Launceston Harrier Club annexed the Challenge Cup. This was a very meritorious win, and this club has done well to defeat the almost traditional holders: The Sandy Bay Club.

INTER CLUB COMPETITION:

The Old Hobartian Club are to be congratulated on their success in these competitions. The spirit existing in this club is an excellent example to other clubs and it has contributed largely to the Club's success.

NORTHERN CLUBS:

These Clubs have been very active, especially during the track season. Their interest was so great that the first day of the championships was held at Launceston and this proved a great success. A movement is now progressing for the formation of a Northern Branch Committee of the Council of the Association.

OBITUARY:

Mr. Col. Hallam: It is with much regret that we record the death of Mr. Col. Hallam. He was an untiring and devoted worker for the Association. As a Starter for many years he has given faultless service. Nothing was a trouble to this man and every member was his friend.

Mr. A. W. Purdy: We also have much regret in recording the death of this late member of the Sandy Bay Club. For 6 or 7 years he has been one of their strongest supporters and our sympathies are extended to the club in their loss.

OFFICIALS:

Many Council Members have forfeited their Offices through failure to attend the monthly meetings.

Of the independent delegates only one remains on the Council. This rule is one which your Council suggests shall be vigorously adhered to in the future.

Thanks are recorded to all those Officials who have assisted in the conduct of games and events, and in this respect we especially mention Messrs. J. H. Smallhorn, F. C. Morell, C. Harvey and L. W. McGuire.

RESIGNATIONS:

Mr. A. S. Preshaw has resigned as independent delegate as he has departed to visit England.

We hope to have him with us once more on his return.

Mr. N. G. Hutton: We very much regret the resignation of this Member who has given so much of his time and organizing ability to the Association. We sincerely trust that he will again see his way clear to return to Association activities and we express our real appreciation of his past services.

He is a man we cannot afford to lose.

FINANCE:

At present our financial position has considerably improved.

This is due more to economy in administration than to increased activity.

However, the Association executive has now learnt what is required of it and the retiring executive is young and keen and if again entrusted with the affairs of the Association, will we are sure give no mean account of itself during the forthcoming season. Enthusiasm knows no bounds.

We thank the following for their generous donations: Messrs. F. R. Fuller, N. Hutton, A. Williams, F. Rose, J. Soundy, Sir J. C. McPhee, Tattersalls (Geo. Adams Estate), and to all other supporters of the Association for their financial assistance during the past season.

THANKS:

Again we sincerely thank the "Mercury" and "Examiner" Newspaper Proprietors for their constant reports on Meetings and publication of notes.

For and on behalf of the Council of The Tasmanian Amateur Athletic Association:

T. HALLAM: Chairman.

D. F. GEE: Hon. General Secretary.
