NORTH WEST COAST:

Three girls namely Heather Innes, Annette Lehman and Gail Newman were members of the Tasmanian Team, which visited Sydney for the Australian Championships. Heather was third in the Javelin in spite of an injured arm, which forced her to withdraw.

Several athletes travelled to Hobart for the State Championships Annette Lehman did very well in winning the open 230 yds, 160 yds. and the 75 yds. Championships. Heather won the Javelin quite comfortably. Gail Newman was second in the Senior events being only inches behind Annette on two occasions.

Others who did very well were Rosemary Dick, second and two thirds in the Sub-Junior Sprints, Josie Llyod second in the 230 yards Junior and second in the High Jump, Bernice Hiller third in the Junior 220 yards and third in the Long Jump.

Inter-Club competitions held on Saturday mornings have been most successful and a very keen interest has been taken throughout the season. The long distances that many of the athletes and supporters travel each week indicates their keenness.

The Australian Women's Amateur Athletic Championships are to be held in Hobart in March, 1960 at which representatives will be chosen for the Olympic Games to be held in Rome in 1960. † This Association needs financial assistance and it is hoped that every effort will be made to raise funds so as to make the first Australian Women's Championships held in this State a great success.

In conclusion, on behalf of all members of our Association I would like to take this opportunity of thanking all Clubs, and Officers who have generously contributed services, coaching and advice to athletes, and who have devoted much of their time on Saturday mornings to the furtherance and assistance of our Association.

It is very pleasing to note the added interest taken by Parents and Friends of Club members both in Hobart, Launceston and the North West Coast, and it is hoped that this interest will continue to grow.

MAVIS TRIFFITT,

HON. SECRETARY T. W. A. A.
