECEMBER, 1978

The Tasmanian team left in two groups from Hobart and Launceston on Tuesday 12th December. The two groups met up in Melbourne and travelled together to Adelaide after lunch at Tullarmarine.

On arrival in Adelaide we were met by a representative of the South Australian A.A.A. A bus had been chartered to take the Tasmanian Girls and Boys to our hotel, the Hotel Australia where we were met by Mrs. Phyl Chesterman from the South Australian Women's A.A.A. Mrs. Chesterman proved to be invaluable during our stay in Adelaide.

After settling into our rooms, Mrs. Chesterman "ferried" us to our training ground for a light training session and a relay practice.

As the competition on Wednesday was not due to start until the evening, Mrs. Chesterman and I took the girls to the track so that they could familiarise themselves with the warm-up area and the general lay-out of the track. Mrs. Chesterman kindly supervised the girls on the way back so that they could go shopping while I returned to the hotel for the manager's meeting at 11 a.m.

The Tasmanian girls all tried hard in their events although some of them were a bit overawed by their first experience in this type of competition. Our medal winners were:-

Susan Hooper	2nd in U15 200ms
	and 3rd in U15 100ms
Virki Harwood	2nd in U15 Javelin
and Catherine Dennis	3rd in U15 High Jump

The other members of the team also performed well. Unfortunately in her hurdles race, Catherine Dennis had a recurrence of a knee injury and stumbled when being well placed. I was able to make an appointment for her to see a Sports Medicine Specialist before she competed on Thursday and a report on this visit was given to her father.

Although the medal tally was not great, the trip to Adelaide was very pleasant and I am sure that the girls who took part will benefit from their experiences.

The South Australian Men's and Women's Association are to be congratulated on their organisation, friendliness and helpfulness. All the girls enjoyed the Barbecue and Disco that was put on for them at the end of the Championships.

Since the Amateur Athletic Union of Australia has taken the responsibility for these Championships, the number of events for girls has been increased and the organisation improved. It would seem to me that these Championships should become important dates on the calendar for our athletes who are still at school.

D.A. HOLLAND.

MANAGER'S REPORT

SUB-JUNIOR MATCH JANUARY 20TH & 21ST, 1979

Preamble

A team of 13 athletes, 5 from the South, 2 from the Coast and 6 from the North represented Tasmania in the Sub-Junior Match between all States at the Olympic Sports Field Adelaide. The competition was held over two days, January 20th and 21st commencing at 2 p.m. each day. A.A.U. rulings for a Sub-Junior Women's match is that only the winner receives "a prize". Place-getters receive no recognition except to stand on the victory dias. Medals were presented last year as a gesture of the Queensland Association.

Travel

On Wednesday 17th January, flying T.A.A., 5 athletes from the South and 7 from the North left on separate flights from Hobart and L'ton respectively. One athlete travelled A.N.A. We all met at Tullamarine, leaving there at 2 p.m. for Adelaide. The team was met by liaison officers Miss Brenda Pearl and Mr. Don McLennan who made us very welcome and put us at our ease. We were directed to the transport coach which would take us to the Hotel Australia.

Accommodation

The Hotel Australia, a 6 storey building was well situated in close proximity to the city, to bus services and eating houses. The room allocation was met with some reserve by the manager, as the 13 athletes and myself had been accommodated on 5th and 6th floors either in triple or double rooms, as had been arranged. A single room for the manager was quite some distance from any of the athletes. This factor added difficulties to my task, as it can be well understood, since all athletes from visiting states except N.S.W. men had been accommodated at this hotel, I would strongly recommend that in future, where possible, consideration be given to accommodating representative teams on their own, rather than with other teams. It can be fully appreciated that having all athletes housed together must be a very satisfactory arrangement for the Host State. Rooms were comfortable with all "mod. cons." Breakfast menu was satisfactory.

"Free Days"

Thursday and Friday were classed as "free days" for want of a better word. Thursday morning, quite warm, 38° was spent by most, shopping in the city. Training for all athletes was scheduled for 4.30 p.m. "Park 9" a training field in 10 minutes walking distance proved an excellent spot for the field game athletes. The remaining athletes went to Kensington Oval for individual training and relay practice. As was custom over the five day stay in Adelaide, team meetings were held at least twice a day. Following a short managers talk on our arrival, the first of these meetings was 1.30 p.m. on the Thursday. The manager stressed the importance of good conduct and behaviour, their purpose for being in Adelaide and the responsibility they owed to themselves, their parents and their state. Each evening at 7.15 p.m. the team and myself went for an evening meal together.

Friday - Athletes preferred to remain in the cool of the Hotel with an expected temperature of 42°. A trip to Marineland had been organized for the afternoon with a bus calling at the Hotel for us at 1.30 p.m. returning us to the Hotel in the afternoon. No athlete was permitted to leave the hotel unless permission was given by myself. On our return from an enjoyable trip the athletes were again reminded of their responsibilities, since competition would commence the next day. They were to be in their rooms by 10 p.m. and in their beds by 10.30 p.m. Unfortunately not all athletes considered the above necessary.

Saturday - Following a thunderstorm Friday evening and rain Saturday morning the weather was a little better with a less intense heat. A Managers meeting was arranged for 10.30 a.m. Athletes spent the morning resting and preparing themselves for competition. Minutes of the Managers meeting will be forwarded to the Association as soon as possible. Most managers felt that a meeting on the morning of competition has its disadvantages namely - any directives to the athletes, any alterations to the programme left little time to be carried out.

Transport was provided for all athletes and managers, to and from the track both Saturday and Sunday.

2 p.m. was commencement of competition. The opening ceremony was scheduled at 1.30 p.m. - five girls were unable to participate due to their events being timed at 2 p.m. The highlight of the meeting appeared to me to be focused on the Charles Hansen Shell Cup for U17 boys, even though Sub-Junior girls did get some recognition. The weekend competition was officially opened by Mr. Casey M.H.R.

Karen Baldwin, Susan Hooper and Christine Spinks were each in a heat of 100 metres, all qualifying for the final.

K. Baldwin	12.7	2nd in her heat
S. Hooper	13.1	3rd in her heat
C. Spinks	13.1	1st in her heat

In the final 100 metres Karen Baldwin 3rd in 12.5 - the winning time was 12.4 - 2nd placegetter 12.5. A pleasing effort by Karen.

Katrina Fenner, Sandra Speers and Susan Hooper had been selected to compete in the 400 metres.

S. Hooper	withdrew
K. Fenner	placed 5th in 61.5
S. Speers	placed 1st in 57.7

In the final of 400 metres Sandra Speers 2nd in 57.0 ran a fine race, beaten by the new record holder for S.A. (55.3).

Saturday (Continued)

In the 1500 metres Shelley Matthewson performed very well, was placed 2nd with a personal best of 4.42.7, 10 seconds better than her previous best time.

Hurdles - Kelly Walton 5th in 2nd heat 17.8
Javelin - representatives Dianne Pickett and Jenni Abraham were placed 5th with a throw of 30.02, good effort for Dianne and Jenni 12th 20.46. Winning javelin throw was 37.48.
High Jump - Catherine Dennis 9th 1.50
Heather Millar 11th 1.45
Shot put - Dianne Pickett 11th 8.83
Jenni Abraham 14th 8.54
Heather Millar 16th 7.48
Winning put was 11.54

We were pleased with the results of the days competition although some athletes were disappointed with their efforts. Naturally placegetters for Tasmania were disappointed and rightly so, in not receiving some token for their efforts. Following a successful day of competition, the team returned to the hotel to relax.

Sunday - The morning was spent quietly. Competition commenced with long jump at 2 p.m. Kelly Walton and Heather Millar performed quite well. Heather 10th and Kelly 11th out of a team of 15.

800 metres saw Shelley Matthewson placed 4th in her heat. 1st time 2.21.5 and next three times 2.21.8, so she was unlucky not to get to the final.

200 metres heats run in gusty winds saw Susan Hooper 2nd in 25.6, Gelinda Simpson 2nd in 26.9 and Karen 4th in 27.5. Susan and Gelinda into the final, Susan 5th in 26.3 and Gelinda 7th in 26.5.

Discus - Jenni Abraham 14th with a throw of 25.56
Fiona Thomas 16th with a throw of 22.76
Winning throw was 36.40

The relay was placed 5th with a time of 50.2 the winning team N.S.W. recorded 49.3.

Following competition the closing ceremony saw all athletes on the field. The weekend competition was officially closed by the President of the Union.

A chicken salad meal was provided at the oval for us all and at 6 p.m. we all returned to the hotel. Packing was the priority of the evening.

Athletes were called for 7.30 breakfast, 8.30 luggage in the hotel foyer and at 9.45 we left for the airport to return home on the Monday.

To make comment on the team's behaviour and performance as a whole is a little difficult. My only comment is that I was proud to leave Tasmania with these girls and to meet the challenge and responsibility that I had undertaken as their manager. With 13 U15 girls I can only say I did my best. I trust the athletes themselves can say the same. I thank the Association for the opportunity given to me, and for the help and advice given. Encouragement needs to be given to these U15 athletes who of course will be the seniors of tomorrow.

W. HARDSTAFF,
(MANAGERESS 1979)

TASMANIAN STATE TEAM

It is with pleasure that I present the report on activities of the Tasmanian Women's Athletic State team that competed in Perth, W.A., March 22nd - 25th.

The team - Senior: Penny Gray (Captain); Junior: Karen Baldwin, Lisa Gray, Vicki Harwood, Susan Johnson, Jocelyn Millar, Gail Millar, Shelley Matthewson, Sandra Speers, Sophie Sullivan, Sally Whiteway.

Tuesday - 7.40 a.m. per TAA we left L'ton to Melbourne where we met the 3 team members who had travelled from Hobart. Then it was on to Perth. A very pleasant flight. On arrival at approx. 11.55 (W.A. time) we were met by members from our liaison club who were very willing to help us. The team travelled by airways bus direct to Forrest House Motor Hotel, our place of accommodation. It was ideally situated in the city. After settling in the team members who had been instructed to train did so at Perry Lakes where I was given programs for the girls and a large bag of apples.

Wednesday - Although a free day it was training for several team members. It was necessary to have all spikes and blocks checked. Official starters made themselves available for starting practise and all officials were most helpful. Athletes meeting was held at 5.30 p.m. 2 athletes from each state attended. Our team reps. were Penny and Jocelyn. The Managers' meeting was held that evening at 8 p.m. I attended the meeting with Mr. Des. Hardstaff Manager Tas. mens team. We were given information in respect of National titles.

Thursday - The first of a four day competition. Venue was Perry Lakes Rekortan Track. Before I commence talking times. I would like to explain that all timing was electronic and not manual. It was also very interesting to note that all finishes up to 1500m were photo finish and one could purchase a copy of the photo for a fee. Sports Medicine Clinic facilities were made available to athletes at all times and proved to be in great demand.

Official Opening took place at 10.15 a.m. A flag party of 3 from each team assembled for the ceremony. Penny, Jocelyn and Sally represented our Tas. team. Meanwhile Susan Johnson was warming up in preparation for the hurdles which marked the start of the Junior Pentathlon. Susan was our first state Pentathlon rep. for many years. She competed superbly and with only the 800m to be held Susan was leading by 1 point. You can imagine the excitement when Susan won this event for it meant a gold medal. A total of 3528 points gave Susan 1st placing.

1.10 p.m. Heats of Junior 400m. Sally Whiteway in Heat 1, 1st placing in 54.7 sec. and Heat 2 Sophie Sullivan 3rd 55.59, Sandra Speers 56.66 secs. Sally and Sophie both qualified for the final. It was gold for Sally. A very determined and strong finish by Sally to win the final in W.A. record time of 54.02.

The Women's 1500 metres - Penny Gray was our great hope. Penny led the field from start to finish in a very classy performance. Penny's time of 4.17.09 sec. was a W.A. record.

3.55 p.m. Junior 3000 - Lisa Gray representing Tas. finished 4th recording a time of 9.58.14 sec. Lisa unfortunately was troubled by tired legs and later found it necessary to seek physio treatment.

At conclusion of the days events a Presidents' Meeting with all interested athletes was held at the stadium. It was a first for this type of get together.

Friday - Second day of titles with first event at 10 a.m. For us it was the heat of the Jnr. 200m at 11.20 a.m. Heat 1 Gail Millar 4th 24.60 and Sophie Sullivan 5th in 24.79. Heat 2 Sally Whiteway 2nd 24.40 sec. Sally and Gail both qualified for the final to be held on Saturday.

800m Jnr. heats followed. Our 2 reps. Lisa Gray and Shelley Mathewson both qualified for the final to be held the following day. In heat 1 Shelley finished 3rd and Heat 2 Lisa was 4th.

It was Jocelyn's birthday. As a special treat we went to dinner at the Parmelia Steak House with members of the Tas. Mens team.

Saturday - Jocelyn was our first competitor of the day. It was the Jnr. High Jump. With a great performance Jocelyn finished in 2nd placing a height of 1.74. A silver medal to Jo.

On the track it was the Jnr. 800m final. Tassie cheering squad was in action again. Lisa finished 3rd in 2.8.87 it was a bronze medal. Shelley although unplaced recorded her personal best time of 2.12.9 sec.

3.20 p.m. It was the 200m Jnr. final with Sally a close 4th and Gail 5th. Our 4 x 100m relay team of Karen Baldwin, Gail Millar, Sally Whiteway and Sophie Sullivan combined well and recorded an excellent time of 46.80 to finish in 4th place. This was only 0.04 behind the 3rd placegetters.

Sunday - Final day of competition. Our 2 reps. in the Jnr. Long Jump were Jocelyn Millar and Susan Johnson. Both girls performed well. Susan's leap of 5.61 was her personal best for the season and Jocelyn's fine jump of 5.74 gained her 2nd placing, making it Jocelyns 2nd silver medal for the champs.

100m Junior heats - Gail Millar finished 3rd in heat 1 in 12.26 to qualify for the final. Karen in heat 2 5th in 12.7.

Junior Javelin event with Vicki Harwood. This was not only Vicki's first time at the National titles but it was also her first season in competitive athletics. It was a great achievement for Vicki to gain 2nd placing in the Javelin, her throw of a distance of 41m66.

Women's High Jump - Jocelyn competing in Open class was eliminated with a height of 1m73 to finish 8th. It was a wonderful experience for Jocelyn to take part in this Senior event in addition to the Junior section.

Women's 800m followed. Penny Gray ran a great race to finish 3rd in a creditable time of 2m03.93.

Ten minutes later our Juniors Lisa Gray and Shelley Mathewson lined up for the start of the 1500m. Lisa feeling the stress of leg injury finished 9th in 4.39.37. Shelley finished 7th in 4.36.79, for Shelley only 14 years of age in U18 competition it was a great experience.

100 metres final Gail ran well and finished 6th in 12.36.

Our last event for the titles the 4 x 400m Jnr. relay. Sophie Sullivan, Gail Millar, Sandra Speers and Sally Whiteway. The girls aims were high. They all tried so hard and were leading with less than 200m to go. It was very disappointing for them to be unplaced but what can one say except we know you did your best and unfortunately these things do happen. Keep trying girls it may be gold next year.

A very brief closing ceremony was performed at conclusion of the events, followed by a final function at the Stadium where presentations to winning teams were made, plaques of service presented to Mrs. Robinson, Mrs. McGee and Miss Gould and the Australian team to compete against New Zealand the following weekend was named. It was a thrill to have Penny Gray selected as a member of the Aust. team. Congratulations Penny.

TAS. STATE TEAM (Continued)

Monday - (Sally's 18th birthday). We were fortunate to have until 11.55 p.m. at our leisure. We took this opportunity to finish our souvenir shopping, lazing on the beach and a movie to finish up on. It was a tiring trip home with 6 a.m. early morning breakfast at Tullamarine.

Tuesday - Final stage of our trip home, departing Tullamarine at approx. 5.30 a.m.

Medal tally of 3 gold, 3 silver, 2 bronze was an achievement for all Tasmanians to be proud of. A very successful state team. Each team girl gave of her best and performed with distinction. All have reason to feel proud of their efforts. Our 13-14 year old girls gained valuable experience.

The happy and bright personalities of the team made it a pleasure for me to be with them as Manager. I thank the girls for their co-operation. A special little thank you girls for my gift. To Penny Gray, team captain, thank you for help given to the girls and myself, a more capable captain you would never find.

To the T.W.A.A.A. my sincere thanks for giving me the opportunity and privilege to manage the State Team of '79. It was a trip I will always remember.

I would like to take this opportunity to congratulate the Tasmanian men's team on their success at the titles and also thank them for support given to us.

In conclusion I wish to extend a Big thank you to clubs and families who sent good luck and congratulations telegrams. To Mrs. Ebzery thank you for help and advice.

(MRS.) FAY DENHOLM,
MANAGER.

CROSS COUNTRY

The Cross Country season opened on Sunday 4th June with a 2500 metre run at Sandy Bay Beach. During the 12 weeks season we used seven different venues. A high standard was attained by all athletes and some exciting runs were witnessed.

The State Cross Country Championships were held on Sunday 27th August at the Risdon Brook Dam Hobart. The weather was fine and sunny, with a cool breeze blowing, conditions were wet underfoot. The championships were very successful and were enjoyed by the 27 competitors and their parents and friends. The Junior and Sub-Junior age groups attracted the most entrants.

In the Senior 3000 metres five girls faced the starter, this was won by Elizabeth Toomey (VDC) in 12 mins. 40 secs. from Sally Boyle (Burnie). Five clubs were represented among the nine starters in the Junior 3000 metres which was won in fine style by Katrina Prendergast (SB) in 11 mins. 38 secs. from Marianne Hardstaff (NL) and Andrea Waddle (Devon) with Vicki Heath (Newstead) 4th.

The ten entrants in the Sub-Junior section staged a close and exciting race with Lisa Prendergast (SB) finishing 5 mins. 16 secs. North Launceston girls Christine Hardstaff and Leanne Hendley filling 2nd and 3rd places, Jacynth Prendergast (SB) was a close 4th, with 5th placegetter Mandy DiGuglielmo (Tamar) hot on her heels, Patrina Crowden (Devon) and Yvette McMichael (NL) also staged an exciting finish.

CROSS COUNTRY (Continued)

- 9 -

Spectators were amazed at the endurance and speed of the juveniles in their 1500 metres race Natasha Prendergast (SB) ran strongly and won in 6 mins. 55 secs. Lindi Dornauf (Newstead) was 2nd and Fiona Harper (NL) was 3rd.

The success of the 1978 Cross Country season and Championships was due to the fine work and unselfish help given by the following people:- Kevin Prendergast who took on the responsibility of measuring and flagging all courses; Lloyd Oliver who acted as chief timekeeper, Pat Mickleborough Assembly Steward, Elaine McLeod starter, Judges Rob Mazey, Don Steele and Mrs. B. Harris. Special thanks to Mesdames Margaret Hardstaff and Phyl Clayton for their help at the titles.

A Barbecue luncheon was provided by Mesdames P. Hamilton, L. Jepson, E. McLeod, F. Mickleborough, W. Prendergast, P. Wise, H. Marhsall, D. Perry, P. Wood, M. Hardstaff and D. Frawley, and was enjoyed by competitors and parents.

BURNIE WOMEN'S AMATEUR ATHLETIC CLUB

It gives me great pleasure to present the Annual Report of the B.W.A.A.C. for the 1978-79 season.

This season has seen a rapid growth within our club with registrations increasing from 32 in 1977-78 to 69 in 1978-79. There has been a pleasing harmonious relationship between our girls and their eager participation in events whether as individual or as a club is to be admired. Subscriptions have been our main source of income and we have been able to contribute \$200 toward equipment.

Five Inter-club meetings were held throughout the season with some creditable performances by our athletes. Our club was well represented at the Burnie Pageant and gained second place.

Ten girls from the B.W.A.A.C. were selected in the Coastal Team to compete at a Triangular meeting in Hobart in December. It was the first time our athletes had performed on a synthetic track so this made their efforts even more commendable.

BURNIE (Continued)

Keen competition was a feature of the club championships which were held during February with some decisions in doubt until the final event. Karen Johnstone set a new Coastal Record for U14 1500 metres at Ulverstone on 3rd February but eclipsed this on 21st February with a time of 5.33.7.

It is most unfortunate that we have been unable to update our club records, particularly in the U7 - U15 age groups, but all our efforts to locate prior records have been fruitless. We hope that we shall have some success prior to next season.

As a conclusion to the season a large gathering of athletes, parents, friends enjoyed a barbecue and trophy presentation at Somerset, and this was held in conjunction with the Men's Club. Main trophy winners were Athlete of the Year - Lynette Anderson. Best Clubwomen - Jocelyn Griffiths. Track Consistency - Lynette Anderson. Field Consistency - Lee-Anne Lavell. Ten girls received certificates for full attendance during the season, this included inter-club meetings. Medallions were presented to winners of track and field events for each age for Club Championships.

To all parents I extend my heartfelt thanks for your support throughout the season. We were indeed fortunate to have so many who were willing to act as officials at home and at inter-club meetings.

To the girls you have made this season a most successful one athletically and socially, remember this is your club, so help it grow and may good sportsmanship and harmony be the keynote at all times.

M. SHEPHARD,
PRESIDENT.

DEVON WOMEN'S AMATEUR ATHLETIC CLUB

In preparing this the 19th Annual Report of the Club, I can only feel proud to be associated with the girls, who have always been a credit to the Club and Amateur Athletics. As usual we commenced the Track and Field season at beginning of October.

Registrations

These showed a decline of 13 athletes mainly in the senior group, however we managed to gain one extra official. Many new faces were noticed in both officials and competitors, and we are happy to see the parents helping out on the field.

Inter-Club

Members had to travel more this season, with 4 days for Coastal Championships, 5 days of combined meetings and three special meetings, besides the two trips to Hobart for Triangulars and State Titles. This I feel may be the reason that our younger athletes numbers are not building up.

However the stronger competition at Inter-club can be seen by larger numbers of Coastal Records broken during the year. All told 37 new figures were set and on 7 occasions the present record was equalled. Of these Devon members equalled six and set 26 for the season.

Triangulars

At this meeting Coast recorded their worst results for years, still all members of teams gave of their best, and eight Devon girls filled many places.

Burnie Pageant

This year the girls made sure that the Club was fully represented in all events. Because of this they finished up comfortable winners of the main share of the Government Grant. This was used in co-operation with the men's club to purchase a full set of high jump equipment.

State Championships

This year we failed to bring any firsts home, however Sally Whiteway was narrowly beaten in three events, while G. Simpson, P. Bateson and F. Thomas recorded second or third placings.

During the year A. Waddle went to Adelaide with School Girls Team, while both F. Thomas and G. Simpson were selected for Sub-Junior Match against other states during January. Sally Whiteway gained selection in the Junior Team for the third time over a period of four years. This year all members who had been selected to represent the state were presented with a small engraved Wall Plaque to donate their year of being selected.

However the highlight of the year was Sally's gold medal, and West Australian Junior 400 metre record at the Australian Championships. All through the season it was her aim to win an Australian title at her last Championships as a Junior, a just reward for a very dedicated athlete. The club earlier in the year also had reason to congratulate Sally on her engagement and wish both herself and John the best in years to come.

Special Carnivals

As usual Devon girls gave good support to all special meetings. They won their share of trophies made available at the Ulverstone Pro Carnival, Forth Sports and the Age Group Championships run by the Ulverstone Amateur Athletic Club.

Over the four days of Coastal Championships our girls took out 43% of the placings for 78 events held.

To conclude the track season the club combined with men for an evening dinner at Mackeys Hotel Latrobe, when a good time was enjoyed by the forty odd present.

After the final day of the Devon Titles a luncheon was provided by women for all athletes and supporters present. Following the meal the Championship and Record certificates along with the Trophies were presented to all who had won some during the season. Main awards were won by:-

President's Trophy for Athlete of the Year:	Sally Whiteway
Patroness Trophy for Runner Up Athlete of the Year:	Gelinda Simpson
C. Johns Perpetual Trophy for one with the best performances at State Titles against State Records:	Sally Whiteway
G. Girdlestone Cup for Most Improved from previous season:	Andrea Macrow (Equal)

We wish to congratulate all who have been selected to represent the State and also Team Managers. Also congratulations to all clubs for their competition over the season.

Our season has been a success both financially and competition wise, and I am sure you are all looking forward to 1979-80 when we will once again see you.

MRS. RONDA MACROW,
SECRETARY D.W.A.A. CLUB.

EASTERN SUBURBS WOMEN'S AMATEUR ATHLETIC CLUB

I have much pleasure in presenting the Annual Report for the 1978-79 season.

This has been a most successful year for our girls; they have acquired through much hard work and dedication the A.J. Connor Shield, the C. and L. White Shield and the Overall Field Events Shield. Congratulations girls for such resounding success.

Names that seem to come up year after year are the Millar sisters who work so hard at their athletics and this reflected in their performances each Saturday.

Leah Miller has had an outstanding season and it is hard to believe that she was only twelve years old at the time. Among other youngsters to show great potential and determination are Christa Milner, Christine Spinks, Katherine Baines and Diane Appleyard.

Gaylee Chick continued her great return to athletics and performed well all season; Anne Hardwick also a senior has shown great determination and her results have been pleasing.

The Sub-Juniors form our largest group and there are some very talented girls coming on. Christine Spinks shows a very real talent, this was recognised by her selection in the Sub-Junior Team to go to Adelaide. Congratulations also to Heather Millar on her selection in the Sub-Junior team.

What a great thrill we had to learn that three girls were selected for the Tasmanian Team to take part in the Australian Championship. They were Jocelyn and Gail Millar and Susan Johnson. Susan won a gold medal for the Junior Pentathlon the first for a Tasmanian athlete and Jocelyn won two silver medals for the Junior Long Jump and High Jump. Gail was able to get through to the finals of the Junior 100m and 200m. Congratulations girls.

We thank you all for an excellent season. Goodluck and Best Wishes for the coming season.

We thank all those officials who spend so much of their valuable time at the ground on Saturdays. I should like to take this opportunity as Retiring President to thank my Committee over the years for their encouragement, devotion and enthusiasm.

(MRS.) M.V. GREEN,

HON. SECRETARY.

NORTH LAUNCESTON WOMEN'S AMATEUR ATHLETIC CLUB

This is the 14th Annual Report. Registrations for the season include 15 Juvenile, 16 Sub-Juniors, 10 Juniors and 1 non-competing Senior.

Northern Inter-club Competition has helped to foster athletes in general. It is pleasing to note that this year northern records have been set by Dianne Pickett in the Javelin, shot and discuss and the Junior shot by Catherine Lyons. Northern championships held on February 24th and 25th saw a number of North Launceston athletes perform very well. All girls who took part are to be congratulated.

Triangular Series

Many North Launceston athletes were among the squad selected for the northern team who performed well, together with other club representatives. The Tasmanian U15 athletes selected to compete in Adelaide following this competition are congratulated on behalf of the club.

State Pentathlon

In this competition Kathryn Lyons, Marianne Hardstaff and Christine Hardstaff competed. It is gratifying to see athletes taking part in all facets of competition made available to them.

Cross Country

A vote of thanks is here recorded for a wonderful day's competition hosted by the Southern clubs. Congratulations to all competitors. I am sure they all enjoyed the day.

State Championships

Combined competition at a state level for the first time, added to the enjoyment of the State Championships for both competitors and spectators alike. North L'ton women athletes who represented their club can be proud of their performances. Congratulations to the Juvenile athletes who were instrumental in regaining the Mavis Ebzery Shield. Jodi Allen was named as the most outstanding Juvenile. Dedication and perseverance from this athlete gained her the just reward that she deserved. Athletes who competed in Sub-Junior competition performed very well and the club is very proud of your worthy performances - not all could be winners.

National Titles

The club would like to make recognition of the State team who competed in Perth in March and congratulate them on a wonderful individual and team effort. Our congratulations to Sophie Sullivan who was selected in the team. We wish her well in future athletic competition. Her dedication and perseverance are an example to all of us.

Club Activities

Fund raising activities have been successful both financially and socially. It would be remiss of me not to include a vote of thanks on behalf of the club to the Organising Committee and the helpers. Without their endeavours the club could not function satisfactorily.

Club Coach

The club is indebted to Mr. MacMichael who has coached the athletes during the season. We are very grateful for his assistance and interest and fully appreciate that his efforts have helped to improve the standard of the athletes. To all who have assisted in any way, the club expresses sincere gratitude. Thank you all for your interest and work. To the T.W.A.A.A., the club is indebted for assistance and advice over the season.

In conclusion, may I on behalf of the club, congratulate all other clubs who provide the necessary competition during the season, and wish them every success during the coming season.

M. HARDSTAFF,
SECRETARY.

NORTHERN SUBURBS WOMEN'S AMATEUR ATHLETIC CLUB

Once again our club recruited well, but unfortunately a lot of our older club girls did not rejoin. All our athletes enjoyed quite a lot of personal success during the season.

We were happy to have two (2) of our girls selected in state teams. Katrina Fenner in the Sub-Junior team and Vicki Harwood in the Tas. State Team that competed in Perth.

Northern Suburbs did not enter a girl in the Miss Athlete Quest this year. Our committee feels that it is unfair for a few clubs to work hard raising funds whilst others do nothing and until such time as all clubs enter girls we will not be competing.

An Ox Roast was held in December. It was very successful both socially and money wise. It is hoped to make this an annual event.

Our Trophy Day was held at Mrs. Marshall's property at Bridgewater, beginning with a barbecue. Trophy winners were as follows:-

- | | |
|-----------------|----------------|
| Club Champion | Sharon Harris |
| Senior Champion | Beth Nichols |
| Junior Champion | Sharon Harris |
| Sub-Junior | Katrina Fenner |
| Juvenile | Tania Dwyer |

Under Age Champion:

| Under 18 - Naomi Clark | Under 17 - Kathryn Robins |
| Under 16 - Sharon Harris | Under 15 - Katrina Fenner |
| Under 14 - Sandra Leitch | Under 13 - Jannine Sommers |
| Under 12 - Linda McCarthy | Under 11 - Lyn Vincent |
| Under 10 - Tania Dwyer | |

This will be my last report for the N.S.W.A.A.C. I would like to take this opportunity to thank Club Officials, T.W.A.A.A. Officials and our own Committee and girls for all the help that has been given to me as Secretary for the last four (4) years.

I wish our new Committee all the best for the following season.

(MRS.) K. EYLES,

HON. SECRETARY.

RIVERSIDE WOMEN'S AMATEUR ATHLETIC CLUB

I have pleasure in presenting the Riverside Women's Amateur Athletic Club's Annual Report for 1978-79.

It was a happy and successful year for our athletes. Training sessions were well attended and it was pleasing to see several new members participating. Our special thanks to Mr. and Mrs. Gray and parents for their time and help given throughout the year.

Riverside athletes performed very well at the Tas. Championships in Hobart. We were very pleased with our 11 competitors and are hoping to take a larger team next year. Almost every girl improved her performance and our representation in the senior section gave Riverside a splendid total of nine golds. The only other section represented was the Junior and our four girls managed improved performances and three medals.

Congratulations to Penny and Lisa Gray on their selection in the Tasmanian Women's Team. Penny won the 1500m title and went on to represent Australia in that event against New Zealand in Melbourne and again achieved success.

Lisa gained a bronze in the Junior 800m event and recorded a personal best in 3000m.

I would like to thank athletes and parents for their help and participation in fund raising ventures.

Congratulations to Peta Lane on her selection in the Tasmanian Schoolgirls Championship.

The "Cape's Family Perpetual Trophy" was won by Lisa Gray. It was presented at a break-up barbeque together with certificates to each athlete showing points scored throughout the season. Our special thanks to Judith Taylor for making her home available on this occasion.

(MRS.) B. LANE,

HON. SECRETARY.

VAN DIEMEN WOMEN'S ATHLETIC CLUB

I have much pleasure in presenting the Annual Report for the 1978-79 season. Also I am pleased that the number of athletes registered was up on last seasons, when we started, also it is good to see some of our old girls sticking with us for the season. Hoping to see them all again this season.

I would like to thank Peggy Bell again, for the help in which she has given me; also to Dawn Perry for being so interested in the club and training the girls on the Eastern Shore until she had to leave us.

During the season we had a Runathon from the Tasman Bridge to the Risdon Brook Dam which the girls really enjoyed themselves. Also we had evenings raising money for the club, and we had a dance in the Campania Hall which wasn't successful; however the support was there from club members.

I would like to congratulate the "Demon" girls who took part in the State Championships. Two of the girls had just started this year and they really showed every bit of energy they had, all the other girls performed very well.

Our Trophy Day was held at the Nugent Hall and the Winners of the various Championships were:-

Club Champion	Darleen Parker
Senior	Gayleen Parker
Junior	Darleen Parker
Sub-Junior	Julie Swan
Juvenile	Debbie Swan

Other Trophy Winners were:-

Sub-Junior Runner Up's	Sally Fitzgerald
	Karen Lawler
Most Consistent	Susan Davidson
1st Place in State Championships of	
Sub-Junior Long Jump	Barbara Watson

In closing I would like to thank my (Mother) Mrs. S. Parker (President) for giving all the support the club needed.

Mrs. Swan, Mrs. Fitzgerald, Mrs. Bell, Mrs. Perry, Mrs. Davidson for all giving their support as well as Mrs. Gillies who really encouraged the girls even the ones she didn't know.

One last thing, thank you "DEMONS" for giving us all an enjoyable season. Looking forward to seeing you all next season.

G. PARKER,

HON. SECRETARY.

APPRECIATION

Your Council pay a warm tribute to all Officials who give so freely of their time, and we must not forget the 'team' behind the scenes for without the assistance of these people our Association would not function so efficiently.

To our Patroness Dr. Gurna Dick, M.B.B., Chn; B.A.O. and husband Dr. Graeme Dick, our sincere thanks once again for their generous donation for our fund raising. Also a special 'thank you' for the beautiful perpetual trophy donated by them both, for the most outstanding junior sprinter. This trophy was won by Sophie Sullivan.

We were delighted that our Patroness was able to attend the Championships and make the presentations.

The Association was honoured again with the presence of our Premier Mr. Doug Lowe and wife Pam, at our Annual Dinner and Crowning Ceremony of our "Miss Athletics" Quest.

Other guests at our dinner were the President of the Men's Association Mr. G.T. Briggs, President of the Western Australian Women's Amateur Athletic Association, Mrs. Gwen Chester and the Secretary of the Tasmanian Olympic Council Mr. Eric Pilkington, O.A.M. and his wife Nell.

Our sincere thanks to the Tasmanian Amateur Athletic Association and Officials of the Southern Men's Branch for their assistance at our inter-club and Combined State Championships. My special thanks to Mr. Col Mickleborough for the many 'chores' done by him.

Once again our sincere thanks to Mrs. Doreen Frawley for her time spent on her weekly 'write-ups', our Programme Committee and State Recorder Mrs. Elaine McLeod.

Congratulations to our athletes who have gained placings in the Australian and State Championships and those who were successful in creating records.

Our congratulations are extended to Miss Penny Gray not only for her performances at the Australian Championships and as a member of the Australian Team versus New Zealand, but her selection as a member of an Australian Touring Group to Britain and Europe. This will be a great experience for Penny and we wish her well.

We thank Miss Daphne Holland, Manager of the Schoolgirls' Team, Mrs. Hardstaff Manager of the Sub-Junior Team and Mrs. Fay Denholm Manager of the State Team, for their time and work given to their individual team. Their guidance and understanding with the girls was much appreciated.

Once again we thank Mrs. Yvonne Downie and daughter Mrs. Michelle McGrath for donating trophies for the Sub-Junior and Juvenile athlete at the State Championships. A special thank you to Mr. Pat Downie for donating the sash for the winner of the "Miss Athletics" Quest.

To Mrs. Frawley and the officials connected with Cross Country competition and State Championships, we thank you for your time during the wintry season.

To Mrs. Pat Hamilton and Mrs. Bobba Jepson, my personal thanks for organising the luncheon for athletes and officials at our State Championships. The meal served under the 'Big Top' was very tasty.

A big thank you to Mr. Bob Hamilton for again arranging the drawing of the State Raffle at our Dinner Dance at the Hotel Carlyle.

Congratulations to Miss Jocelyn Millar receiving the "Mercury", "Star of Sport" Award for 1978.

Thank you to Club Secretaries for their reports on this years activities.

The sincere thanks of the Association are extended to:-

The State Government - for their assistance with fares for our State Team to Perth and \$4,000 for two years rental at the Domain Centre.

Mars - for their sponsorship and donation of competitive numbers.

The Press, Television and Radio Stations for publicity.

Sport and Recreation Department - for the use of office space for meetings etc.

To all who have contributed to this Report.

CONCLUSION

Over the past year our athletes have encountered many triumphs. At our State Championships there were seven records broken, and at the National Championships in Perth our Team won three gold, three silver and two bronze medals.

One of the most thrilling experiences at the National Championships was Susan Johnson winning the Junior Pentathlon, an event which had been held in our State for the first time, the previous season.

A "Miss Athletics" Quest was held, which resulted in the amount of \$2,411.60 being raised. The girls who took part in the Quest were:- Sandra Caldwell, Elizabeth Coolley, Susan Whitton and Mary-Francis Clayton.

Congratulations to Sandra on her win. Each girl was presented with a gift and the winner with a "Sash of Honour".

The money raised by Clubs and members of the Executive were as follows:-

Newstead	-	\$400.00
Sandy Bay	-	\$300.00
Tamar	-	\$235.60
North Launceston	-	\$220.00
Riverside	-	\$200.00
Van Diemen's	-	\$200.00
Northern Suburbs	-	\$150.00
Devon	-	\$125.00
Eastern Suburbs	-	\$100.00
Ulverstone	-	\$100.00
Burnie	-	\$ 40.00
Mrs. D. Frawley (Raffle)	-	\$ 46.00
Mrs. D. Claxton (Raffle)	-	\$ 40.00
Mrs. P. Hamilton (Raffle)	-	\$ 20.00
Mrs. L. Jepson (Raffle)	-	\$ 10.00
Mrs. M. Ebzery (Raffle & donations)	-	\$225.00

Thank you to the Clubs, Parents and Friends who worked for the fund raising.

The fund raising was very disappointing this year with approximately only half of the amount being raised to that of the previous year. I appeal to Clubs to seriously consider ~~the finances of~~ this Association. These funds were built up over a long period of time. Present day athletes did not subscribe all the funds. Much of the funds accrued are the efforts of the Executive, and some of the older Clubs so please review your contributions for the next fund raising quest.

In concluding my report may I offer my personal thanks to our President Mrs. L. Jepson, Treasurer Mrs. D. Frawley, Independent Delegates Mrs. D. Claxton and Mrs. P. Hamilton, Club Secretaries and Committee Members for their valued support during the year.

Thank you also to our group of dedicated officials, too numerous to mention individually, but nevertheless sincerely appreciated for their work. Please continue - WE NEED YOU!

The year ahead will be another busy one, and I sincerely hope that it will be one which will bring understanding and loyalty, and a sincere endeavour by everyone to help maintain good sportsmanship and good relations both on and off the athletic field.

ON AND BEHALF OF THE TASMANIAN WOMEN'S AMATEUR ATHLETIC ASSOCIATION

MAVIS EBZERY, O.A.M.,
HON. SECRETARY.

ADDENDUM

Ladies it gives me a lot of pleasure to once again state that we have had another successful season.

Congratulations first of all to our capable Secretary, Mrs. Mavis Ebzery, O.A.M. on her appointment as a member of the Records and Standards Committee. It is a fitting tribute to her capabilities in Athletics and to the esteem with which she is held by members of the A.A.U. of A.

Our up and coming athletes have excelled themselves this year. Congratulations to Penny Gray, who made such a tremendous return to Athletics, obtaining a gold medal in the Senior 1500 metres and a bronze medal in the Senior 800 metres. Also to Susan Johnson and Sally Whiteway for their outstanding performances in gaining gold medals for the pentathlon - Susan and 400 metres - Sally. To placegetters Jocelyn Millar and Lisa Gray, well done girls.

The State Championships were very successful, and it is always a pleasure to meet with members and officials of the clubs from other parts of the State.

Many thanks to the Executives for the co-operation over the past year, also to Council members for their interest and enthusiasm, which I hope will continue in the coming year.

Thanks to all those who work hard for their own clubs; keep up the good work as it is through you that the success of the Tasmanian Women's Amateur Athletics depend.

L. JEPSON,
PRESIDENT.

ULVERSTONE WOMENS AMATEUR ATHLETIC CLUB

It is once again, my pleasure to present the Annual Report for the 1978/79 season.

Unfortunately our last Annual Meeting did not get off to a very good start, however the following Office Bearers were elected for the 1978/79 season:-

President	:	Mrs. Sal Clarke
Vice President	:	Mrs. Marion Anderson
Secretary	:	Mrs. Joan Biggs
Treasurer	:	Mrs. Margaret Wood

We were fortunate to have three of our members, represent the U.W.A.A.C. at the State Titles, in Hobart, during the past season. Although no placings were gained in the finals, they all gained valuable experience, and hopefully, we will be able to send a few more girls next time.

It was also pleasing to see a large number of girls competing at Inter-club competitions.

Our own club championships were again held over a three weekly programme, and even though numbers were down in some age groups, the competition was again very close. The Club Champions were:-

U/6 Yrs.	L. Pieterse	U/12 Yrs.	E. Blair
U/7 Yrs.	S. Lade	U/13 Yrs.	F. Scott
U/8 Yrs.	K. Frazer	U/14 Yrs.	A. Whatley
U/9 Yrs.	M. Clarke	U/15 Yrs.	A. Ponsonby
U/10 Yrs.	J. Cooper	Junior	F. Temple
U/11 Yrs.	L. Morley		

Although our Women's Club officials registrations were down on last year, it was pleasing to see these mothers turning up each week, and I wish to thank all who assisted in any way.

It was again great to have both Mr. and Mrs. Goss attend our final break up night, and I sincerely thank Mrs. Goss, for all her time and help, to me during my past association with the club.

It was rewarding to be able to meet our commitments in regards to our share of equipment, at the commencement of the season, U.W.A.A.C. donated \$250.00 to the Mens Club for the purchasing of four digital stop watches.

In closing, I would also like to thank trophy doners and fellow workers, and hope that the coming season will once again be a successful one.

SAL CLARKE,
PRESIDENT.
