TENTH ANNUAL REPORT SINCE RE-AFFILIATION - SEASON 1960-61

Presented to members at the Annual General Meeting held at the National Fitness Council Offices, 49 Davey Street, Hobart, on Saturday 29th July, 1961 at 2.30 p.m.

LADIES,

It is very pleasing to report that the 1960/61 season has been quite successful. The total number of members for the season being one hundred and forty.

Only one Triangular Meeting was held during the season, this being conducted at the North Hobart Oval on Saturday 21st January. Unfortunately the North West Coast was unable to send a team to compete. It is hoped next season that the two contests will be well supported, and competition will be keener.

I would like to point out that when these fixtures are not well supported it deprives some competitors having a chance to participate in listed events.

2.

Two girls should be selected from each Division for track and field events. At the Triangular Meeting held in Hobart with only North and South competing it meant that as North this year was able to select only sprinters, girls representing the South were unable to compete in field games. This proved disappointing to the girls as well as to the officials conducting the programme.

The Women's Amateur Athletic Triangular Shield was retained by South.

The Tasmanian Championships were held in conjunction with T.A.A.A. at York Park Oval, Launceston on Saturday 11th February. Entries were very good, and the following girls established new residential records:-

Marlene Bellchambers  
Dianne Probert  
Elaine Frawley  
Sue Rush

The programme consisted of 24 events and was grouped under four Age Group Headings:-

- (1) Juvenile (Under 14 years) 75 yds., 100 yds, 6 x 75 yds. Relay.
- (2) Sub-Junior (Under 16 yrs.) 75 yds., 100 yds., 220 yards, High Jump, Long Jump, 4 x 110 yds. Relay.
- (3) Junior (16 yrs. +) 75 yds., 100 yds., 220 yds., Long Jump, High Jump, 4 x 110 yds. Relay
- (4) Senior (18 years +) 75 yds., 100 yds., 220 yds., 80 Metre Hurdles, High Jump, Javelin Shott Put, Discus, Broad Jump, 4 x 110 yds. Relay.

Owing to an accident to two of the senior athletes the senior Long Jump was postponed.

"F.J. KOHL" SHIELD: Sandy Bay retained the Shield with a total of 45 points.

Other placings were - Newstead 17, Launceston 16.

During the season the Secretary attended the Championships of the Exeter Club, and was also present at a gymnasium evening conducted by the Launceston Women's Harrier Club.

An enjoyable evening was held at the Imperial Hotel where the "1956 Olympic" Film was shown and certificates for the Tasmanian Championships were presented to the girls. A Buffet supper was served.

#### CLUBS:

##### Sandy Bay Harriers' Club:

This season it is very pleasing to report that the Club has increased in its number of members. Thirty-five members affiliated with the Club this season.

Saturday Inter-Club contests were highlighted by the hard-fought races between Elaine Frawley and Sue Rush. Sue broke Elaine's 100 yards State record with an excellent time of 10.9 seconds. Elaine's best time for 220 yards was 25.3 secs. There were also close finishes in the "B" and "C" grade sprints.

Elaine Frawley dominated the Club Championships by winning seven of a possible ten events. Her best performance was her excellent throw in the Javelin event; she threw it 91 feet 7 inches. Jennifer Batchelor also went well in the Championships; her best performance was in the Discus throw where she threw it 85 feet 11½ inches. New-comer to the Club, Elizabeth Giblin, took out the High Jump with a leap of 4 feet 4 inches. Bev Lewis won the Broad Jump with a jump of 14 feet 11½ inches.

At the State Championships our Club won the "F.J.Kohl" Shield for the fourth successive year. In the Juvenile Division, Glynis Pation won the 75 yards and 100 yards. In the Sub-Junior Division Sue Rush and Kayleen Patmore shared the honours. Sue won the 75 yards and 100 yards while Kayleen won the 220 yards and High Jump. In the Junior Division, Elaine Frawley won the 75 yards, 100 yards, 220 yards and Broad Jump; she also performed well in the Senior Javelin throw. Lorraine McLoughlin won the Junior High Jump. In Senior Division Jennifer Batchelor, Bev Lewis and Pam Lisson all did well. Jennifer had several close seconds; Bev won the Broad Jump and Pam Lisson won the High Jump. Another runner to do well was Pam Allender.

Our Club members made up the Southern Team which competed in the Triangular Athletic Meeting conducted at the North Hobart Oval. The team performed very well and proved too strong for the North to win the contest. On behalf of the Club I would like to congratulate the Northern Team for the fine performances showed against our Team. Unfortunately the North West did not field a Team this year.

Club members were very prominent in the recent Anzac Sports meeting. Sue Rush broke one record and equalled another in her age group. Leonie Mickelborough performed well in the open division. Both girls were competing for their school.

Trophy winners were:-

|           | Equal Third:    | Bev Lewis and<br>Kayleen Patmore |
|           | Best Performer: | Christine Hazell                 |
|           | Most Improved:  | Sue Rush                         |
| "B" Grade | Consistency:    | Pam Allender                     |
|           | Most Improved:  | Glenis Nation                    |
| "C" Grade | Consistency:    | Leonie Mickelborough             |
|           | Most Improved:  | Jennifer Butler                  |

In conclusion, on behalf of the Club, I would like to thank Mrs. Frawley, Mrs. Allender, Mrs. McQuiston and Mr. Anderson for the fine work they have done for the Club in the past season.

#### Elizabeth Street Secondary School:

This Club was not as active as in former years, but the few members who attended on a Saturday morning performed very well, especially Margaret Asley who showed considerable ability as a sprinter.

The relay team also did well.

#### Newstead Harrier's Club:

The Women's Division of the Newstead Harriers' Club have every reason to be pleased with the club members

efforts for the Season 1960/61.

The girls performed very well at both the Northern and State Championships. They won  $11\frac{1}{2}$  individual championships besides a relay at the Northern Championships. Whilst the members only won one individual title, this was Dianne Probert's record leap of 15 ft.  $9\frac{1}{2}$ ". The Juvenile relay team was successful in their event, and several other girls ran places.

If there had been regular inter-club races during the season, the members consider their efforts would have improved greatly.

Congratulations go to the Club Grade Champions, Jan Wickham "A" Grade, Kay Hawkins "B" Grade, Carol Holmes "C" Grade, and Sheryl Breward "D" Grade.

As all members have shown a great enthusiasm throughout the season and several intending new members are also showing keenness to begin the forthcoming season Newstead anticipate another very successful year.

#### Exeter:

The Exeter Club has had another successful season with 37 registered members, their ages are from 6 to 18 years. The Club had quite a deal of success in the Northern Championships. One hundred and twenty-five club races were held during the season, and also Club Championships. Events were also conducted at the Sandy Beach Carnival and Exeter Show. The Club is in a very sound financial position.

#### Launceston Women's Harrier's Club:

The Launceston Women's Amateur Athletic Club, which was formed at a meeting on the 14th September 1960 has ended its first track season happily and financially sound. The idea of an all girls club really appealed to both girls and parents, which was proved by the fact that the Club had 45 registered members. The Club held regular weekly competition on a Wednesday night and had regular attendance of 25 each week.

Owing to the fact that so many girls registered with the Club were in the 10-15 age group, it was thought to be beneficial if they were trained gradually and although both young and inexperienced, club members showed up surprisingly well in the Tasmanian Championships. It is confidently expected that several of the girls will be future

champions, as they have shown a great deal of promise and enthusiasm. This Club was accepted with full privileges into the Y.M.C.A. where the girls use the gymnasium and find it most beneficial to their training.

### North West Coast:

The 1960/61 season has been a most successful year with very keen competition and some excellent performances. If members would put as much energy and interest into the organising and financial side of sport as they put into the competitive side, results would be most satisfying. I feel that most athletes do not realise the work that is carried out by officials in book work, preparation of grounds and replacement of all gear on each day of competition.

This was the first year that athletes had competed in grades and proved most successful. After raising the stronger athletes to higher grades when they attained a set standard on three successful performances proved most heartening to weaker competitors who held keen interest to the end of the season.

Once again Penguin Club won the inter-Club competition from Burnie High School with Parklands High School third.

The Clubs wish to thank Mr. Eric Goss of Devonport who donated a beautiful silver tray as a perpetual trophy to be competed for on both days of North West Championships. The aggregate total over the two days covered all open field games and 80 metres hurdles, but did not include any sprints. The trophy for this year is held by Marlene Bellchambers of East Devonport. Congratulations to Marlene on her excellent performances.

North West would like to congratulate Sue Rush on her outstanding performances during the season, also the Sandy Bay Club for retaining the "F.J. Kohl" Shield.

Best performances of the year were as follows:-

The Australian Women's Amateur Athletic Championships are being held in Adelaide during January of next year, and it is hoped to send a Team to represent our State.

On behalf of all members of our Association I would like to take this opportunity of thanking all Clubs and Officers who have generously contributed services and who have devoted much of their time to the furtherance and assistance of our Association.

Once again I would like to thank Parents and Friends of Club members for the personal interest taken in the respective Clubs, and it is hoped that this interest will continue to grow, and the 1961/62 season will be a happy and prosperous one, enjoyed by all our athletes.

On behalf of the Tasmanian Women's Amateur Athletic Association,

Mavis Triffitt,  
Hon. Secretary

29th July 1961.
