THIRTIETH ANNUAL REPORT SINCE RE-AFFILIATION:

SEASON 1980-81

Presented to members of the T.W.A.A.A. at the Annual General Meeting held at the Board Room of the Division of Recreation, Kirksway House, Kirksway Place, Battery Point, on Saturday, 25th July, commencing at 2.00 p.m.

Ladies,

It is my pleasure to present to you the Thirtieth Annual Report and Financial Statement.

Our registration of athletes and officials for the 1980/81 athletic season was 620.

A Team of six Junior members and four Senior members was selected to represent Tasmania at the Combined Men and Women's Australian Track and Field Championships held on the 19th - 22nd March inclusive, in Adelaide.

Susan Johnson (Captain)	Heptathlon, 4 x 100m, 4 x 400m Relay (Snr.)
Sally Whiteway	100m, 200m, 400m, 4 x 100m, 4 x 400m Relay (Snr.)
Penny Gray	800m, 4 x 100m, 4 x 400m, 4 x 400m Relay (Snr.)
Jocelyn Millar	Heptathlon, high jump, long jump, 100m hurdles, 4 x 100m, 4 x 400m Relay (Snr.)
Gail Millar	100m, 200m, 400m, 4 x 100m, 4 x 400m Relay (Jnr.)
Vicki Harwood	Javelin, (Snr.) and Junior
Sandra Speers	400m, 800m, 4 x 100m, 4 x 400m Relay (Jnr.)
Marianne Harstaff	400m Hurdles, 4 x 100m, 4 x 400m Relay (Jnr.)
Cathy Dennis	Heptathlon (Jnr.)
Susan Hooper	4 x 100m, 4 x 400m Relay.

Our team did very well at the Nationals winning 1 gold, 2 silver and 10 bronze.

Congratulations to Gail Millar on her fine win in the junior 400 metres; and also making the final in the 200m.

Everyone was thrilled when Marianne Harstaff won her silver medal in the 400m hurdles. Marianne had been under a great strain not knowing whether she would be available to compete, if heats were to be conducted earlier in the programme as she was doing her nursing exams and could not be available until the evening prior to the final, but 'Lady Luck' was with her as it was her last opportunity to compete as a junior.

Gail will also be joining the senior ranks and our best wishes are extended to these girls to continue with the success that they have brought to our State during their junior competition.

Jocelyn Millar was 2nd in the Senior Heptathlon, and Penny Gray gained a 3rd in the Senior 800 metres.

Although Sally Whiteway did not win a medal, she performed very well, and made the finals in all of her events.

Sandra Speers ran a good 3rd in the junior 800 metres and still has another year to compete in this rank.

Vicki Harwood did not perform as well as she has done previously, but I understand that she had problems with her 'run-ups'.

Cathy Dennis performed very well, and would have gained a great deal of knowledge from her first National Titles.

Susan Hooper ran very well in the relays, as did all the girls, and it was a great thrill to see our Teams taking out places.

It was disappointing that Susan Johnson had to withdraw from the Senior Heptathlon and relays owing to a big injury.

The 1981 State Track and Field Championships were held in conjunction with the Men's Association on the 28th February and 1/2 March.

The conditions were pleasant for the first two days but pouring rain and strong winds hampered the afternoon competition on the final day.

The competition throughout the Championships was very good, with many close finishes and good times, and records being established.

One of the closest finishes came in the final of the Senior 400 metres, when Sally Whiteway (Devon) just lasted to win from Penny Gray, with a time of 56 secs; with Penny second on 56.1, and Sophie Sullivan 56.4 in third place.

One of the best performances on the second day of the Championships was by Marianne Hardstaff (North L'ton) who broke her own residential record for the 400 metres Junior hurdles by one second, with a time of 62 seconds.

Marianne competing against only one other competitor, Judy Harrison (Newstead) hurdled smoothly all the way and put on a fast finishing effort.

Suzanne Botak (Riverside) set a new Tasmanian record in the Under 15 (sub-junior) high jump by clearing 1.62 metres with Catherine Fisher and Olivia Garrott filling in the minor places.

In the women's senior high jump, Cathy Soanes (Victoria) and Jocelyn Millar (Riverside) finished equal first after clearing 1.76 metres.

MANAGER'S REPORT

It is with pleasure that I present my report on the Tasmanian Team competing at the National Titles in Adelaide 19th - 22nd March. Our team consisted of Seniors:- Susan Johnson (Captain), Penny Gray, Sally Whiteway, Jocelyn Millar. Juniors:- Gail Millar, Sandra Speers, Vicki Harwood, Marianne Hardstaff, Cathy Dennis, Susan Hooper.

Departed Wednesday morning, met up with North girls in Melbourne, arrived Wednesday afternoon, settled in accommodation at Flinders Lodge satisfactory. Attended Managers Meeting with Brian Roe, which unfortunately did not start on time, consequently meeting did not finish until after mid-night.

First day of competition Thursday with Tasmania off to a good start, Gail Millar putting us on the map by winning a gold in a thrilling 400 metre Junior title. Gail made the finals of the 200 metres and ran well in all relays.

Jocelyn Millar was 2nd in the Senior Heptathlon and ran well in both Senior relays.

Penny Gray gained a 3rd in the Senior 800 metres and ran a good leg in the Senior 4 x 400 relay.

Sally Whiteway although out of a place in the finals turned in her usual competent performances and ran well in both senior relays.

Marianne Hardstaff took out 2nd placing in the Junior 400 metre Hurdles, and performed well in the relays.

Vicki Harwood had problems with her spikes which detracted from her performances.

MANAGER'S REPORT (Contd.)

Cathy Dennis performed well for her first time at National level and the experience she gained should be of great value to her in the future.

Susan Johnson was most unlucky as she had to retire due to injury.

Sandra Speers came a good 3rd in the Junior 800 metres, was also a good runner in the relays.

Susan Hooper ran very well in the relays.

It was very gratifying to see how well our girls did in the relay. A special mention must go to Gail who really excelled herself in every leg that she ran.

Congratulations to Gail and Sally for being selected in the World Cup Team. I wish them every success and a happy and memorable trip. Congratulations also to Sandra Speers being added to the Alcoa Squad. We now have several girls attending these camps. It is to be hoped that when these girls return, they will be willing to pass on some of the knowledge that they have received.

A "Thank you" to Brian and Des, their co-operation made my task a lot easier.

As this will be the last T.W.A.A.A. report I wish to thank the T.W.A.A.A. for giving me this opportunity of taking the State team to the Nationals. "Thank you" to the girls for their cheerfulness and co-operation in all things, they contributed to making it a most happy and memorable trip. I wish to also thank Mrs. Mavis Ebzery for the advice she is always willing to give.

Elaine McLeod,
MANAGER.

MANAGER'S REPORT - SUB-JUNIOR MATCH

The team assembled in Melbourne, after travelling from Launceston and Hobart, with all the athletes excited and looking forward to Sydney. We were welcomed on arrival in Sydney by Mrs. Steptoe, Secretary of our liaison club, St. Georges, who imparted the details of the Match.

We arrived at the Bel-Air Hotel/Motel Maroubra at approx. 2 p.m., to find the accommodation very good and staff most obliging. Breakfast was included in the tariff and this was a distinct advantage to both athletes and manager.

On Friday night we had dinner at the restaurant on the premises. We were glad of this 'facility' after the long journey. We experienced a quiet time from then until Competition was completed on Sunday.

A Managers meeting was called before the Match commenced when procedures and program were explained. The program was the same as 1980. Unfortunately some delay was experienced on Sunday which placed the 200 metre heats and finals too close to the Relay for ease of competition.

T.W.A.A.A. can be very proud of the effort of each individual and particularly proud of the excellent team sprint. To our joy Mary-Francis Clayton brought home our medal with 3rd place in the javelin. It was very satisfying to have Tasmania represented in every final of the track events, i.e. 100; 200; 400; 800 and 1,500, with two athletes competing in the finals of 100 and 200 metres. In the field events were not so strong overall but under the pressure of strong competition plus very hot and humid weather, I'm pleased with every effort given. Our relay team was tremendous, coming a close 4th in the finish. Remembering that 1st, 2nd and 3rd place-getters broke the N.S.W. record it was a great effort to finish the Match with.

MANAGER'S REPORT - SUB JUNIOR MATCH (Contd.):

After the match all participants and officials enjoyed the hospitality of the N.S.W.A.A.A., with light refreshments and drinks served at the E.S. Marks Field.

Sunday night we all toured the "Rocks" area, viewing the Harbour, Opera House etc., and enjoyed a very pleasant night - a fitting reward to the Athletes for their dedication.

The Victorian Team were accommodated at "our" motel. Their company enabled our girls to share the victories, and also the disappointments, of competition, and in doing so form new friendships.

Leaving Sydney at 1.00 p.m. Monday we all arrived safely in Hobart and Launceston 4.15 - 4.30 respectively.

The girls were very well behaved - a credit to the T.W.A.A.A. and their families. I'm sure that every individual athlete benefited considerably from the experience.

I thank the Association for the privilege of the position as Manageress, and also for the experience I gained in the wonderful World of Sport.

Sandra O'Loughlin,

E.S.W.A.A.

REPORT ON THE AUSTRALIAN ALL SCHOOLS' CHAMPIONSHIPS

DECEMBER 12TH - 15TH 1980

With the radar strike in progress, the trip hardly got off to a flying start. The northern half of the team was obliged to go on ahead with the boys' manager, Mr. Andrew Willis, while I waited at Melbourne airport for the southern half. After a further four hour wait at Tullamarine, we finally left for Sydney, arriving six hours later than planned. We were met on arrival by a very helpful man, Mr. Peter Waters, then caught taxis straight to the Gemini Motor Inn, at a cost of approximately 85 cents per person. The northern girls were well settled in to their rooms by this stage.

On Saturday morning, we caught taxis to the Sydney Athletic Field, this time at a cost of about 40 cents per person. The opening ceremony was quite impressive, with all states represented in the march, together with the A.C.T. and the Northern Territory. Gelinda Simpson came third in her heat of the 200m to qualify for the finals and Gail Millar won a bronze medal in the 100m. We returned quite tired at the end of the day to the hotel, freshened up, then went out to dinner with the boys' team.

The second day proved to be just as successful as the first, with Gail coming first in her heat of the 200m and gaining a silver medal in the 400m, in spite of her leg which was causing her some concern. Gelinda came second in her 100m heat, then third in the final to win a bronze medal, while Julie Hooper also scored a bronze in the long jump, which was one of the last events of the championships.

Personal bests were scored by Jo-anne Tandy in the discus, Suzanne Botak in the high jump, Jenni Abraham in the shot, Julie Hooper in the long jump, Jan Philpott in the 100m and the 200m and Gelinda Simpson in the 100m.

In the evening, we went out to a pancake parlour with the remainder of the boys' team, had a look at the bridge and the opera house, then walked in to town for a Macdonald's. Most people were in bed by 12.30, exhausted.

REPORT ON THE AUSTRALIAN ALL SCHOOLS' CHAMPIONSHIPS (Contd.):

We managed to get in two hours of shopping on Monday morning after checking in our luggage at T.A.A. in the city. We left Sydney only one hour later than expected and arrived home about a half an hour later than scheduled.

I would like to take this opportunity to commend the team captain, Gail Millar, for her continual assistance and support, and for the very helpful advice she was able to give me, both from an athlete's point of view and from the point of view of someone who had been away in state teams previously.

The girls were all co-operative, apart from one who proved to be irresponsible and unreliable on occasions, and I would be dubious about taking her away again.

Val Clarke,
MANAGER.

CROSS COUNTRY

Our 1980 Cross Country Season opened on a fine sunny Sunday morning on the 4th May with a 3000 metre run at Sandy Bay Beach. The season consisted of sixteen Sunday morning runs at various venues. Performances of all athletes were of a high standard and enthusiasm was maintained throughout the season. The races created a great deal of interest and we gained quite a band of followers. The State titles were held on the 24th August at Risdon Brook Dam and were well supported. Unfortunately it was cold and very windy and the girls had to contend with sleety rain during their events. Several exciting finishes were stages and records were created in three divisions by Barbara Kenyon (New) Seniors, Andrea Waddle (Devon Juniors, and Simone Solomon (S.B.) Sub-Junior. An enjoyable barbeque luncheon was provided and served by the Southern parents. This was followed by the presentation of trophies and certificates and the announcement of the State Cross Country Team to compete at the Australian Cross Country Championships, consisting of Barbara Kenyon, Andrea Waddle, Sharon Harris, Simone Solomon and Paula Nicholls.

I had the pleasure and privilege of taking our first representative Cross Country Team to Bundoora, and although we were unable to come back laden with medals, the experience gained by the girls in the rough and tough pressurized atmosphere of Inter State competitive racing will be of great value to them in the future. Our girls were allowed to run in the road relay events by invitation, this was an experience they greatly enjoyed. I am grateful to the Association for giving me the opportunity of attending the Aus. C.C. Champs, and to be charge of such a delightful group of girls.

D. Frawley.

NORTH LAUNCESTON WOMEN'S AMATEUR ATHLETIC CLUB

The 16th Annual Report is presented to T.W.A.A.A. for its approval and adoption.

During 1980/81 season 43 athletes registered with the Club and were successful in many aspects of the sport.

In Northern Inter-club, N.L.W.A.A.C. were runners-up in the women's clubs competition, which proved very beneficial to all athletes.

In selection of State representatives teams, the club is justly proud of the following athletes who gained selection -

Australian All Schools Championship (Victoria) U15	- Jodie Allen
Sub-Junior Match (Sydney)	- Mary-Frances Clayton
State Team for National Championships (Adelaide)	- Marianne Hardstaff

At State Championship level athletes from the club were successful in taking out 7 state titles which is certainly an improvement by comparison to previous years, and speaks well for the future.

Whilst the club cannot function without athletes who are the core of any club, there are also dedicated personnel who gave so fully and untiringly of their time to foster and encourage the athletes. A successful coaching camp was held at Port Sorell in October - the brain child of club coach Peter Macmicheal to whom the club is very much in debt for his help as coach of the athletes.

NORTH LAUNCESTON WOMEN'S AMATEUR ATHLETIC CLUB (Contd.):

Congratulations to all athletes in the club who participated in the sport during the season attaining their personal best performances. It is hoped that such participation and loyalty continues to grow in the future. Appreciation is expressed to those parents who helped in any way to make this season a successful one.

The club wishes each and every club every success during the season 81/82 and thanks the T.W.A.A.A. for the encouragement the club has received during 80/81 season.

(Mrs.) Margaret Hardstaff,
HON. SECRETARY.

Jo was also a member of the State Sub-Junior Team.

Our very sincere thanks to the club coach, Miss Daphne Holland, for her untiring help, advice and availability.

APPRECIATION

As this will be my last Annual Report on behalf of the Women's Association, I wish to offer my sincere thanks to all officers and officials for the support they have given to me, and to Athletics during my thirty-one years in office.

To our Patroness, Dr. Gurna Dick, M.B.B., Chn; BAO; and husband Dr. Graeme Dick for their generous donation toward the fund-raising of our new building project at the Domain Athletic Centre.

To these two people we are greatly indebted for the loyal support and generosity they have extended to our Association for many years.

The perpetual trophy donated by them both for the best junior was won by Catherine Dennis (Newstead).

A special thank you to Mrs. Doreen Frawley for her excellent "write-ups" each week, both for inter-club and cross country.

To members of the Tasmanian Amateur Athletic Association and Southern Branch, our sincere thanks for their assistance at inter-club and the combined State Championships.

Congratulations to our athletes who won medals at the Australian Championships and State Championships, and to those who have worked hard and improved their performances, and to those who have enjoyed their athletics and supported their club members when needed.

The Association is very proud to have Sally Whiteway and Gail Millar as members of the 4 x 400m. Relay in the Oceania team for the World Cup to be held in Rome in September, 1981, and extend their best wishes to the girls.

Congratulations to Sandra Speers being selected to attend the "Alcoa" coaching camp.

To our Programme Committee, and a special thank you to Mrs. Anne Bolt, Mrs. Elaine McLeod, State Recorder, our Southern, Northern and North West officials, our sincere thanks for your untiring efforts for the promotion of athletics in your area.

Thank you to Club Secretaries who have forwarded reports of their Club's activities.

The Association wish to extend their sincere thanks to:-

State Government for their Grant.

Coca Cola for their donation of numbers.

Benders Real Estate Pty. Ltd., - sponsoring the State Championships.

The Media, Television and Radio Stations for Publicity.

Division of Recreation - for use of office space for meetings etc.

To all who have contributed to this report.

CONCLUSION

The past season has been very successful. The standard of our athletes continues to improve, and this was shown by the number of medals won by our girls at the National Championships this year.

Our only means of fund raising this year was the State raffle, the proceeds being \$1,214.30.

With the formation of the new Association, unfortunately our Team representatives, Managers and Delegates to Congress will no longer enjoy the full payment to air travel and accommodation by the Association.

A dinner party was held at the "Bavarian" Tavern with representatives from both associations in attendance. It was unfortunate that more members did not attend our annual dinner.

May I again thank each and everyone of our officers and officials for their valued assistance over the past twelve months.

My personal thanks to our President Mrs. L. Jepson Treasurer Mrs. D. Frawley, Independent Delegates Mrs. D. Claxton and Mrs. P. Hamilton, Club Secretaries and Committee Members for their valued support during the year.

Before concluding my last Annual Report, I would like to pay special tribute to some of our older members of the T.W.A.A.A., namely Mrs. Doreen Frawley, Mrs. Pat Mickleborough, Mrs. Pat Hamilton, Mrs. Dot Claxton, Mrs. Myrtle Green and Mrs. Mavis Goss, whom I have worked very closely with over a long period of years, and to these ladies a special 'thank you' for your loyalty, co-operation and ever ready assistance at all times, and your sincere friendship, which I have valued over the years.

It is hoped that all officials, athletes and members of the Amateur Athletic Association of Tasmania shall look forward to their first season and make a dedicated effort to meet the many challenges, entailing hard work, and perhaps some disappointments that no doubt will occur in the early stages of functioning as a new Body. Through the loyalty and co-operation of all concerned, I feel sure we shall all be very proud of our Association.

Let us all remember to succeed no matter how far the journey, each starts with a single step.

ON AND BEHALF OF THE TASMANIAN WOMEN'S
AMATEUR ATHLETIC ASSOCIATION

Mavis Ebsery, O.A.M.,
HON. SECRETARY.

ADDENDUM

Ladies we now complete the winding up of the T.W.A.A.A., and it is with a feeling of nostalgia that I look back over the years and remember past achievements.

This last season has been a most successful one with many successes coming to our athletes, which in itself is a fitting reward for their hard work and dedication.

I would like to offer my congratulations to our hardworking Secretary Mrs. Mavis Ebzery on the efficient manner she has conducted our affairs not only for this season, but for all the other years since the inception of the T.W.A.A.A. and she can feel justly proud of the fine Association she has created.

I would like to thank the Association for giving me the opportunity to hold office, and thank my efficient office bearers for all they have done. It has been a privilege and a pleasure to be associated with such a dedicated and sporting group of people and I hope the enthusiasm you have displayed in the past will be carried on into the new Association.

My best wishes to you all.

L. Jepson,
PRESIDENT.
